The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency, records office, or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

To the extent that any Holder of an Allowed Secured Claim (including Allowed DIP Claims) that has been satisfied or discharged in full pursuant to the Prepackaged Plan, or any agent for such Holder, has filed or recorded publicly any Liens and/or security interests to secure such Holder's Allowed Secured Claim, then as soon as practicable on or after the Effective Date, such Holder (or the agent for such Holder) shall take any and all steps requested by the Debtors or the Reorganized Debtors that are necessary or desirable to record or effectuate the cancellation and/or extinguishment of such Liens and/or security interests, including the making of any applicable filings or recordings, and the Reorganized Debtors shall be entitled to make any such filings or recordings on such Holder's behalf.

Pursuant to section 1129(a)(5) of the Bankruptcy Code, to the extent known, the identity and affiliation of any Person proposed to serve on the New Board will be disclosed in the Plan Supplement. Provisions regarding the removal, appointment, and replacement of members of the New Board to the extent applicable, will be disclosed in the New Corporate Governance Documents.

M. Preservation of Causes of Action.

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII hereof, each Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Prepackaged Plan, including in Article VIII hereof, which shall be deemed released and waived by the Debtors and the Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. No Entity (other than the Debtors' respective officers, directors, members, or managers that are Released Parties, the Consenting Creditors, and the DIP Lenders) may rely on the absence of a specific reference in the Prepackaged Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. The Debtors and Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Prepackaged Plan, including Article VIII hereof. Unless any Causes of Action of the Debtors against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Prepackaged Plan or a Final Order, the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Reorganized Debtors reserve and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Prepackaged Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors, except as otherwise expressly provided in the Prepackaged Plan, including Article VIII hereof. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

N. Certain Securities Law Matters.

The offering, issuance (or entry into), and distribution of the New Common Interests (including the Tranche C Commitment Equity) and any other Securities entered into and/or issued in connection with the Prepackaged Plan, shall be exempt, pursuant to section 1145 of the

Bankruptcy Code or section 4(a)(2) of the Securities Act, as applicable, without further act or actions by any Person, from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable Law requiring registration prior to the offering, issuance, distribution, or sale of Securities to the maximum extent permitted by Law, in accordance with, and pursuant to, (i) section 1145 of the Bankruptcy Code (ii) section 4(a)(2) of the Securities Act, and any (iii) other available exemption from registration, as applicable.

In addition, the New Common Interests (including the Tranche C Commitment Equity) are issued in reliance on section 1145 of the Bankruptcy Code and section 4(a)(2) of the Securities Act, as applicable, and (1) will not be "restricted securities" as defined in Rule 144(a)(3) under the Securities Act and (2) will be freely tradable and transferable in the United States by a recipient thereof that (i) is an entity that is not an "underwriter" as defined in section 1145(b)(1) of the Bankruptcy Code, (ii) is not an "affiliate" of the Debtors as defined in Rule 144(a)(1) under the Securities Act, (iii) has not been such an "affiliate" within 90 days of the time of the transfer, and (iv) has not acquired such securities from an "affiliate" within one year of the time of transfer, subject in each case to compliance with applicable securities Laws and any rules and regulations of the SEC or state or local securities Laws, if any, applicable at the time of any future transfer of such Securities, and subject to any restrictions in the New Corporate Governance Documents.

The issuance of the New Common Interests shall not constitute an invitation or solicitation of an invitation or offer to sell or buy, any securities in contravention of any applicable Law in any jurisdiction. No action has been taken, nor will be taken, in any jurisdiction that would permit a public offering of any of the New Common Interests (other than securities issued pursuant to section 1145 of the Bankruptcy Code) in any jurisdiction where such action for that purpose is required.

The Reorganized Debtors need not provide any further evidence other than the Prepackaged Plan or the Confirmation Order with respect to the treatment of the New Common Interests (including the Tranche C Commitment Equity) under applicable securities Laws. Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC and any transfer agent) shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Prepackaged Plan, including, for the avoidance of doubt, whether the New Common Interests are exempt from registration and/or eligible for DTC bookentry delivery, settlement, and depository services. DTC and any transfer agent shall be required to accept and conclusively rely upon the Prepackaged Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Common Interests and are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services.

O. Preservation of Net Operating Losses.

The Bankruptcy Court will enter one or more orders, which may be the Confirmation Order, to facilitate preservation of "net operating losses" of the Debtors, which may also be provided for in the applicable New Organizational Documents.

P. 1146(a) Exemption from Certain Taxes and Fees.

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under the Prepackaged Plan or pursuant to: (1) the issuance, distribution, transfer, or exchange of any debt, equity Security, or other interest in the Debtors or the Reorganized Debtors, including the New Common Interests (including the Tranche C Commitment Equity); (2) the Restructuring Transactions; (3) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (4) the making, assignment, or recording of any lease or sublease; (5) the grant of collateral as security for the Reorganized Debtors' obligations under and in connection with the Exit Facilities; or (6) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Prepackaged Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Prepackaged Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, sales or use tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, shall forego the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

Q. Director and Officer Liability Insurance.

Notwithstanding anything in the Prepackaged Plan to the contrary, the Reorganized Debtors shall be deemed to have assumed all of the Debtors' D&O Liability Insurance Policies pursuant to section 365(a) of the Bankruptcy Code effective as of the Effective Date. Entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Liability Insurance Policies.

In addition, after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including any "tail policy") in effect on or after the Petition Date, with respect to conduct occurring prior thereto, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date.

R. Indemnification Obligations.

Consistent with applicable Law, all indemnification provisions in place as of the Effective Date (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, engagement letters, or otherwise) for current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors or owed to Cantor and RXR Lender and each of Cantor's and RXR Lender's Related Parties, as applicable, shall be reinstated and remain intact, irrevocable, and shall survive the effectiveness of the Prepackaged Plan on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date.

ARTICLE V. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases.

On the Effective Date, except as otherwise provided in Article V.H and elsewhere herein, all Executory Contracts or Unexpired Leases not otherwise assumed or rejected will be deemed assumed by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that are: (a) identified on the Rejected Executory Contracts and Unexpired Leases Schedule; (b) previously expired or terminated pursuant to their own terms; (c) have been previously assumed or rejected by the Debtors pursuant to a Final Order; (d) are the subject of a motion to reject that is pending on the Effective Date; or (e) have an ordered or requested effective date of rejection that is after the Effective Date.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assumptions and assignments, or rejections of the Executory Contracts or Unexpired Leases as set forth in the Prepackaged Plan, the Rejected Executory Contracts and Unexpired Leases Schedule, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth herein, assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to the Prepackaged Plan are effective as of the Effective Date. Each Executory Contract or Unexpired Lease assumed pursuant to the Prepackaged Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall re-vest in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by the provisions of the Prepackaged Plan or any order of the Bankruptcy Court authorizing and providing for its assumption. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by a Final Order on or after the Effective Date but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors.

Each Executory Contract or Unexpired Lease assumed pursuant to the Prepackaged Plan shall be assumed solely in accordance with the express and written terms of such Executory Contract or Unexpired Lease. The assumption of an Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan shall not be construed as an assumption of any implied terms, implied contract, or implied warranty under any circumstance, except as may be expressly agreed in writing by the Debtors or Reorganized Debtors and, any such rights, to the extent they exist as a matter of applicable law, shall be deemed rejected and subject to ARTICLE V.B of this Prepackaged Plan.

To the maximum extent permitted by Law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Prepackaged Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Prepackaged Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Prepackaged Plan, the Debtors or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Rejected Executory Contracts and Unexpired Leases Schedule at any time up to forty-five (45) days after the Effective Date, so long as such allocation, amendment, modification, or supplement is consistent with the Restructuring Support Agreement.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Prepackaged Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within thirty (30) days after the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection, (2) the effective date of such rejection, or (3) the Effective Date. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Estates, or their property without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with ARTICLE III.B.6 of this Prepackaged Plan.

C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.

The Debtors' and counterparties' respective rights and obligations under each Executory Contract and Unexpired Lease assumed under the Prepackaged Plan shall be unaffected by virtue of these Chapter 11 Cases, and the amounts coming due under such Executory Contracts and Unexpired Leases assumed under the Plan will be paid in the ordinary course of business pursuant to the terms of the Plan, the Confirmation Order, and such Executory Contracts or Unexpired Leases.

If you believe any amounts are due as a result of a Debtor's monetary default under an Executory Contract or Unexpired Lease to be assumed under the Prepackaged Plan, or you wish to otherwise object to the Debtors' assumption of an Executory Contract or Unexpired Lease under the Plan, including an objection regarding the ability of the Reorganized Debtors to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), you may assert an objection against the Debtors, subject to all defenses the Debtors may have with respect to such objection, by no later than May 6, 2024 at 4:00 p.m..

ANY COUNTERPARTY TO AN EXECUTORY CONTRACT OR UNEXPIRED LEASE THAT DOES NOT TIMELY OBJECT TO THE PROPOSED ASSUMPTION OF SUCH EXECUTORY CONTRACT OR UNEXPIRED LEASE BY THE DEADLINE TO OBJECT TO ASSUMPTION OF EXECUTORY CONTRACT OR UNEXPIRED LEASE WILL BE DEEMED TO HAVE CONSENTED TO SUCH ASSUMPTION.

The assumption of any Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan or other Final Order shall result in the full release and satisfaction of any nonmonetary defaults arising from or triggered by the filing of these Chapter 11 Cases, including defaults of provisions restricting the change in control or ownership interest composition or any bankruptcy-related defaults, arising at any time prior to the effective date of assumption. Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, shall be deemed disallowed and expunged as of the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such assumption, (2) the effective date of such assumption, or (3) the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

D. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan or other Final Order shall not constitute a termination of preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy Law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

E. Insurance Policies.

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, shall be treated as Executory Contracts hereunder. Unless otherwise provided in the Prepackaged Plan, on the Effective Date, in connection with all contemplated transactions under this Prepackaged Plan, (1) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims, including all D&O Liability Insurance Policies, and (2) such insurance policies and any agreements, documents, or instruments relating thereto, including all D&O Liability Insurance Policies, shall revest in the applicable Reorganized Debtors.

Nothing in this Prepackaged Plan, Restructuring Support Agreement, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any other Final Order (including any other provision that purports to be preemptory or supervening), (1) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (2) alters or modifies the duty, if any, that the insurers or third party administrators have to pay claims covered by such insurance policies and their right to seek payment or reimbursement from the Debtors or draw on any collateral or security therefor. For the avoidance of doubt, insurers and third-party administrators shall not need to nor be required to file or serve a cure objection or a request, application, claim, Proof of Claim, or motion for payment and shall not be subject to any claims bar date or similar deadline governing cure amounts or Claims.

F. Reservation of Rights.

Nothing contained in the Prepackaged Plan, the Restructuring Support Agreement, or the Plan Supplement shall constitute an admission by the Debtors or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

G. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

H. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or Reorganized Debtor in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

ARTICLE VI. PROVISIONS GOVERNING DISTRIBUTIONS

A. Distributions on Account of Claims Allowed as of the Effective Date.

Except as otherwise provided herein, in a Final Order, or as otherwise agreed to by the Debtors or the Reorganized Debtors, as the case may be, and the Holder of the applicable Allowed Claim on the first Distribution Date, the applicable Reorganized Debtors shall make initial distributions under the Prepackaged Plan on account of Claims Allowed on or before the Effective Date, subject to the Reorganized Debtors' right to object to Claims; *provided* that (1) Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors prior to the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions

All distributions to Holders of Prepetition Convertible Notes Claims may be deemed completed when made to (or at the direction of) the Prepetition Convertible Notes Indenture Trustee, which shall be deemed to be the Holder of all Prepetition Convertible Notes Claims for purposes of distributions to be made hereunder. The Prepetition Convertible Notes Indenture Trustee may hold or direct such distributions for the benefit of the Holders of the Prepetition Convertible Notes Claims. Except as provided in the Prepetition Convertible Notes Documents, the Prepetition Convertible Notes Indenture Trustee shall not incur any liability whatsoever on account of any distributions under the Prepackaged Plan except for gross negligence or willful For the avoidance of doubt, the Reorganized Debtors, with the Prepetition Convertible Notes Indenture Trustee's cooperation, shall make such distribution. The Prepetition Convertible Notes Indenture Trustee shall have no duties, obligations, or responsibilities with respect to any form of distribution to Holders of Prepetition Convertible Notes Claims that is not DTC eligible, and the Debtors or the Reorganized Debtors, as applicable, shall make such distributions. For the avoidance of doubt, all distributions referenced in this paragraph shall be subject to the Prepetition Convertible Notes Indenture Trustee Charging Lien solely to the extent provided in the Prepetition Convertible Notes Documents.

B. Disbursing Agent.

The Debtors or the Reorganized Debtors, as applicable, shall have the authority to enter into agreements with one or more Disbursing Agents to facilitate the distributions required hereunder. All distributions under the Prepackaged Plan shall be made by the Disbursing Agent. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

C. Rights and Powers of Disbursing Agent.

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Prepackaged Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Prepackaged Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof. Subject to the cooperation of the Prepetition Convertible Notes Indenture Trustee, the Disbursing Agent may make distributions on account of the Prepetition Convertible Notes Claims, subject in

all respects to the rights of the Prepetition Convertible Notes Indenture Trustee Charging Lien against all such distributions solely to the extent permitted in accordance with the Prepetition Convertible Notes Documents.

2. Expenses Incurred On or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record holders listed on the Claims Register as of the close of business on the Distribution Record Date. If a Claim is transferred twenty (20) or fewer days before the Distribution Record Date, the Disbursing Agent shall make distributions to the transferee only to the extent practical and, in any event, only if the relevant transfer form contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor. For the avoidance of doubt, the Distribution Record Date shall not apply to the Prepetition Convertible Notes Claims, the Holders of which shall receive a distribution (if any) in accordance with the terms of this Article VI on or as soon as practicable after the Effective Date.

2. Delivery of Distributions in General.

Except as otherwise provided herein, the Disbursing Agent shall make distributions to holders of Allowed Claims and Allowed Interests (as applicable) as of the Distribution Record Date at the address for each such holder as indicated on the Debtors' records as of the date of any such distribution; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

3. Minimum Distributions.

No fractional shares of New Common Interests shall be distributed, and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Prepackaged Plan on account of an Allowed Claim or Allowed Interest (if applicable) would otherwise result in the issuance of a number of shares of New Common Interests that is not a whole number, the actual distribution of shares of New Common Interests shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Common Interests to be distributed to the Holders of Allowed Claims hereunder shall be adjusted as necessary to account for the foregoing rounding.

The Reorganized Debtors or the Disbursing Agent shall not have any obligation to make a Cash distribution that is less than one hundred dollars (\$100) to any Holder of an Allowed Claim.

4. <u>Undeliverable Distributions and Unclaimed Property</u>.

In the event that any distribution to any Holder of Allowed Claims or Allowed Interests (as applicable) is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then-current address of such holder, at which time all currently due, missed distributions shall be made to such Holder without interest. Undeliverable distributions shall remain in the possession of the Reorganized Debtors until such time as a distribution becomes deliverable, or such distribution reverts to the Reorganized Debtors or is cancelled pursuant to this Article VI, and shall not be supplemented with any interest, dividends, or other accruals of any kind.

Any distribution under the Prepackaged Plan that is an unclaimed distribution or remains undeliverable (as reasonably deemed unclaimed or undeliverable by the Reorganized Debtors or the Disbursing Agent) for a period of ninety (90) days after distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and such unclaimed distribution or undeliverable distribution shall revest in the applicable Reorganized Debtor automatically (and without need for a further order by the Bankruptcy Court, notwithstanding any applicable federal, provincial, or estate escheat, abandoned, or unclaimed property Laws to the contrary) and, to the extent such unclaimed distribution is comprised of New Common Interests, then such New Common Interests shall be cancelled. Upon such revesting, the Claim of the Holder or its successors with respect to such property shall be cancelled, released, discharged, and forever barred notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property Laws, or any provisions in any document governing the distribution that is an unclaimed distribution, to the contrary, and the Claim of any Holder of Claims and Interests to such property or Interest in property shall be discharged and forever barred. The Disbursing Agent shall adjust the distributions of the New Common Interests to reflect any such cancellation; however, for the avoidance of doubt, additional Securities shall not be issued to other Holders of Claims due to any such cancellations.

5. Surrender of Cancelled Instruments or Securities.

On the Effective Date or as soon as reasonably practicable thereafter, each holder of a certificate or instrument evidencing a Claim or an Interest that has been cancelled in accordance with Article IV.F hereof shall be deemed to have surrendered such certificate or instrument to the Disbursing Agent. Such surrendered certificate or instrument shall be cancelled solely with respect to the Debtors, and such cancellation shall not alter the obligations or rights of any non-Debtor third parties vis-à-vis one another with respect to such certificate or instrument, including with respect to any indenture or agreement that governs the rights of the Holder of a Claim or Interest, which shall continue in effect for purposes of allowing holders to receive distributions under the Prepackaged Plan, charging liens, priority of payment, and indemnification rights. Notwithstanding anything to the contrary herein, this paragraph shall not apply to certificates or instruments evidencing Claims that are Reinstated under the Prepackaged Plan.

6. <u>Delivery of Distributions to Allowed Prepetition Convertible Notes Claims, Allowed Prepetition Term Loan Claims, and DIP Claims.</u>

Except as otherwise reasonably requested by the applicable Agents/Trustees, all distributions to holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims shall be deemed completed when made to or at the direction of the applicable Agents/Trustees. The Agents/Trustees shall hold or direct such distributions for the benefit of the holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims, as applicable. As soon as practicable in accordance with the requirements set forth in this Article VI, the Agents/Trustees shall arrange to deliver or direct delivery of such distributions to or on behalf of its holders, subject to the Agents/Trustees' charging lien. The Agents/Trustees may, if applicable, transfer or direct the transfer of such distributions directly through the facilities of DTC (whether by means of bookentry exchange, free delivery or otherwise) and will be entitled to recognize and deal for all purposes under the Plan with holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims, to the extent consistent with the customary practices of DTC. If the Agents/Trustees are unable to make, or the Agents/Trustees consent to the Disbursing Agent making such distributions, the Disbursing Agent, with the Agents/Trustees' cooperation, shall make such distributions to the extent practicable to do so; provided that until such distributions are made, the Agents/Trustees' charging lien shall attach to the property to be distributed in the same manner as if such distributions were made through the Agents/Trustees. The Agents/Trustees or the Disbursing Agent, as applicable, shall seek the cooperation of DTC so that any distribution on account of an Allowed Prepetition Convertible Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter.

E. Manner of Payment.

- 1. All distributions of the New Common Interests to the holders of the applicable Allowed Claims under the Prepackaged Plan shall be made by the Disbursing Agent on behalf of the Debtors or the Reorganized Debtors, as applicable.
- 2. All distributions of Cash to the holders of the applicable Allowed Claims under the Prepackaged Plan shall be made by the Disbursing Agent on behalf of the applicable Debtor or Reorganized Debtor, as applicable.
- 3. At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

F. Compliance with Tax Requirements.

In connection with the Prepackaged Plan, to the extent applicable, the Debtors, Reorganized Debtors, the Disbursing Agent, and any applicable withholding agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Prepackaged Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Prepackaged Plan to the

contrary, such parties shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Prepackaged Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors and the Reorganized Debtors reserve the right to allocate all distributions made under the Prepackaged Plan in compliance with all applicable wage garnishments, alimony, child support, and similar spousal awards, Liens, and encumbrances.

G. Allocations.

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Prepackaged Plan, the Confirmation Order, the DIP Orders, any other order of the Bankruptcy Court, or required by applicable bankruptcy and non-bankruptcy Law, postpetition interest shall not accrue or be paid on any prepetition Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on such Claim; provided that this section shall not apply to DIP Claims and Prepetition Term Loan Claims.

I. Foreign Currency Exchange Rate.

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

J. Setoffs and Recoupment.

Except as expressly provided in this Prepackaged Plan, each Reorganized Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim (other than DIP Claims and Prepetition Term Loan Claims), any and all claims, rights, and Causes of Action that such Reorganized Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (1) agreed in amount among the relevant Reorganized Debtor(s) and the Holder of the Allowed Claim or (2) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Reorganized Debtor or its successor of any and all claims, rights, and Causes of Action that such Reorganized Debtor or its successor may possess against the applicable holder. In no event shall any Holder of a Claim be entitled to recoup such Claim against any claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G hereof on

or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such holder asserts, has, or intends to preserve any right of recoupment.

K. Claims Paid or Payable by Third Parties.

1. Claims Paid by Third Parties/Insurers.

The Debtors or the Reorganized Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor, or a Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Reorganized Debtor to the extent the holder's total recovery on account of such Claim from the third party and under the Prepackaged Plan exceeds the amount of such Claim as of the date of any such distribution under the Prepackaged Plan. The failure of such holder to timely repay or return such distribution shall result in the holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties.

Other than with respect to any Claims of the Consenting Creditors or the DIP Lenders, no distributions under the Prepackaged Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Prepackaged Plan, distributions to holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Prepackaged Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

ARTICLE VII. PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. Disputed Claims Process.

In light of the Unimpaired status of all Allowed General Unsecured Claims under the Prepackaged Plan, there is no requirement to file a Proof of Claim (or move the Bankruptcy Court for allowance) to have a Claim Allowed for the purposes of the Prepackaged Plan, except as provided in Article V.B of the Prepackaged Plan or Article V.C with respect to a Cure amount, and the Debtors or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) shall determine, adjudicate, and resolve any disputes over the validity and amounts of such Claims in the ordinary course of business as if the Chapter 11 Cases had not been commenced (and no approval or authority from the Bankruptcy Court shall be required) except that (unless expressly waived pursuant to the Prepackaged Plan) the Allowed amount of such Claims shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable.

On and after the Effective Date, except as otherwise provided in this Prepackaged Plan, all Allowed Claims shall be satisfied in the ordinary course of business by the Reorganized Debtors. The Debtors and/or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) shall have the exclusive authority to (i) determine, without the need for notice to or action, order, or approval of the Bankruptcy Court, that a claim subject to any Proof of Claim that is Filed is Allowed and (ii) file, settle, compromise, withdraw, or litigate to judgment any objections to Claims as permitted under this Prepackaged Plan. If the Debtors or Reorganized Debtors dispute any Claim, such dispute shall be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced and shall survive the Effective Date as if the Chapter 11 Cases had not been commenced; provided that the Debtors or Reorganized Debtors may elect, at their sole option, to object to any Claim (other than Claims expressly Allowed by this Prepackaged Plan) and to have the validity or amount of any Claim adjudicated by the Bankruptcy Court; provided further that holders of Claims may elect to resolve the validity or amount of any Claim in the Bankruptcy Court. All Proofs of Claim Filed in the Chapter 11 Cases shall be deemed objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim filed against the Debtors, regardless of the time of filing, and including Proofs of Claim filed after the Effective Date, shall be deemed withdrawn and expunged, except as otherwise provided herein. Notwithstanding anything in this Prepackaged Plan to the contrary, disputes regarding the amount of any Cure pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court. Except as otherwise provided herein, all Proofs of Claim Filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.

B. Allowance of Claims.

After the Effective Date, except as otherwise expressly set forth herein, each of the Reorganized Debtors shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately prior to the Effective Date. The Debtors or the Reorganized Debtors, as applicable, may affirmatively determine to deem Unimpaired Claims Allowed to the same extent such Claims would be allowed under applicable non-bankruptcy Law, without further notice or order from the Bankruptcy Court.

C. Claims Administration Responsibilities.

Except as otherwise specifically provided in the Prepackaged Plan, after the Effective Date, the Reorganized Debtors, in consultation with the Required Consenting Creditors, shall have the exclusive authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to ARTICLE IV.M of the Prepackaged Plan.

Any objections to Proofs of Claims (other than Administrative Claims) shall be served and Filed (a) on or before the date that is one hundred and eighty days following the later of (i) the Effective Date and (ii) the date that a Proof of Claim is Filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a Holder of a Claim or (b) such later date as ordered by the Bankruptcy Court.

D. Estimation of Claims and Interests.

Before, on, or after the Effective Date, the Debtors or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party in interest previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or Interest or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Prepackaged Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Prepackaged Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim or Interest.

E. Adjustment to Claims or Interests without Objection.

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

F. Disallowance of Claims or Interests.

Except as otherwise expressly set forth herein, all Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be disallowed if: (a) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order. No payment or distribution shall be made on account of such Claim or Interest unless the transferee has paid or turned over such property.

G. No Distributions Pending Allowance.

Notwithstanding any other provision of the Prepackaged Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest; *provided* that if only the Allowed amount of an otherwise valid Claim or Interest is Disputed, such Claim or Interest shall be deemed Allowed in the amount not Disputed and payment or distribution shall be made on account of such undisputed amount.

H. Distributions After Allowance.

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of the Prepackaged Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Interest becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim or Interest the distribution (if any) to which such holder is entitled under the Prepackaged Plan as of the Effective Date, without any interest to be paid on account of such Claim or Interest.

ARTICLE VIII. SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Discharge of Claims and Termination of Interests.

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Definitive Documents, the Prepackaged Plan, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Prepackaged Plan, the distributions, rights, and treatment that are provided in the Prepackaged Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Prepackaged Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Prepackaged Plan. The Confirmation Order shall be a judicial determination of the discharge of all Claims (other than the Reinstated Claims) and Interests (other than the Intercompany Interests that are Reinstated) subject to the occurrence of the Effective Date.

B. Release of Liens.

Except as otherwise provided in the Prepackaged Plan, the Restructuring Support Agreement, the Confirmation Order, or in any contract, instrument, release, or other agreement or document amended or created pursuant to the Prepackaged Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Prepackaged Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with this Prepackaged Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Reorganized Debtors, to release any collateral or other property of any Debtor (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder), and to take such actions as may be reasonably requested by the Reorganized Debtors to evidence the release of such Liens and/or security

interests, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency, records office, or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

To the extent that any Holder of a Secured Claim that has been satisfied or discharged in full pursuant to the Prepackaged Plan, or any agent for such Holder, has filed or recorded publicly any Liens and/or security interests to secure such Holder's Secured Claim, then as soon as practicable on or after the Effective Date, such Holder (or the agent for such Holder) shall take any and all steps requested by the Debtors or the Reorganized Debtors that are necessary or desirable to record or effectuate the cancellation and/or extinguishment of such Liens and/or security interests, including the making of any applicable filings or recordings, and the Reorganized Debtors shall be entitled to make any such filings or recordings on such Holder's behalf.

C. Releases by the Debtors.

As of the Effective Date, except for the rights and remedies that remain in effect from and after the Effective Date to enforce the Prepackaged Plan and the obligations contemplated by the Definitive Documents and the documents in the Plan Supplement or as otherwise provided in any order of the Bankruptcy Court, to the maximum extent permitted by law, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the Restructuring, on and after the Effective Date, the Released Parties shall be conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by the Debtors, the Reorganized Debtors, and the Debtors' Estates, and each of their Related Parties, in each case on behalf of themselves and their respective successors, permitted assigns, and representatives and any and all other Persons or Entities that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons or Entities, from any and all claims, interests (including Interests), obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, losses, remedies, contributions, indemnities, costs, or liabilities whatsoever, including any derivative claims or Causes of Action, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or the Debtors' Estates and each of their Related Parties, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, existing or arising, in law, equity, contract, tort, or otherwise, by statute, violations of federal, state, provincial, foreign, or territorial securities laws or otherwise that the Debtors, the Reorganized Debtors, or the Debtors' Estates and each of their Related Parties would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of a Claim or Interest or other Person or Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Reorganized Debtors, the Debtors' Estates, the Chapter 11 Cases, the purchase, sale, issuance, cancellation, or rescission of the purchase of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest, the business or contractual arrangements between the Debtors and any Released Party, the restructuring of Claims and Interests before or during the Debtors' Chapter 11 Cases, the Restructuring, the DIP Documents, the New Exit Facility, the negotiation, formulation, preparation or consummation of the Prepackaged Plan (including the Plan Supplement), the Definitive Documents, the Restructuring Support Agreement, and any exhibits or documents related thereto, the Solicitation Materials, or the solicitation of votes with respect to the Prepackaged Plan, in all cases based on any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; *provided* that claims or Causes of Action arising out of or related to any act or omission of a Released Party that constitutes actual fraud, gross negligence, or willful misconduct as determined by a Final Order shall not be released; *provided*, *further*, that the releases under this section VIII.C do not release any direct claims of Related Parties against the Released Parties and *provided*, *further*, that (i) Vidul Prakash and (ii) Saurabh Agarwal shall not be a "Released Party."

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Prepackaged Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Released Parties, including the Released Parties' contributions to facilitating the Restructuring Transactions and implementing the Prepackaged Plan; (2) a good faith settlement and compromise of the claims and Causes of Action released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any Claim or Cause of Action of any kind whatsoever released pursuant to the Debtor Release.

D. Releases by the Releasing Parties.

As of the Effective Date, except for the rights and remedies that remain in effect from and after the Effective Date to enforce the Prepackaged Plan and the obligations contemplated by the Definitive Documents and the documents in the plan supplement or as otherwise provided in any order of the Bankruptcy Court, to the maximum extent permitted by law, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the Restructuring, on and after the Effective Date, the Released Parties shall be conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by the Releasing Parties from any and all claims, interests (including Interests), obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, losses, remedies, contributions, indemnities, costs, or liabilities whatsoever, including any derivative claims or Causes of Action, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or the Debtors' Estates, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, existing or arising, in law, equity, contract, tort, or otherwise, by statute, violations of federal, state, provincial, foreign, or territorial securities laws or otherwise that such Releasing Parties would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of a Claim or Interest or other Person or Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Reorganized Debtors, the Debtors' Estates, the Chapter 11 Cases, the purchase, sale, issuance, cancellation, or rescission of the purchase of any security of the of the Debtors or

- 9.05. No Consenting Creditor shall transfer any ownership (including any beneficial ownership as defined in the Rule 13-d-3 under the Exchange Act) in any Company Claims/Interests to any unaffiliated party without the prior written consent of the Required Consenting Creditors.

- (c) such Company Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would materially and

adversely affect in any way such Consenting Creditor's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed; and

(d) solely with respect to holders of Company Claims/Interests, (i) it is either (A) a qualified institutional buyer as defined in Rule 144A of the Securities Act, (B) not a U.S. person (as defined in Regulation S of the Securities Act), or (C) an institutional accredited investor (as defined in the Rules), and (ii) any securities acquired by the Consenting Creditor in connection with the Restructuring Transactions will have been acquired for investment and not with a view to distribution or resale in violation of the Securities Act.

Upon the occurrence of a Termination Date prior to the Confirmation Order being entered by a Bankruptcy Court, any and all consents or ballots tendered by the Parties subject to such termination before a Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions and this Agreement or otherwise. Nothing in this Agreement shall be construed as prohibiting a Company Party or any of the Consenting Creditors from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of any Company Party or the ability of any Company Party to protect and reserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Consenting Creditor, and (b) any right of any Consenting Creditor, or the ability of any Consenting Creditor, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or Consenting Creditor. Nothing in this Section 13.07 shall restrict any Company Party's right to terminate this Agreement in accordance with Section 13.04(a).
- 13.08. <u>Automatic Stay</u>. The Company Parties acknowledge that the giving of notice of default or termination by any other Party pursuant to Section 13 of this Agreement shall not be a violation of the automatic stay under section 362 of the Bankruptcy Code, and the Company Parties hereby waive, to the fullest extent permitted by law, the applicability of the automatic stay as it relates to any such notice being provided; *provided* that nothing herein shall prejudice any Party's rights to argue that the giving of notice of default or termination was not proper under the terms of this Agreement.

- (c) Any proposed modification, amendment, waiver or supplement that does not comply with this Section 14 shall be ineffective and void *ab initio*.
- (d) The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver of any such right, power or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, pursuant to Section 3, Section 14, or otherwise, including a written approval by the Company Parties, or the Required Consenting Lenders, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

15.21. Restructuring Expenses.

- (a) Whether or not the transactions contemplated by this Agreement are consummated, the Company Parties hereby agree, on a joint and several basis, to pay in cash the Restructuring Expenses as follows: (i) all accrued and unpaid reasonable and documented Restructuring Expenses incurred up to (and including) and after the Agreement Effective Date, (ii) after the Petition Date, on a regular and continuing basis, subject to the terms of the DIP Orders, (iii) upon any termination of this Agreement with respect to any Consenting Creditor, all accrued and unpaid Restructuring Expenses which have been incurred up to (and including) the applicable Termination Date, in cash promptly (but in any event within five (5) Business Days) and (iv) on the Effective Date, without any requirement for the Bankruptcy Court to provide further review or additional court Orders.
- (b) The terms set forth in Section 15.21 shall survive termination of this Agreement and shall remain in full force and effect regardless of whether the transactions contemplated by this Agreement are consummated. The Company Parties hereby acknowledge and agree that the Consenting Creditors have expended, and will continue to expend, considerable time, effort and expense in connection with this Agreement and the negotiation of the Restructuring Transactions, and that this Agreement provides substantial value to, is beneficial to, and necessary to preserve the Company Parties, and that the Consenting Creditors have made a substantial contribution to the Company Parties and the Restructuring Transactions. If and to the extent not previously

reimbursed or paid in connection with the foregoing, subject to the approval of the Bankruptcy Court, the Company Parties shall reimburse or pay (as the case may be) all reasonable and documented Restructuring Expenses pursuant to section 1129(a)(4) of the Bankruptcy Code or otherwise. The Company Parties hereby acknowledge and agree that the Restructuring Expenses are of the type that should be entitled to treatment as, and the Company Parties shall seek treatment of such Restructuring Expenses as, Administrative Expense Claims pursuant to sections 503(b) and 507(a)(2) of the Bankruptcy Code.

15.22. Relationship Among Parties.

- Notwithstanding anything to the contrary herein, the duties and obligations of the Consenting Creditors under this Agreement shall be several, and neither joint nor joint and several. None of the Consenting Creditors shall have by virtue of this Agreement any fiduciary duty or any other duty of trust or confidence in any form to each other, any Consenting Creditor, any Company Party or affiliate thereof, or any of the Company Parties' or their respective affiliates' creditors or other stakeholders. None of the Consenting Creditors shall have by virtue of this Agreement any duties or responsibilities to each other, any Consenting Creditor, any Company Party or affiliate thereof, or any of the Company Parties' or their respective affiliates' creditors or other stakeholders, and there are no commitments among or between the Consenting Creditors, except as expressly set forth in this Agreement. It is understood and agreed that any Consenting Creditor may trade in any debt or equity Securities of any Company Parties without the consent of the Company Parties or any other Consenting Creditor, subject to applicable securities Laws, the terms of this Agreement, and the terms of the Definitive Documents. No prior history, pattern or practice of sharing confidences among or between any of the Consenting Creditors, and/or the Company Parties shall in any way affect or negate this understanding and agreement. acknowledge that this Agreement does not constitute an agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any Securities of any of the Company Parties and shall not be deemed, as a result of its entering into and performing its obligations under this Agreement, to constitute a "group" within the meaning of Section 13(d)(3) of the Exchange Act or Rule 13d-5 promulgated thereunder. For the avoidance of doubt: (1) each Consenting Creditor is entering into this Agreement directly with the Company Parties and not with any other Consenting Creditor, (2) no other Consenting Creditor shall have any right to bring any action against any other Consenting Creditor with respect this Agreement (or any breach thereof), other than in accordance with this Agreement, and (3) no Consenting Creditor shall, nor shall any action taken by a Consenting Creditor pursuant to this Agreement, be deemed to be acting in concert or as any group with any other Consenting Creditor with respect to the obligations under this Agreement, nor shall this Agreement create a presumption that the Consenting Creditors are in any way acting as a group. All rights under this Agreement are separately granted to each Consenting Creditor by the Company Parties and vice versa, and the use of a single document is for the convenience of the Parties. Each Party's decision to commit to enter into the transactions contemplated by this Agreement has been made independently and is based upon its own business judgment with the understanding that no Company Party has made any representations or warranties as to the success of the Restructuring Transactions or, ultimately, the Confirmation of the Prepackaged Plan.
- (b) The Company Parties understand that the Consenting Creditors are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, the Company

Parties acknowledge and agree that the obligations set forth in this Agreement shall only apply to the trading desk(s) and/or business group(s) of the Consenting Creditors that principally manage and/or supervise the Consenting Creditor's investment in the Company Parties, and shall not apply to any other trading desk or business group of the Consenting Creditor so long as they are not acting at the direction or for the benefit of such Consenting Creditor and so long as confidentiality is maintained consistent with any applicable Confidentiality Agreement.

15.23. No Recourse. This Agreement may only be enforced against the named Parties hereto (and then only to the extent of the specific obligations undertaken by such parties in this Agreement). All claims or Causes of Action (whether in contract, tort, equity, or any other theory) that may be based upon, arise out of, or relate to this Agreement, or the negotiation, execution, or performance of this Agreement, may be made only against the persons that are expressly identified as Parties hereto (and then only to the extent of the specific obligations undertaken by such Parties herein). No past, present or future direct or indirect director, manager, officer, employee, incorporator, member, partner, stockholder, equity holder, trustee, affiliate, controlling person, agent, attorney, or other representative of any Party hereto (including any person negotiating or executing this Agreement on behalf of a Party hereto), nor any past, present, or future direct or indirect director, manager, officer, employee, incorporator, member, partner, stockholder, equity holder, trustee, affiliate, controlling person, agent, attorney, or other representative of any of the foregoing (other than any of the foregoing that is a Party hereto) (any such Entity, a "No Recourse Party"), shall have any liability with respect to this Agreement or with respect to any proceeding (whether in contract, tort, equity, or any other theory that seeks to "pierce the corporate veil" or impose liability of an Entity against its owners or affiliates or otherwise) that may arise out of or relate to this Agreement, or the negotiation, execution, or performance of this Agreement.

15.24. Publicity and Confidentiality. Except as required by Law, no Party or its advisors shall (a) use the name of any Consenting Prepetition Term Loan Lender or Consenting Prepetition Convertible Noteholder in any public manner (including in any press release) with respect to this Agreement, the Restructuring Transactions or any of the Definitive Documents or (b) disclose to any person (including, for the avoidance of doubt, any other any Consenting Prepetition Term Loan Lender or Consenting Prepetition Convertible Noteholder), other than advisors to the Company Parties and to the Consenting Creditors (who are under obligations of confidentiality to the Company Parties and to the other Consenting Creditors, as applicable, with respect to such disclosure, and whose compliance with such obligations the Company Parties and the Consenting Creditor, as applicable, shall be responsible for), the principal amount or percentage of any Claims held by such Consenting Prepetition Term Loan Lender or Consenting Prepetition Convertible Noteholder (including, for the avoidance of doubt, any Claims acquired pursuant to any Transfer) without such Consenting Prepetition Term Loan Lender's or Consenting Prepetition Convertible Noteholder's prior written consent (it being understood and agreed that each any Consenting Prepetition Term Loan Lender's or Consenting Prepetition Convertible Noteholder's signature page to this Agreement shall be redacted to remove the name of such Consenting Prepetition Term Loan Lender or Consenting Prepetition Convertible Noteholder and the amount and/or percentage of Claims held by such Consenting Prepetition Term Loan Lender or Consenting Prepetition Convertible Noteholder); provided, however, that (i) if such disclosure is required by Law, advance notice of the intent to disclose, if permitted by applicable Law, shall be given by the disclosing Party to each Consenting Prepetition Term Loan Lender or Consenting Prepetition Convertible Noteholder (who shall have the right to seek a protective order prior to disclosure) and (ii) the

foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of Claims held by the Consenting Prepetition Term Loan Lender or Consenting Prepetition Convertible Noteholder of the same class, collectively. The Company Parties further agree that such information shall be redacted from "closing sets" or other representations of the fully executed Agreement, any Joinder or Transfer Agreement submitted to any person other than advisors to the Company Parties and to the Consenting Prepetition Term Loan Lender or Consenting Prepetition Convertible Noteholder. Notwithstanding the foregoing, the Company Parties will coordinate with Sidley Austin LLP and Gibson Dunn & Crutcher LLP and submit to Sidley Austin LLP and Gibson Dunn & Crutcher LLP, all press releases, public filings, public announcements, or other communications with any news media, in each case, to be made by any of the Company Parties relating to this Agreement or the transactions contemplated hereby and any amendments thereof (each, an "Announcement") and will submit any such Announcement at least two (2) Business Days before the public disclosure of such Announcement unless not feasible pursuant to applicable Law and with respect to which such parties shall have consent rights.

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII hereof, each Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Prepackaged Plan, including in Article VIII hereof, which shall be deemed released and waived by the Debtors and the Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. No Entity (other than the Debtors' respective officers, directors, members, or managers that are Released Parties, the Consenting Creditors, and the DIP Lenders) may rely on the absence of a specific reference in the Prepackaged Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. The Debtors and Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Prepackaged Plan, including Article VIII hereof. Unless any Causes of Action of the Debtors against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Prepackaged Plan or a Final Order, the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Reorganized Debtors reserve and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Prepackaged Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors, except as otherwise expressly provided in the Prepackaged Plan, including Article VIII hereof. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

N. Certain Securities Law Matters.

The offering, issuance (or entry into), and distribution of the New Common Interests (including the Tranche C Commitment Equity) and any other Securities entered into and/or issued in connection with the Prepackaged Plan, shall be exempt, pursuant to section 1145 of the Bankruptcy Code or section 4(a)(2) of the Securities Act, as applicable, without further act or actions by any Person, from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable Law requiring registration prior to the offering, issuance, distribution, or sale of Securities to the maximum extent permitted by Law, in accordance with, and pursuant to, (i) section 1145 of the Bankruptcy Code (ii) section 4(a)(2) of the Securities Act, and any (iii) other available exemption from registration, as applicable.

In addition, the New Common Interests (including the Tranche C Commitment Equity) are issued in reliance on section 1145 of the Bankruptcy Code and section 4(a)(2) of the Securities Act, as applicable, and (1) will not be "restricted securities" as defined in Rule 144(a)(3) under the Securities Act and (2) will be freely tradable and transferable in the United States by a recipient thereof that (i) is an entity that is not an "underwriter" as defined in section 1145(b)(1) of the Bankruptcy Code, (ii) is not an "affiliate" of the Debtors as defined in Rule 144(a)(1) under the Securities Act, (iii) has not been such an "affiliate" within 90 days of the time of the transfer, and (iv) has not acquired such securities from an "affiliate" within one year of the time of transfer, subject in each case to compliance with applicable securities Laws and any rules and regulations of the SEC or state or local securities Laws, if any, applicable at the time of any future transfer of such Securities, and subject to any restrictions in the New Corporate Governance Documents.

The issuance of the New Common Interests shall not constitute an invitation or solicitation of an invitation or offer to sell or buy, any securities in contravention of any applicable Law in any jurisdiction. No action has been taken, nor will be taken, in any jurisdiction that would permit a public offering of any of the New Common Interests (other than securities issued pursuant to section 1145 of the Bankruptcy Code) in any jurisdiction where such action for that purpose is required.

The Reorganized Debtors need not provide any further evidence other than the Prepackaged Plan or the Confirmation Order with respect to the treatment of the New Common Interests (including the Tranche C Commitment Equity) under applicable securities Laws.

Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC and any transfer agent) shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Prepackaged Plan, including, for the avoidance of doubt, whether the New Common Interests are exempt from registration and/or eligible for DTC bookentry delivery, settlement, and depository services. DTC and any transfer agent shall be required to accept and conclusively rely upon the Prepackaged Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Common Interests and are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services.

O. Preservation of Net Operating Losses.

The Bankruptcy Court will enter one or more orders, which may be the Confirmation Order, to facilitate preservation of "net operating losses" of the Debtors, which may also be provided for in the applicable New Organizational Documents.

P. 1146(a) Exemption from Certain Taxes and Fees.

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under the Prepackaged Plan or pursuant to: (1) the issuance, distribution, transfer, or exchange of any debt, equity Security, or other interest in the Debtors or the Reorganized Debtors, including the New Common Interests (including the Tranche C Commitment Equity); (2) the Restructuring Transactions; (3) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (4) the making, assignment, or recording of any lease or sublease; (5) the grant of collateral as security for the Reorganized Debtors' obligations under and in connection with the Exit Facilities; or (6) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Prepackaged Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Prepackaged Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, sales or use tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, shall forego the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

Q. Director and Officer Liability Insurance.

Notwithstanding anything in the Prepackaged Plan to the contrary, the Reorganized Debtors shall be deemed to have assumed all of the Debtors' D&O Liability Insurance Policies pursuant to section 365(a) of the Bankruptcy Code effective as of the Effective Date. Entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Liability Insurance Policies.

In addition, after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including any "tail policy") in effect on or after the Petition Date, with respect to conduct occurring prior thereto, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date.

R. Indemnification Obligations.

Consistent with applicable Law, all indemnification provisions in place as of the Effective Date (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, engagement letters, or otherwise) for current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors or owed to Cantor and RXR Lender and each of Cantor's and RXR Lender's Related Parties, as applicable, shall be reinstated and remain intact, irrevocable, and shall survive the effectiveness of the Prepackaged Plan on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date.

ARTICLE V. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases.

On the Effective Date, except as otherwise provided in Article V.H and elsewhere herein, all Executory Contracts or Unexpired Leases not otherwise assumed or rejected will be deemed assumed by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that are: (a) identified on the Rejected Executory Contracts and Unexpired Leases Schedule; (b) previously expired or terminated pursuant to their own terms; (c) have been previously assumed or rejected by the Debtors pursuant to a Final Order; (d) are the subject of a motion to reject that is pending on the Effective Date; or (e) have an ordered or requested effective date of rejection that is after the Effective Date.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assumptions and assignments, or rejections of the Executory Contracts or Unexpired Leases as set forth in the Prepackaged Plan, the Rejected Executory Contracts and

Unexpired Leases Schedule, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth herein, assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to the Prepackaged Plan are effective as of the Effective Date. Each Executory Contract or Unexpired Lease assumed pursuant to the Prepackaged Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall re-vest in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by the provisions of the Prepackaged Plan or any order of the Bankruptcy Court authorizing and providing for its assumption. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by a Final Order on or after the Effective Date but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors.

Each Executory Contract or Unexpired Lease assumed pursuant to the Prepackaged Plan shall be assumed solely in accordance with the express and written terms of such Executory Contract or Unexpired Lease. The assumption of an Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan shall not be construed as an assumption of any implied terms, implied contract, or implied warranty under any circumstance, except as may be expressly agreed in writing by the Debtors or Reorganized Debtors and, any such rights, to the extent they exist as a matter of applicable law, shall be deemed rejected and subject to ARTICLE V.B of this Prepackaged Plan.

To the maximum extent permitted by Law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Prepackaged Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Prepackaged Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Prepackaged Plan, the Debtors or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Rejected Executory Contracts and Unexpired Leases Schedule at any time up to forty-five (45) days after the Effective Date, so long as such allocation, amendment, modification, or supplement is consistent with the Restructuring Support Agreement.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Prepackaged Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within thirty (30) days after the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection, (2) the effective date of such rejection, or (3) the Effective Date. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Estates, or their property without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out

of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with ARTICLE III.B.6 of this Prepackaged Plan.

C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.

The Debtors' and counterparties' respective rights and obligations under each Executory Contract and Unexpired Lease assumed under the Prepackaged Plan shall be unaffected by virtue of these Chapter 11 Cases, and the amounts coming due under such Executory Contracts and Unexpired Leases assumed under the Plan will be paid in the ordinary course of business pursuant to the terms of the Plan, the Confirmation Order, and such Executory Contracts or Unexpired Leases.

If you believe any amounts are due as a result of a Debtor's monetary default under an Executory Contract or Unexpired Lease to be assumed under the Prepackaged Plan, or you wish to otherwise object to the Debtors' assumption of an Executory Contract or Unexpired Lease under the Plan, including an objection regarding the ability of the Reorganized Debtors to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), you may assert an objection against the Debtors, subject to all defenses the Debtors may have with respect to such objection, by no later than May 6, 2024 at 4:00 p.m..

ANY COUNTERPARTY TO AN EXECUTORY CONTRACT OR UNEXPIRED LEASE THAT DOES NOT TIMELY OBJECT TO THE PROPOSED ASSUMPTION OF SUCH EXECUTORY CONTRACT OR UNEXPIRED LEASE BY THE DEADLINE TO OBJECT TO ASSUMPTION OF EXECUTORY CONTRACT OR UNEXPIRED LEASE WILL BE DEEMED TO HAVE CONSENTED TO SUCH ASSUMPTION.

The assumption of any Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan or other Final Order shall result in the full release and satisfaction of any nonmonetary defaults arising from or triggered by the filing of these Chapter 11 Cases, including defaults of provisions restricting the change in control or ownership interest composition or any bankruptcy-related defaults, arising at any time prior to the effective date of assumption. Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, shall be deemed disallowed and expunged as of the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such assumption, (2) the effective date of such assumption, or (3) the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

D. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan or other Final Order shall not constitute a termination of preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy Law to the contrary, the Reorganized

Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

E. Insurance Policies.

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, shall be treated as Executory Contracts hereunder. Unless otherwise provided in the Prepackaged Plan, on the Effective Date, in connection with all contemplated transactions under this Prepackaged Plan, (1) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims, including all D&O Liability Insurance Policies, and (2) such insurance policies and any agreements, documents, or instruments relating thereto, including all D&O Liability Insurance Policies, shall revest in the applicable Reorganized Debtors.

Nothing in this Prepackaged Plan, Restructuring Support Agreement, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any other Final Order (including any other provision that purports to be preemptory or supervening), (1) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (2) alters or modifies the duty, if any, that the insurers or third party administrators have to pay claims covered by such insurance policies and their right to seek payment or reimbursement from the Debtors or draw on any collateral or security therefor. For the avoidance of doubt, insurers and third-party administrators shall not need to nor be required to file or serve a cure objection or a request, application, claim, Proof of Claim, or motion for payment and shall not be subject to any claims bar date or similar deadline governing cure amounts or Claims.

F. Reservation of Rights.

Nothing contained in the Prepackaged Plan, the Restructuring Support Agreement, or the Plan Supplement shall constitute an admission by the Debtors or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

G. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

H. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or Reorganized Debtor in the ordinary course of their business. Accordingly,

such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

ARTICLE VI. PROVISIONS GOVERNING DISTRIBUTIONS

A. Distributions on Account of Claims Allowed as of the Effective Date.

Except as otherwise provided herein, in a Final Order, or as otherwise agreed to by the Debtors or the Reorganized Debtors, as the case may be, and the Holder of the applicable Allowed Claim on the first Distribution Date, the applicable Reorganized Debtors shall make initial distributions under the Prepackaged Plan on account of Claims Allowed on or before the Effective Date, subject to the Reorganized Debtors' right to object to Claims; *provided* that (1) Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors prior to the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice, (2) Allowed Priority Tax Claims shall be paid in accordance with Article II.D of the Prepackaged Plan, and (3) Allowed General Unsecured Claims shall be paid in accordance with Article III.B.6 of the Prepackaged Plan. To the extent any Allowed Priority Tax Claim is not due and owing on the Effective Date, such Claim shall be paid in full in Cash in accordance with the terms of any agreement between the Debtors and the Holder of such Claim or as may be due and payable under applicable non-bankruptcy Law or in the ordinary course of business.

B. Disbursing Agent.

The Debtors or the Reorganized Debtors, as applicable, shall have the authority to enter into agreements with one or more Disbursing Agents to facilitate the distributions required hereunder. All distributions under the Prepackaged Plan shall be made by the Disbursing Agent. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

C. Rights and Powers of Disbursing Agent.

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Prepackaged Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Prepackaged Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record holders listed on the Claims Register as of the close of business on the Distribution Record Date. If a Claim is transferred twenty (20) or fewer days before the Distribution Record Date, the Disbursing Agent shall make distributions to the transferee only to the extent practical and, in any event, only if the relevant transfer form contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

2. Delivery of Distributions in General.

Except as otherwise provided herein, the Disbursing Agent shall make distributions to holders of Allowed Claims and Allowed Interests (as applicable) as of the Distribution Record Date at the address for each such holder as indicated on the Debtors' records as of the date of any such distribution; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

3. Minimum Distributions.

No fractional shares of New Common Interests shall be distributed, and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Prepackaged Plan on account of an Allowed Claim or Allowed Interest (if applicable) would otherwise result in the issuance of a number of shares of New Common Interests that is not a whole number, the actual distribution of shares of New Common Interests shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Common Interests to be distributed to the Holders of Allowed Claims hereunder shall be adjusted as necessary to account for the foregoing rounding.

The Reorganized Debtors or the Disbursing Agent shall not have any obligation to make a Cash distribution that is less than one hundred dollars (\$100) to any Holder of an Allowed Claim.

4. Undeliverable Distributions and Unclaimed Property.

In the event that any distribution to any Holder of Allowed Claims or Allowed Interests (as applicable) is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then-current address of such holder, at which time all currently due, missed distributions shall be made to such Holder without interest.

Undeliverable distributions shall remain in the possession of the Reorganized Debtors until such time as a distribution becomes deliverable, or such distribution reverts to the Reorganized Debtors or is cancelled pursuant to this Article VI, and shall not be supplemented with any interest, dividends, or other accruals of any kind.

Any distribution under the Prepackaged Plan that is an unclaimed distribution or remains undeliverable (as reasonably deemed unclaimed or undeliverable by the Reorganized Debtors or the Disbursing Agent) for a period of ninety (90) days after distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and such unclaimed distribution or undeliverable distribution shall revest in the applicable Reorganized Debtor automatically (and without need for a further order by the Bankruptcy Court, notwithstanding any applicable federal, provincial, or estate escheat, abandoned, or unclaimed property Laws to the contrary) and, to the extent such unclaimed distribution is comprised of New Common Interests, then such New Common Interests shall be cancelled. Upon such revesting, the Claim of the Holder or its successors with respect to such property shall be cancelled, released, discharged, and forever barred notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property Laws, or any provisions in any document governing the distribution that is an unclaimed distribution, to the contrary, and the Claim of any Holder of Claims and Interests to such property or Interest in property shall be discharged and forever barred. The Disbursing Agent shall adjust the distributions of the New Common Interests to reflect any such cancellation; however, for the avoidance of doubt, additional Securities shall not be issued to other Holders of Claims due to any such cancellations.

5. Surrender of Canceled Instruments or Securities.

On the Effective Date or as soon as reasonably practicable thereafter, each holder of a certificate or instrument evidencing a Claim or an Interest that has been cancelled in accordance with Article IV.F hereof shall be deemed to have surrendered such certificate or instrument to the Disbursing Agent. Such surrendered certificate or instrument shall be cancelled solely with respect to the Debtors, and such cancellation shall not alter the obligations or rights of any non-Debtor third parties vis-à-vis one another with respect to such certificate or instrument, including with respect to any indenture or agreement that governs the rights of the Holder of a Claim or Interest, which shall continue in effect for purposes of allowing holders to receive distributions under the Prepackaged Plan, charging liens, priority of payment, and indemnification rights. Notwithstanding anything to the contrary herein, this paragraph shall not apply to certificates or instruments evidencing Claims that are Reinstated under the Prepackaged Plan.

6. <u>Delivery of Distributions to Allowed Prepetition Convertible Notes Claims, Allowed Prepetition Term Loan Claims, and DIP Claims.</u>

Except as otherwise reasonably requested by the applicable Agents/Trustees, all distributions to holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims shall be deemed completed when made to the applicable Agents/Trustees. The Agents/Trustees shall hold or direct such distributions for the benefit of the holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims, as applicable. As soon as practicable in accordance with the requirements set forth in this Article VI, the Agents/Trustees shall arrange to

deliver such distributions to or on behalf of its holders, subject to the Agents/Trustees' charging lien. The Agents/Trustees may, if applicable, transfer or direct the transfer of such distributions directly through the facilities of DTC (whether by means of book-entry exchange, free delivery or otherwise) and will be entitled to recognize and deal for all purposes under the Plan with holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims, to the extent consistent with the customary practices of DTC. If the Agents/Trustees are unable to make, or the Agents/Trustees consent to the Disbursing Agent making such distributions, the Disbursing Agent, with the Agents/Trustees' cooperation, shall make such distributions to the extent practicable to do so; provided that until such distributions are made, the Agents/Trustees' charging lien shall attach to the property to be distributed in the same manner as if such distributions were made through the Agents/Trustees. The Agents/Trustees or the Disbursing Agent, as applicable, shall seek the cooperation of DTC so that any distribution on account of an Allowed Prepetition Convertible Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter.

E. Manner of Payment.

- 1. All distributions of the New Common Interests to the holders of the applicable Allowed Claims under the Prepackaged Plan shall be made by the Disbursing Agent on behalf of the Debtors or the Reorganized Debtors, as applicable.
- 2. All distributions of Cash to the holders of the applicable Allowed Claims under the Prepackaged Plan shall be made by the Disbursing Agent on behalf of the applicable Debtor or Reorganized Debtor, as applicable.
- 3. At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

F. Compliance with Tax Requirements.

In connection with the Prepackaged Plan, to the extent applicable, the Debtors, Reorganized Debtors, the Disbursing Agent, and any applicable withholding agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Prepackaged Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Prepackaged Plan to the contrary, such parties shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Prepackaged Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors and the Reorganized Debtors reserve the right to allocate all distributions made under the Prepackaged Plan in compliance with all applicable wage garnishments, alimony, child support, and similar spousal awards, Liens, and encumbrances.

G. Allocations.

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Prepackaged Plan, the Confirmation Order, the DIP Orders, any other order of the Bankruptcy Court, or required by applicable bankruptcy and non-bankruptcy Law, postpetition interest shall not accrue or be paid on any prepetition Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on such Claim; provided that this section shall not apply to DIP Claims and Prepetition Term Loan Claims.

I. Foreign Currency Exchange Rate.

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

J. Setoffs and Recoupment.

Except as expressly provided in this Prepackaged Plan, each Reorganized Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim (other than DIP Claims and Prepetition Term Loan Claims), any and all claims, rights, and Causes of Action that such Reorganized Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (1) agreed in amount among the relevant Reorganized Debtor(s) and the Holder of the Allowed Claim or (2) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; provided that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Reorganized Debtor or its successor of any and all claims, rights, and Causes of Action that such Reorganized Debtor or its successor may possess against the applicable holder. In no event shall any Holder of a Claim be entitled to recoup such Claim against any claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G hereof on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such holder asserts, has, or intends to preserve any right of recoupment.

K. Claims Paid or Payable by Third Parties.

1. Claims Paid by Third Parties/Insurers.

The Debtors or the Reorganized Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any

further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor, or a Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Reorganized Debtor to the extent the holder's total recovery on account of such Claim from the third party and under the Prepackaged Plan exceeds the amount of such Claim as of the date of any such distribution under the Prepackaged Plan. The failure of such holder to timely repay or return such distribution shall result in the holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties.

Other than with respect to any Claims of the Consenting Creditors or the DIP Lenders, no distributions under the Prepackaged Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Prepackaged Plan, distributions to holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Prepackaged Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

ARTICLE VII. PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. Disputed Claims Process.

In light of the Unimpaired status of all Allowed General Unsecured Claims under the Prepackaged Plan, there is no requirement to file a Proof of Claim (or move the Bankruptcy Court for allowance) to have a Claim Allowed for the purposes of the Prepackaged Plan, except as provided in Article V.B of the Prepackaged Plan or Article V.C with respect to a Cure amount, and the Debtors or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) shall determine, adjudicate, and resolve any disputes over the validity and amounts of such Claims in the ordinary course of business as if the Chapter 11 Cases had not been commenced (and no approval or authority from the Bankruptcy Court shall be required) except

that (unless expressly waived pursuant to the Prepackaged Plan) the Allowed amount of such Claims shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable.

On and after the Effective Date, except as otherwise provided in this Prepackaged Plan, all Allowed Claims shall be satisfied in the ordinary course of business by the Reorganized Debtors. The Debtors and/or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) shall have the exclusive authority to (i) determine, without the need for notice to or action, order, or approval of the Bankruptcy Court, that a claim subject to any Proof of Claim that is Filed is Allowed and (ii) file, settle, compromise, withdraw, or litigate to judgment any objections to Claims as permitted under this Prepackaged Plan. If the Debtors or Reorganized Debtors dispute any Claim, such dispute shall be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced and shall survive the Effective Date as if the Chapter 11 Cases had not been commenced; provided that the Debtors or Reorganized Debtors may elect, at their sole option, to object to any Claim (other than Claims expressly Allowed by this Prepackaged Plan) and to have the validity or amount of any Claim adjudicated by the Bankruptcy Court; provided further that holders of Claims may elect to resolve the validity or amount of any Claim in the Bankruptcy Court. All Proofs of Claim Filed in the Chapter 11 Cases shall be deemed objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim filed against the Debtors, regardless of the time of filing, and including Proofs of Claim filed after the Effective Date, shall be deemed withdrawn and expunged, except as otherwise provided herein. Notwithstanding anything in this Prepackaged Plan to the contrary, disputes regarding the amount of any Cure pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court. Except as otherwise provided herein, all Proofs of Claim Filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.

B. Allowance of Claims.

After the Effective Date, except as otherwise expressly set forth herein, each of the Reorganized Debtors shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately prior to the Effective Date. The Debtors or the Reorganized Debtors, as applicable, may affirmatively determine to deem Unimpaired Claims Allowed to the same extent such Claims would be allowed under applicable non-bankruptcy Law, without further notice or order from the Bankruptcy Court.

C. Claims Administration Responsibilities.

Except as otherwise specifically provided in the Prepackaged Plan, after the Effective Date, the Reorganized Debtors, in consultation with the Required Consenting Creditors, shall have the exclusive authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by

the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to ARTICLE IV.M of the Prepackaged Plan.

Any objections to Proofs of Claims (other than Administrative Claims) shall be served and Filed (a) on or before the date that is one hundred and eighty days following the later of (i) the Effective Date and (ii) the date that a Proof of Claim is Filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a Holder of a Claim or (b) such later date as ordered by the Bankruptcy Court.

D. Estimation of Claims and Interests.

Before, on, or after the Effective Date, the Debtors or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party in interest previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or Interest or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Prepackaged Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Prepackaged Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim or Interest.

E. Adjustment to Claims or Interests without Objection.

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

F. Disallowance of Claims or Interests.

Except as otherwise expressly set forth herein, all Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be disallowed if: (a) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final

Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order. No payment or distribution shall be made on account of such Claim or Interest unless the transferee has paid or turned over such property.

G. No Distributions Pending Allowance.

Notwithstanding any other provision of the Prepackaged Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest; *provided* that if only the Allowed amount of an otherwise valid Claim or Interest is Disputed, such Claim or Interest shall be deemed Allowed in the amount not Disputed and payment or distribution shall be made on account of such undisputed amount.

H. Distributions After Allowance.

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of the Prepackaged Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Interest becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim or Interest the distribution (if any) to which such holder is entitled under the Prepackaged Plan as of the Effective Date, without any interest to be paid on account of such Claim or Interest.

ARTICLE VIII. SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Discharge of Claims and Termination of Interests.

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Definitive Documents, the Prepackaged Plan, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Prepackaged Plan, the distributions, rights, and treatment that are provided in the Prepackaged Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Prepackaged Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections

502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Prepackaged Plan. EXECUTIVE SUMMARY

I. <u>INTRODUCTION</u>

View, Inc. ("<u>Parent</u>") and its debtor affiliates, as debtors and debtors in possession (collectively, the "<u>Debtors</u>") and together with Parent's direct and indirect non-Debtor subsidiaries and affiliates, the "<u>Company</u>") submit this Disclosure Statement, pursuant to section 1125 of the Bankruptcy Code, to holders of Claims against, and Interests in, the Debtors in connection with the solicitation of votes for acceptance of the *Joint Prepackaged Chapter 11 Plan of Reorganization of View, Inc., and Its Debtor Affiliates*, dated April 2, 2024.³ A copy of the Prepackaged Plan is attached hereto as <u>Exhibit A</u> and incorporated herein by reference. The Prepackaged Plan constitutes a separate chapter 11 plan for each of the other Debtors.

THE DEBTORS AND CERTAIN CONSENTING STAKEHOLDERS THAT HAVE EXECUTED THE RESTRUCTURING SUPPORT AGREEMENT, INCLUDING HOLDERS OF APPROXIMATELY 90.3% IN PRINCIPAL OF THE PREPETITION CONVERTIBLE NOTES CLAIMS, 100% IN PRINCIPAL OF THE PREPETITION TERM LOAN CLAIMS, AND 8% OF THE HOLDERS OF EXISTING EQUITY INTERESTS, BELIEVE THAT THE COMPROMISES CONTEMPLATED UNDER THE PREPACKAGED PLAN ARE FAIR AND EQUITABLE, MAXIMIZE THE VALUE OF THE DEBTORS' ESTATES, AND PROVIDE THE BEST RECOVERY TO STAKEHOLDERS. AT THIS TIME, THE DEBTORS BELIEVE THE PREPACKAGED PLAN REPRESENTS THE BEST AVAILABLE OPTION FOR COMPLETING THE CHAPTER 11 CASES. THE DEBTORS STRONGLY RECOMMEND THAT YOU VOTE TO ACCEPT THE PREPACKAGED PLAN.

1.1 OVERVIEW

The Company is a leading provider of smart building technologies, transforming buildings to improve human health and experience, reduce energy consumption, and generate additional revenue for building owners. The Company's leading products, View Smart Windows, which use artificial intelligence and proprietary technology to automatically adjust in response to outdoor conditions, together with a cloud-connected smart building platform, makes buildings more sustainable, experiential, healthier, and smarter. The Company's combined product lines are installed and designed into over 100 million square feet of buildings including offices, hospitals, airports, educational facilities, hotels, and multifamily residences.

View has faced certain systematic and unique challenges that have made its balance sheet unsustainable. Although the Debtors are confident in the Company's ability to grow revenue and improve profitability and cash flows, the culmination of negative headwinds and the Debtors' existing debt structure have made it clear that a restructuring transaction that allows for a substantial deleveraging of their debt structure was imminently necessary. The transactions

³ Capitalized terms used but not otherwise defined in this Disclosure Statement have the meanings ascribed to such terms in the Prepackaged Plan. The summary of the Prepackaged Plan provided herein is qualified in its entirety by reference to the Prepackaged Plan. In the case of any inconsistency between this Disclosure Statement and the Prepackaged Plan, the Prepackaged Plan will govern.

contemplated in the Prepackaged Plan are the culmination of an intensive strategic review process dating back to April 2023.

As a result of this process, the Debtors have negotiated a value-maximizing balance-sheet restructuring memorialized in the Prepackaged Plan, which, as of the date of this Disclosure Statement, has the overwhelming support of the Company's stakeholders. As evidenced by the restructuring support agreement (the "Restructuring Support Agreement"), approximately 90.3% in principal of the Prepetition Convertible Notes Claims, 100% in principal of the Prepetition Term Loan Claims, and approximately 8% of the holders of Existing Equity Interests have signed on to the Restructuring Support Agreement.

The Prepackaged Plan provides for a comprehensive restructuring of the Debtors' prepetition obligations, resulting in a significant deleveraging of the Debtors' capital structure. In particular, the Prepackaged Plan provides for:

- \$17.5 million DIP Financing provided by the lenders under the Prepetition Term Loan that will be rolled into the New Exit Facility at closing of the Prepackaged Plan;
- In addition to the rolled DIP Claims, an additional \$32.5 million of new money to be funded pursuant to the New Exit Facility;
- Equitization of over \$274 million of Prepetition Term Loans and Prepetition Convertible Notes Claims into 64.2% of the equity of New TopCo (which may be either Reorganized Parent or a new entity holding 100% of the equity interest of Reorganized Parent);
- Issuance of 35.8% of New Common Interests to the Exit Lenders that provide the Tranche C Commitment, as more fully described in the Restructuring Support Agreement and the New Exit Facility Term Sheet;
- Payment in full in the ordinary course of the Company's ongoing business of all General Unsecured Creditors, including employee and trade claims; and
- Prompt emergence from chapter 11.

With the Prepackaged Plan and key stakeholder support pursuant to the Restructuring Support Agreement, the Debtors are confident in their ability to deleverage the Company's capital structure and ensure the Debtors' long-term success. The Company intends to implement this Restructuring with as little disruption to its day-to-day operations as possible.

II. BUSINESS DESCRIPTION AND CAPITAL STRUCTURE

2.1 Overview of the Company's Business

The Company, headquartered in San Jose, California, is a smart buildings platform and technology company that transforms buildings to improve human health and experience, reduce energy consumption and carbon emissions, and generate additional revenue for building owners. The Company designs, manufactures, and provides electrochromic or "smart glass" panels to which it adds a 1 micrometer (~1/100th the thickness of human hair) proprietary electrochromic coating. These "smart glass" panels, in combination with the Company's proprietary network infrastructure, software and algorithms, intelligently adjust in response to the sun by tinting from clear to dark states, and vice versa, to minimize heat and glare without ever blocking the view. The Company also sells a Smart Building Cloud platform to building owners, a suite of products that allows building owners and operators to secure and connect building operations data to the cloud. Across the Company's combined product lines, the Company's products are installed in over 100 million square feet of buildings.

2.1.1 History of the Debtors

View, Inc. was formed as a special purpose acquisition company incorporated on September 27, 2019, under the name CF Finance Acquisition Corp. II ("CF II") as a Delaware corporation. CF II was formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses. On March 8, 2021 (the "Closing Date"), CF II consummated a previously announced merger pursuant to an Agreement and Plan of Merger, dated November 30, 2020 (the "Merger Agreement"), by and among CF II, PVMS Merger Sub, Inc., a Delaware corporation and whollyowned subsidiary of CF II ("Merger Sub"), and View, Inc. (referred to in this paragraph as "Legacy View"). Pursuant to the Merger Agreement, a business combination between CF II and Legacy View was affected through the merger of Merger Sub with and into Legacy View, with Legacy View surviving as the surviving company and as a wholly-owned subsidiary of CF II. On the Closing Date, CF II changed its name from CF Finance Acquisition Corp. II to View, Inc. and Legacy View changed its name to View Operating Corporation.

2.1.2 Corporate Structure

View, Inc. is a publicly held company, with its common stock listed on the NASDAQ. View Operating Corporation is a wholly-owned direct subsidiary of View, Inc. View Operating Corporation in turn, owns Iotium Inc., which provides secure, cloud-managed, software-defined IoT (Internet of Things) networks. View Operating Corp. also owns View Smart Building Technology Inc., which operates out of British Columbia. Iotium Inc. owns Iotium Systems

Private Limited and Iotium Systems Australia PTY LTD, which operate out of India and Australia, respectively. The Company's corporate structure is set forth on **Exhibit C**.

2.1.3 Business Operations

The Debtors are headquartered in San Jose, California, and have employees throughout the United States. The Company also maintains a facility in Olive Branch, Mississippi where it manufactures the insulating glass units included in the View Smart Glass and View Smart Buildings Platform product offerings. The Debtors do not own any real property. The Company's business operations are generally split into three categories, (a) View Smart Glass, (b) View Smart Building Platform, and (c) View Smart Building Technologies.

<u>View Smart Glass</u>: As noted above, the Company designs, manufactures, and provides electrochromic or "smart glass" panels to which it adds a 1 micrometer (~1/100th the thickness of human hair) proprietary electrochromic coating. These smart glass panels, in combination with the Company's proprietary network infrastructure, software and algorithms, intelligently adjust in response to the sun by tinting from clear to dark states, and vice versa, to minimize heat and glare without ever blocking the view. In addition, the Company offers a suite of fully integrated, cloud-connected smart-building products that are designed to enable the Company to further optimize the human experience within buildings, improve cybersecurity, further reduce energy usage and carbon footprint, reduce real estate operating costs, provide real estate owners greater visibility into and control over the utilization of their assets, and provide a platform on which to integrate and deploy new technologies into buildings. The Company's "smart glass" is primarily composed of three components – the insulating glass unit, the network infrastructure, and the software – that all work together to produce a solution.

View Smart Glass includes the following produces and services:

- Insulating glass units ("IGUs"): View electrochromic glass panels in the form of IGUs utilize the Company's proprietary electrochromic technology to modulate ultraviolet, visible and infrared light simultaneously and on command. Electrochromism is the phenomenon by which the light transmission through a transparent material change when an electrical voltage is applied to it. This ability to control light transmittance enables the Company to automatically control the amount of light and heat entering a space, thus reducing the energy consumption of the building.
- Controls, Software and Services ("CSS"): The Company's CSS is a network infrastructure comprised of the Company's proprietary wiring and controls system that provides a network addressable location to every glass panel, as well as software and algorithms that control the behavior of each glass panel in real time. The products and services that make up CSS include electrical connections schema, sky sensors, window controllers and control panels with embedded software, cables and connectors that enable the IGUs to tint.
- View Net: View Net is the Company's next generation CSS, a cloud-connected, network infrastructure offering that powers the smart glass IGUs and can incorporate and power other smart building devices from the Company and other companies. View

Net is a scalable, secure, fault-tolerant, enterprise-grade, smart building platform that can be upgraded remotely or "over-the-air" to incorporate performance improvements and new features. By having the ability to incorporate other smart building devices, View Net reduces redundant cabling, installation costs and materials. It also future-proofs buildings for technology upgrades by providing the capability to add smart devices and applications over an open IP protocol, thus providing integrated capabilities and saving future complexity, cost, time and materials.

Today, the Company's Smart Glass products are installed into over 48 million square feet of buildings, including offices, hospitals, airports, educational facilities, hotels, and multi-family residences.

<u>View Smart Building Platform</u>: After the Company completed installations of "smart glass" in hundreds of buildings, the Company identified an opportunity to use its network infrastructure and cabling to significantly improve the human experience, energy performance and carbon footprint in buildings, and real estate operating costs through adoption of technology. Beginning in 2021, the Company began selling a Smart Building Platform, which is a fully integrated smart window platform, to building owners. Concurrent with the commencement of the sales efforts, the Company also began hiring an extensive team of construction managers, project managers, and building specialists to enable the Company to work towards delivering the fully installed and integrated Smart Building Platform.

View Smart Building Platform is a complete interrelated and integrated platform that combines the Company's smart glass IGUs, the fabrication, unitization, and installation of the framing of those IGUs, any combination of View Smart Building Technologies, and installation of the completed smart glass windows and CSS components. The Smart Building Platform utilizes the View Net infrastructure to enable smart building applications, such as View Smart Glass, for which each IGU is a separate node on the network. Customers also have the option to integrate any of the View Smart Building Technologies product offerings, as more fully described further below, as additional nodes on the smart building network and tailored to the customer's specific needs depending upon their desired smart building functionality. The Company completes the design of the system based on the customer's specifications by manufacturing, fabricating, and unitizing the specific smart glass products required based on this design. It also installs these products in the customer's building, and integrates of all the interrelated components, including any enhanced options, into the View Smart Building Platform. The end product to the customer is a single-solution Smart Building Platform that uses artificial intelligence to adjust the building environment to improve occupant health and productivity, as well as reduce building energy usage and carbon footprint.

<u>View Smart Building Technologies</u>: View Smart Building Technologies products aggregates data from connected systems, sensors, and applications within a building and applies data normalization and spatial contexts. The View Smart Building Cloud is embedded into the Company's products, including View Secure Edge, View Remote Access, View Building Performance, and View Workplace Experience.

For the three months ended September 30, 2023, the Company's revenue was \$38.2 million, resulting in a 61% year-over-year improvement. For the period ending September 30,

2023, The Company's balance sheet reflects approximately \$291,438,999 in total assets and approximately \$359,376,000 in total liabilities. As of the Petition Date, aggregate cash in the Company's operating bank accounts was approximately \$7.29 million.

2.2 Capital Structure

As of the Petition Date, the Debtors have approximately \$287 million of funded debt obligations, consisting of secured obligations under the MDA Term Loan and the Prepetition Term Loan, and unsecured obligations under the Convertible Notes (each defined below).

2.2.1 MDA Term Loan

On November 22, 2010, the Company entered into a debt arrangement with the Mississippi Development Authority (the "MDA"), in an amount of \$40 million (the "MDA Term Loan"), for the purpose of financing equipment and tenant improvements at its manufacturing facility in Olive Branch, Mississippi. Pursuant to the original terms, the MDA Term Loan provides for interest-free debt to be repaid in semi-annual payments due on June 30 and December 31 each year. The MDA Term Loan was originally being paid over 24 semi-annual installments through June 30, 2024. The MDA Term Loan is secured by certain specified manufacturing equipment located in the Olive Branch facility.

On October 22, 2020, the Company entered into an amended and restated debt arrangement with the MDA, which temporarily suspended the payments until June 30, 2022. Starting June 30, 2022, the Company is required to make semi-annual payments of \$0.7 million through June 30, 2032. As of the Petition Date, the Company had \$12.491 million outstanding under the MDA Term Loan.

2.2.2 Prepetition Term Loan

On October 16, 2023, the Company entered into the Prepetition Term Loan credit agreement with Cantor Fitzgerald Securities, as administrative agent and as collateral agent, and the lenders party thereto (the "Credit Agreement"). The Credit Agreement establishes (i) a \$12.5 million senior secured term loan facility and (ii) a \$37.5 million senior secured delayed draw term loan facility, each maturing on September 30, 2027 (the "Prepetition Term Loan"). The lenders include, among others: (i) RXR FP Investor IV LP, an affiliate of RXR Realty LLC, (ii) CF Principal Investments, LLC, and (iii) entities affiliated with Anson Funds and Affinius Capital, all of whom are also holders of the Convertible Notes.

The Prepetition Term Loan has an annual rate equal to Term SOFR, plus (i) a margin of 7.50%, for interest paid in cash, or (ii) a margin of 14.0%, for interest paid in kind. The obligations under the Credit Agreement are be guaranteed by the Company's wholly-owned subsidiaries, subject to certain customary exceptions, and secured by a first-lien security interest in substantially all of the Company's tangible and intangible assets, as well as substantially all of the tangible and intangible assets of the guarantors.

As of the Petition Date, the outstanding amount of the Prepetition Term Loan is approximately \$52.108 million.

2.2.3 6.00%/ 9.00% Convertible Senior PIK Toggle Notes due 2027

In October 2022, the Company completed the sale of \$200 million aggregate principal amount of the Company's 6.00% / 9.00% Convertible Senior PIK Toggle Notes (the "Convertible Notes"), with the option to sell an additional \$40 million of notes to the Purchasers (as defined in the indenture governing the Convertible Notes). The Convertible Notes were issued pursuant to that certain Indenture, dated as of October 26, 2022, between View, Inc. and Wilmington Trust, National Association, as Trustee. The Convertible Notes will mature on October 1, 2027 and bear interest at 6.00% per annum, to the extent paid in cash ("Cash Interest"), and 9.00% per annum, to the extent paid in kind through the issuance of additional Convertible Notes ("PIK Interest"). Interest is payable semi-annually in arrears on April 1 and October 1 of each year, beginning on April 1, 2023. The Company can elect to make any interest payment through Cash Interest, PIK Interest or any combination thereof.

As of the Petition Date, the outstanding amount of the Convertible Notes is approximately \$222.3 million.

2.2.4 Unsecured Obligations

As of the Petition Date, the Debtors broadly estimate that they have approximately \$27.16 million in outstanding obligations to employees, trade vendors, and other non-Convertible Notes unsecured creditors.

2.2.5 Common Stock

On March 9, 2021, the Company's common stock and warrants began trading on the Nasdaq Global Select Market under the ticker symbols "VIEW" and "VIEWW," respectively. Pursuant to the Company's certificate of incorporation, the Company is authorized to issue 600,000,000 shares of common stock with a par value of \$0.0001 per share. As of the Petition Date, the Company had 4,113,403 shares of common stock issued and outstanding.

III. KEY EVENTS LEADING TO THESE CASES

As stated above, the Debtors intend to file the Chapter 11 Cases to implement a prepackaged chapter 11 plan of reorganization that provides for a comprehensive balance sheet restructuring of their funded debt obligations with the consent of the Required Consenting Creditors. Given the events described in further detail below and other considerations, the Debtors have concluded in the exercise of their business judgment as fiduciaries for all of the Debtors' stakeholders that the best path to maximize the value of their businesses is a strategic chapter 11 filing to implement the Restructuring through the Prepackaged Plan.

3.1 Challenges Facing the Debtors' Businesses and Efforts to Address Challenges

The Company's need to seek bankruptcy protection is not due to shortcomings in its products, services, or technology; rather, the Company's need for chapter 11 protection is driven primarily by its limited liquidity position and need for a deleveraged balance sheet in order to raise additional financing to fund its operations and maximize the value of the organization. The Company remains an emerging growth company and, as is typical of such companies at this phase

in their life cycle, the Company continues to experience negative cash flow from operations. Although the Company has continued to grow revenue and has made strides in reducing costs to improve profitability and cash flows, the Company has been unable to obtain sufficient funding and has an immediate cash need to fund operations including manufacturing costs, research and development, selling general and administrative, and capital investment requirements. The Company is facing a liquidity shortfall and needs a comprehensive restructuring of its balance sheet.

Faced with the inability to operate profitably as a going concern and its waning liquidity position, over the last year, the Company's management and Board of Directors actively pursued and examined a number of potential strategic alternatives. To this end, the Company engaged advisors to assist the Company in its effort to raise additional financing to fund operations until achievement of profitability and to explore initiatives to improve operational efficiency and strategic alternatives. In April 2023, the Company retained SOLIC Capital Advisors, LLC and SOLIC Capital, LLC (collectively, "SOLIC"), to assist the Company in analyzing its financial position and exploring potential strategic and operating restructuring initiatives. In August 2023, the Company also retained Cole Schotz P.C. ("Cole Schotz") to advise the Company in connection with its review of strategic alternatives and contingency planning.

As part of its engagement, SOLIC initiated on behalf of the Company a capital placement process to raise capital via a private placement of secured convertible PIK toggle notes. Working with the Company's management, SOLIC identified and conducted a targeted outreach, contacting fifty-two (52) prospective financial and/or strategic partners to gauge interest in a secured convertible PIK toggle notes placement. Thirteen (13) parties ultimately agreed to confidentiality agreements and were provided a confidential investment memorandum and access to additional confidential information. The prospective financing sources were provided with an opportunity to conduct diligence and have calls or meetings with the Company's management.

Due to limited interest from prospective financing sources for funding the secured convertible PIK toggle notes, SOLIC then worked with the Company's management to facilitate a solicitation process to raise financing in the form of a senior secured term loan. This solicitation process included a targeted outreach, with SOLIC contacting forty-eight (48) prospective financial and/or strategic partners. Twenty-one (21) parties agreed to confidentiality agreements and were provided a confidential investment memorandum and access to a virtual data room. These prospective financing sources conducted varying levels of diligence, and the Company held management meetings with eight (8) prospective financing sources.

Also commencing during the same period, SOLIC conducted a marketing process to identify potential parties for the sale or recapitalization of the Company. Working with the Company's management team, SOLIC contacted forty-two (42) prospective financial and/or strategic partners to solicit interest in a strategic transaction with the Company. Nine (9) parties executed non-disclosure agreements and were provided access to a virtual data room. The prospective buyers were offered the opportunity to have calls or meetings with the Company's management team. The Company continues to provide diligence to interested parties, however, to date, this marketing process has not resulted in any offers to purchase the Company or another sale or recapitalization transaction.

In addition to the financing and sale initiatives, the Company successfully implemented several costs saving measures, including, but not limited to, selective reductions in workforce and discontinuation of investments in certain research and development and sales and marketing initiatives. The Company's estimated total operating expense cost reduction for the nine-month period ended in the third quarter of 2023 was approximately \$75 million, or 41%, from 2022. Nevertheless, for the three months ended September 30, 2023, View suffered losses from the operation of their businesses exceeding \$208 million.

Recognizing that additional financing was necessary for the Company to bridge to profitability, on October 16, 2023, the Company entered into the Prepetition Term Loan. After the Prepetition Term Loan was funded in October 2023, the Company believed it could deploy the Prepetition Term Loan to pay its expenses as they became due, and, coupled with further cost saving measures, move toward success. In the interest of maximizing value to all stakeholders, the Company, through SOLIC, continued to explore all strategic alternatives for the Company. In January 2024, SOLIC resumed its solicitation of potential financial and strategic acquirors. At the same time, the Debtors engaged with holders of the Prepetition Term Loan and the Convertible Notes concerning a potential financial restructuring and recapitalization of the Company. During this period, no prospective strategic or financial acquirors were willing to submit a proposal to acquire the Company's assets or otherwise provide financing to the Company without the Company substantially reducing its operating losses.

In connection with the Company's evaluation of potential strategic alternatives, on February 21, 2024, the Board of Directors of View, Inc. (the "Board") appointed Patrick J. Bartels, Jr. as a disinterested director of the Board (the "Disinterested Director"). The Disinterested Director was delegated sole authority (i) on all matters in which a conflict of interest exists or is reasonably likely to exist between View, Inc. on the one hand, and any related party, on the other hand (each, a "Conflict Matter"), and (ii) to make a determination as to whether any matter constitutes a Conflict Matter. In addition, the Board delegated sole authority to the Disinterested Director, with the assistance of Cole Schotz as counsel, to conduct an independent review with respect to the potential causes of action of the Debtors, if any, against any related party, including the appropriateness or necessity of any releases in the Prepackaged Plan.

Ultimately it became clear to the Debtors, the Debtors' management team, the Debtors' Board of Directors, and the Debtors' advisors that the best way to maximize value for the Debtors' stakeholders and minimize cost was to pursue prepackaged Chapter 11 Cases in the Bankruptcy Court. To that end, the Debtors executed the Restructuring Support Agreement dated April 2, 2024, attached as **Exhibit B** to this Disclosure Statement, which forms the basis for the Prepackaged Plan the Debtors seek to implement. As set forth above, the Restructuring Support Agreement provides a comprehensive balance sheet restructuring and recapitalization of the Debtors' business through the Prepackaged Plan, which critically includes fresh liquidity during and upon consummation of expedited chapter 11 proceedings that do not propose to impair general unsecured claims.

IV. MATERIAL DEVELOPMENTS AND ANTICIPATED EVENTS OF THE <u>CHAPTER 11 CASES</u>

On the Petition Date, in accordance with the Restructuring Support Agreement, the Debtors intend to file voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The filing of the petitions will commence the Chapter 11 Cases, at which time the Debtors will be afforded the benefits and become subject to the limitations of the Bankruptcy Code.

4.1 First Day Motions

On the Petition Date, along with their voluntary petitions for relief under chapter 11 of the Bankruptcy Code (the "Petitions"), the Debtors intend to file several motions (the "First Day Motions") designed to facilitate the administration of the Chapter 11 Cases and minimize disruption to the Debtors' operations, by, among other things, easing the strain on the Debtors' relationships with employees, vendors, and customers following the commencement of the Chapter 11 Cases. The First Day Motions, and all orders for relief granted in the Chapter 11 Cases, can be viewed free of charge on the Debtors' restructuring website, https://cases.ra.kroll.com/View/.

4.2 **DIP Motion**

On the Petition Date, the Debtors also intend to bring a motion seeking Bankruptcy Court approval of the DIP Orders. The Debtors intend to initiate these Chapter 11 Cases with sufficient committed financing to fund the costs of the anticipated cases and implement the Restructuring Transactions contemplated in the Prepackaged Plan. Access to the DIP Financing and the use of cash collateral is critical to ensure that the Debtors have sufficient liquidity to operate their business and implement the Restructuring Transactions as provided in the Prepackaged Plan. Through their access to the \$17.5 million DIP Facility and use of cash collateral under the DIP Orders, which is subject to Bankruptcy Court approval, the Debtors expect to have adequate liquidity to continue operating their business as a going concern, finance their Chapter 11 Cases and consummate the Prepackaged Plan.

4.3 Other Procedural Motions and Retention of Professionals

The Debtors also intend to file several other motions that are common in chapter 11 cases of similar size and complexity as the Chapter 11 Cases on the Petition Date, or shortly thereafter, including applications to retain various professionals to assist the Debtors in the Chapter 11 Cases.

4.4 Proposed Case Timeline

As part of the Restructuring Support Agreement, the Debtors agreed to the following case milestones to ensure that the Debtors' chapter 11 cases proceed in a structured and expeditious manner towards confirmation:⁴

10

⁴ Notwithstanding the foregoing, the milestones may be extended subject to the consent requirements set forth in the Restructuring Support Agreement.

If a Class contains Claims or Interests eligible to vote and no holders of Claims or Interests eligible to vote in such Class vote to accept or reject the Prepackaged Plan, the holders of such Claims or Interests in such Class shall be deemed to have accepted the Prepackaged Plan.
- (f) Elimination of Vacant Classes. Any Class of Claims or Interests that does not have a Holder of an Allowed Claim or Allowed Interest or a

Claim or Interest temporarily Allowed by the Bankruptcy Court in an amount greater than zero as of the date of the Confirmation Hearing shall be deemed eliminated from the Prepackaged Plan for purposes of voting to accept or reject the Prepackaged Plan and for purposes of determining acceptance or rejection of the Prepackaged Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

5.6.12 Intercompany Interests

To the extent Reinstated under the Prepackaged Plan, distributions on account of Intercompany Interests are not being received by holders of such Intercompany Interests on account of their Intercompany Interests but for the purposes of administrative convenience and due to the importance of maintaining the prepetition corporate structure for the ultimate benefit of the holders of New Common Interests, and in exchange for the Debtors' or Reorganized Debtors', as applicable, agreement under the Prepackaged Plan to make certain distributions to the holders of Allowed Claims.

5.6.13 Confirmation Pursuant to Sections 1129(a)(10) and 1129(b) of the Bankruptcy Code

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of the Prepackaged Plan by one or more of the Classes entitled to vote pursuant to Article III.B of the Prepackaged Plan. The Debtors reserve the right, subject to the prior consent of the Required Consenting Creditors to modify the Prepackaged Plan in accordance with Article XIII hereof and the Restructuring Support Agreement to the extent, if any, that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and the Bankruptcy Rules.

5.6.14 Subordinated Claims

The allowance, classification, and treatment of all Allowed Claims and Allowed Interests and the respective distributions and treatments under the Prepackaged Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Any such contractual, legal, or equitable subordination rights shall be settled, compromised, and released pursuant to the Prepackaged Plan.

5.7 Liquidation Analysis

The Debtors, with the assistance of SOLIC, have prepared an unaudited liquidation analysis, which is attached hereto as **Exhibit D** (the "Liquidation Analysis"), to assist Holders of Claims and Interests in evaluating the Prepackaged Plan. The Liquidation Analysis compares the projected recoveries that would result from the liquidation of the Debtors in a hypothetical case under chapter 7 of the Bankruptcy Code with the estimated distributions to Holders of Allowed Claims and Interests under the Prepackaged Plan. The Liquidation Analysis is based on the value of the Debtors' assets and liabilities as of a certain date and incorporates various estimates and

assumptions, including a hypothetical conversion to a chapter 7 liquidation as of a certain date. Further, the Liquidation Analysis is subject to potentially material changes, including with respect to economic and business conditions and legal rulings. Therefore, the actual liquidation value of the Debtors could vary materially from the estimate provided in the Liquidation Analysis.

As set forth in the Liquidation Analysis, the Debtors believe that the Prepackaged Plan provides a greater recovery for Holders of Allowed Claims than they would receive in liquidation under chapter 7 of the Bankruptcy Code. This belief is based on a number of factors, including, but not limited to: (a) the likelihood that the Debtors' assets would have to be sold or otherwise disposed of in a disorderly fashion over a short period of time, rather than reorganizing or selling in a controlled manner, affecting the business as a going concern; (b) the additional administrative claims involved in the appointment of a chapter 7 trustee; (c) the additional expenses and Claims, some of which would be entitled to priority, that would be generated during the liquidation; and (d) that the rights of the Debtors and the Holders of General Unsecured Claims are treated as unaltered by the Prepackaged Plan.

5.8 Valuation Analysis

The Prepackaged Plan provides for the distribution of New Common Interests to the Holders of Prepetition Term Loan Claims and Prepetition Convertible Notes Claims, as applicable and as provided for in the Prepackaged Plan. Accordingly, SOLIC, at the request of the Debtors, has performed an analysis, which is attached hereto as **Exhibit E**, of the estimated implied value of the Debtors on a going-concern basis as of May 17, 2024 (the "Valuation Analysis"). The Valuation Analysis, including the procedures followed, assumptions made, qualifications, and limitations on review undertaken described therein, should be read in conjunction with Article XVI of this Disclosure Statement, entitled "Certain Factors To Be Considered." The Valuation Analysis is based on data and information as of April 1, 2024. SOLIC makes no representations as to changes to such data and information that may have occurred since the date of the Valuation Analysis.

THE VALUATION ANALYSIS REPRESENTS A HYPOTHETICAL VALUATION OF THE DEBTORS AND THEIR ASSETS AND BUSINESS. THE ESTIMATED VALUE SET FORTH IN THE VALUATION ANALYSIS DOES NOT PURPORT TO CONSTITUTE AN APPRAISAL OR NECESSARILY REFLECT THE ACTUAL MARKET VALUE THAT MIGHT BE REALIZED THROUGH A SALE OR LIQUIDATION OF THE DEBTORS, THEIR SECURITIES OR THEIR ASSETS, WHICH MAY BE MATERIALLY DIFFERENT THAN THE ESTIMATES SET FORTH IN THE VALUATION ANALYSIS. ANY SUCH PRICES MAY BE MATERIALLY DIFFERENT THAN INDICATED BY THE VALUATION ANALYSIS.

5.9 Financial Information Projections

In connection with planning and developing the Prepackaged Plan, the Debtors, with the assistance of their advisors, prepared projections for the fiscal years 2024 through 2027, which are attached hereto as **Exhibit F** (the "Financial Projections"), including management's assumptions related thereto. For purposes of the Financial Projections, the Debtors have assumed an Effective Date of May 17, 2024. The Financial Projections assume that the Prepackaged Plan will be

implemented in accordance with its stated terms. The Debtors are unaware of any circumstances as of the date of this Disclosure Statement that would require the re-forecasting of the Financial Projections due to a material change in the Debtors' prospects.

The Financial Projections are based on forecasts of key economic variables and may be significantly impacted by, among other factors, changes in the competitive environment, commodity prices, regulatory changes, or a variety of other factors, including the factors listed in this Disclosure Statement. Accordingly, the estimates and assumptions underlying the Financial Projections are inherently uncertain and are subject to significant business, economic, and competitive uncertainties. Therefore, such projections, estimates, and assumptions are not necessarily indicative of current values or future performance, which may be significantly less or more favorable than set forth herein. The Financial Projections should be read in conjunction with the assumptions, qualifications, and explanations set forth in this Disclosure Statement.

VI. <u>VOTING PROCEDURES AND REQUIREMENTS</u>⁷

6.1 Classes Entitled to Vote on the Prepackaged Plan

The following Classes are entitled to vote to accept or reject the Prepackaged Plan (the "Voting Classes"):

Class	Claim or Interest	Status
4	Prepetition Term Loan Claims	Impaired
5	Prepetition Convertible Notes Claims	Impaired

If your Claim or Interest is not included in the Voting Classes, you are not entitled to vote and you will not receive a Solicitation Package (as defined below). If you are a Holder of a Claim in one of the Voting Classes, you should read your ballot(s) and carefully follow the instructions included in the ballot(s). Please use only the ballot(s) that accompany the applicable Solicitation Package, if any, or the ballot(s) that the Debtors, or the Solicitation Agent on behalf of the Debtors, otherwise provided to you.

6.2 Votes Required for Acceptance by a Class

Under the Bankruptcy Code, acceptance of a plan of reorganization by a class of claims or interests is determined by calculating the amount and, if a class of claims, the number, of claims and interests voting to accept, as a percentage of the allowed claims or interests, as applicable, that have voted. Acceptance by a class of claims requires an affirmative vote of more than one-half in number of total allowed claims that have voted and an affirmative vote of at least two-thirds in

dollar amount of the total allowed claims that have voted. Acceptance by a class of interests requires an affirmative vote of at least two-thirds in amount of the total allowed interests that have voted.

6.3 Certain Factors to Be Considered Prior to Voting

There are a variety of factors that all Holders of Claims entitled to vote on the Prepackaged Plan should consider prior to voting to accept or reject the Prepackaged Plan. These factors may impact recoveries under the Prepackaged Plan and include, among other things:

- unless otherwise specifically indicated, the financial information contained in this Disclosure Statement has not been audited and is based on an analysis of data available at the time of the preparation of the Prepackaged Plan and this Disclosure Statement;
- although the Debtors believe that the Prepackaged Plan complies with all applicable provisions of the Bankruptcy Code, the Debtors can neither assure such compliance nor that the Bankruptcy Court will confirm the Prepackaged Plan; and
- the Debtors may request Confirmation without the acceptance of the Prepackaged Plan by all Impaired Classes in accordance with section 1129(b) of the Bankruptcy Code.

While these factors could affect distributions available to Holders of Allowed Claims and Interests under the Prepackaged Plan, the occurrence or impact of such factors may not necessarily affect the validity of the vote of the Voting Class or necessarily require a re-solicitation of the votes of Holders of Claims in the Voting Class pursuant to section 1127 of the Bankruptcy Code.

For a further discussion of risk factors, please refer to "Certain Factors to Be Considered" described in Article XVI of this Disclosure Statement.

6.4 Classes Not Entitled to Vote on Prepackaged Plan

Under the Bankruptcy Code, holders of claims and interests are not entitled to vote if their contractual rights are unimpaired by the proposed plan or if they will receive no property under the plan. Accordingly, the following Classes of Claims against and Interests in the Debtors are *not entitled to* vote to accept or reject the Prepackaged Plan:

Class	Claim or Interest	Status	Voting Rights
1	Other Secured Claims	Unimpaired	No (Presumed to accept)
2	Other Priority Claims	Unimpaired	No (Presumed to accept)
3	Prepetition MDA Loan Claims	Unimpaired	No (Presumed to accept)
6	General Unsecured Claims	Unimpaired	No (Presumed to accept)
7	Intercompany Claims	Impaired/Unimpaired	No (Presumed to accept
			or deemed to reject)
8	Existing Equity Interests	Impaired	No (Deemed to reject)

9	Intercompany Interests	Impaired/Unimpaired	No (Presumed to accept
			or deemed reject)

6.5 Solicitation Procedures

6.5.1 Solicitation Agent

The Debtors have retained Kroll Restructuring Administration LLC (the "Solicitation Agent") to act as, among other things, the Solicitation Agent in connection with the solicitation of votes to accept or reject the Prepackaged Plan.

6.5.2 Solicitation Package

The following materials constitute the solicitation package (collectively, the "Solicitation Package") distributed to Holders of Claims in the Voting Classes:

- the form of the notice of the combined hearing to consider approval of the adequacy of this Disclosure Statement and confirmation the Prepackaged Plan;
- a Ballot and applicable voting instructions; and
- this Disclosure Statement and all exhibits hereto, including the Prepackaged Plan and all exhibits thereto.

6.5.3 Distribution of Solicitation Package and Plan Supplement

The Debtors will cause the Solicitation Agent to distribute the Solicitation Package to Holders of Claims in the Voting Classes on April 2, 2024.

The Solicitation Package (except the Ballots) may also be obtained from the Solicitation Agent by emailing ViewInfo@ra.kroll.com and referencing "View Solicitation Inquiry" in the subject line. After the Debtors file the Chapter 11 Cases, you may also obtain copies of any pleadings filed with the Bankruptcy Court for free by visiting the Debtors' restructuring website, https://cases.ra.kroll.com/View/, or for a fee via PACER at https://www.pacer.gov/.

The Debtors shall file the Plan Supplement with the Bankruptcy Court by no later than fourteen (14) calendar days prior to the Confirmation Hearing, subject to any deadline set forth in an order of the Bankruptcy Court. If the Plan Supplement is updated or otherwise modified, such modified or updated documents will be made available on the Debtors' restructuring website. The Debtors will serve copies of the Plan Supplement on certain parties, and parties may obtain a copy of the Plan Supplement from the Solicitation Agent for free by: (i) emailing ViewInfo@ra.kroll.com and referencing "View, Inc." in the subject line; or (ii) visiting the Debtors' restructuring website, https://cases.ra.kroll.com/View/Voting Procedures.

April 1, 2024 (the "<u>Voting Record Date</u>") is the date that was used for determining which Holders of Claims are entitled to vote to accept or reject the Prepackaged Plan and receive the Solicitation Package in accordance with the solicitation procedures. Except as otherwise set forth

herein, the Voting Record Date and all of the Debtors' solicitation and voting procedures shall apply to all of the Debtors' creditors and other parties in interest.

For the Holder of a Claim in a Voting Class to have its Ballot counted as a vote to accept or reject the Prepackaged Plan, such Holder's Ballot must be properly completed, executed, and submitted so that such Holder's Ballot is <u>actually received</u> by the Solicitation Agent on or before the Voting Deadline, which is <u>May 2, 2024 at 5:00 p.m.</u> (prevailing Eastern Time).

Holders of Claims in Class 4 or Class 5 may submit their Ballots by email to: <u>ViewBallots@RA.Kroll.com</u> with "View Vote" in the Subject Line. Holders of Claims in Classes 4 and 5 may also submit paper Ballots to the Solicitation Agent via first class mail, overnight mail, or personal delivery to: (a) View, Inc., Claims Processing Center, c/o Kroll Restructuring Administration LLC, 850 Third Avenue, Suite 412, Brooklyn, NY 11232 for overnight or hand delivery or (b) View, Inc., Claims Processing Center, c/o Kroll Restructuring Administration LLC, Grand Central Station, PO Box 4850, New York, NY 10163-4850 for first class mail.

If a Holder of a Claim in a Voting Class transfers all of such Claim to one or more parties on or after the Voting Record Date and before the Holder has cast its vote on the Prepackaged Plan, such Claim Holder is automatically deemed to have provided a voting proxy to the purchasers of the Holder's Claim, and such purchasers shall be deemed to be the Holders thereof as of the Voting Record Date for purposes of voting on the Prepackaged Plan.

You might receive more than one Ballot if you hold Claims through one or more affiliated funds, in which case the vote cast by each such affiliated fund will be counted separately. Separate Claims held by affiliated funds in a particular Class shall not be aggregated, and the vote of each such affiliated fund related to its Claims shall be treated as a separate vote to accept or reject the Prepackaged Plan, as applicable. If you hold any portion of a single Claim, you and all other Holders of any portion of such Claim will be (a) treated as a single creditor for voting purposes and (b) required to vote every portion of such Claim collectively to either accept or reject the Prepackaged Plan.

IF A BALLOT IS RECEIVED AFTER THE VOTING DEADLINE, IT WILL NOT BE COUNTED UNLESS THE DEBTORS DETERMINE OTHERWISE OR AS ORDERED BY THE BANKRUPTCY COURT.

ANY BALLOT THAT IS EXECUTED BY THE HOLDER OF A CLAIM BUT THAT DOES NOT CLEARLY INDICATE AN ACCEPTANCE OR REJECTION OF THE PREPACKAGED PLAN OR ANY BALLOT THAT INDICATES BOTH AN ACCEPTANCE AND A REJECTION OF THE PREPACKAGED PLAN WILL NOT BE COUNTED FOR PURPOSES OF ACCEPTING OR REJECTING THE PREPACKAGED PLAN.

EACH HOLDER OF A CLAIM IN CLASS 4 AND CLASS 5 MUST VOTE ALL OF ITS CLASS 4 OR CLASS 5 CLAIMS EITHER TO ACCEPT OR REJECT THE PREPACKAGED PLAN AND MAY NOT SPLIT SUCH VOTES. BY SIGNING AND RETURNING A BALLOT, EACH HOLDER OF A CLAIM WILL CERTIFY TO THE BANKRUPTCY COURT AND THE DEBTORS THAT NO OTHER BALLOTS WITH RESPECT TO SUCH CLAIM HAVE BEEN CAST OR, IF ANY OTHER BALLOTS HAVE BEEN CAST WITH RESPECT TO SUCH

CLASS OF CLAIMS, SUCH OTHER BALLOTS INDICATED THE SAME VOTE TO ACCEPT OR REJECT THE PREPACKAGED PLAN. IF A HOLDER CASTS MULTIPLE BALLOTS WITH RESPECT TO THE SAME CLAIM AND THOSE BALLOTS ARE IN CONFLICT WITH EACH OTHER, SUCH BALLOTS WILL NOT BE COUNTED FOR PURPOSES OF ACCEPTING OR REJECTING THE PREPACKAGED PLAN.

IT IS IMPORTANT THAT THE HOLDER OF A CLAIM IN THE VOTING CLASSES FOLLOW THE SPECIFIC INSTRUCTIONS PROVIDED ON SUCH HOLDER'S BALLOT AND THE ACCOMPANYING INSTRUCTIONS. NO BALLOT MAY BE WITHDRAWN OR MODIFIED AFTER THE VOTING DEADLINE WITHOUT THE DEBTORS' PRIOR CONSENT OR PERMISSION OF THE BANKRUPTCY COURT.

EXCEPT AS OTHERWISE SPECIFIED HEREIN OR AS MAY BE COMMUNICATED BY THE DEBTORS, THE SOLICITATION OF VOTES ON THE PREPACKAGED PLAN WITH RESPECT TO THE CLASS 4 AND CLASS 5 CLAIMS IS BEING MADE PURSUANT TO EXEMPTIONS FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT, INCLUDING PURSUANT TO SECTION 4(A)(2) THEREOF, AND APPLICABLE UNITED STATES STATE SECURITIES LAWS, AND ONLY FROM HOLDERS OF SUCH CLAIMS WHO ARE ACCREDITED INVESTORS OR QIBs.

6.6 Opt-Out Notices

The Prepackaged Plan provides for a release by the Releasing Parties in Article VIII.D. As more fully set forth in the Solicitation Motion, the Debtors provided Holders of Claims in Class 4 and Class 5 the ability to Opt-Out of the releases set forth in Article VIII.D of the Prepackaged Plan in the Ballot provided with the Solicitation Package. In addition, if the Solicitation Procedures Motion is approved by the Court, the Debtors intend to provide an Opt-Out Form to non-Voting Classes which provides such Holders with an opportunity to opt-out of the releases set forth in Article VIII.D. of the Prepackaged Plan. Unless a Holder opts out of the releases set forth in Article VIII.D. of the Prepackaged Plan, such Holder shall be deemed part of the Releasing Parties bound by the release set forth in Article VIII.D. of the Prepackaged Plan. For the avoidance of doubt, the plaintiffs in the Shareholder Lawsuits shall not have the opportunity to affirmatively opt-out of the releases set forth in Article VIII.D of the Prepackaged Plan on their Opt-Out Form.

VII. MEANS FOR IMPLEMENTATION OF THE PREPACKAGED PLAN AND <u>ADDITIONAL KEY PLAN TERMS</u>

The Prepackaged Plan contemplates the following key terms, among others described herein and therein:

7.1 General Settlement of Claims and Interests

As discussed in detail in this Disclosure Statement and as otherwise provided herein, pursuant to sections 363 and 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Prepackaged Plan, upon the Effective Date, the provisions of the Prepackaged Plan shall constitute a good faith compromise and settlement of all Claims, Interests, Causes of Action, and

controversies released, settled, compromised, discharged, or otherwise resolved pursuant to the Prepackaged Plan, whether under any provision of chapter 5 of the Bankruptcy Code, on any equitable theory (including equitable subordination, equitable disallowance, or unjust enrichment) or otherwise.

The Prepackaged Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, and controversies pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under sections 363 and 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, reasonable and in the best interests of the Debtors and their Estates. Subject to Article VI of the Prepackaged Plan, all distributions made to holders of Allowed Claims and Allowed Interests (as applicable) in any Class are intended to be and shall be final.

7.2 Restructuring Transactions

On or before the Effective Date, the applicable Debtors or the Reorganized Debtors (and their respective officers, directors, members, or managers (as applicable)) shall enter into and shall take any actions as may be necessary or appropriate to effect the Restructuring Transactions, including as may be set forth in the Restructuring Transactions Memorandum (if applicable) and may take all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Prepackaged Plan and the Restructuring Support Agreement that are consistent with and pursuant to the terms and conditions of the Prepackaged Plan and the Restructuring Support Agreement (and without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Prepackaged Plan). These actions to implement the Restructuring Transactions may include: (1) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Prepackaged Plan and the Restructuring Support Agreement and that satisfy the applicable requirements of applicable Law and any other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Prepackaged Plan and the Restructuring Support Agreement and having other terms for which the applicable parties agree; (3) the filing of appropriate certificates or articles of incorporation, formation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable state or provincial Law; (4) the issuance of the New Common Interests (including the Tranche C Commitment Premium); (5) the execution and delivery of the New Corporate Governance Documents, and any certificates or articles of incorporation, bylaws, or such applicable formation documents (if any) of each Reorganized Debtor, as applicable (including all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors and/or the Reorganized Debtors, as applicable); and (6) all other actions that the applicable Entities determine to be necessary, including making filings or recordings that may be required by applicable Law in connection with the Prepackaged Plan. All Holders of Claims and Interests receiving distributions pursuant to the Prepackaged Plan and all other necessary parties in interest, including any and all agents thereof, shall prepare, execute, and deliver any agreements or documents, including any

subscription agreements, and take any other actions as the Debtors and the Required Consenting Creditors may jointly determine are necessary or advisable.

The Confirmation Order shall, and shall be deemed to, pursuant to sections 363 and 1123 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, contemplated by, or necessary to effectuate the Prepackaged Plan.

On the Effective Date, the Reorganized Debtors, as applicable, shall issue all securities, notes, instruments, certificates, and other documents required to be issued pursuant to the Restructuring Transactions.

On the Effective Date, the New Board shall be established, and the Reorganized Debtors shall adopt their New Corporate Governance Documents. The Reorganized Debtors shall be authorized to adopt any other agreements, documents, and instruments and to take any other actions contemplated under the Prepackaged Plan as necessary to consummate the Prepackaged Plan. Cash payments to be made pursuant to the Prepackaged Plan will be made by the Debtors or Reorganized Debtors, as applicable. The Debtors and Reorganized Debtors will be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable the Debtors or Reorganized Debtors, as applicable, to satisfy their obligations under the Prepackaged Plan. Except as set forth herein, any changes in intercompany account balances resulting from such transfers will be accounted for and settled in accordance with the Debtors' historical intercompany account settlement practices and will not violate the terms of the Prepackaged Plan.

From and after the Effective Date, the Reorganized Debtors, subject to any applicable limitations set forth in any post-Effective Date agreement, shall have the right and authority without further order of the Bankruptcy Court to raise additional capital and obtain additional financing, subject to the New Corporate Governance Documents, as the Governing Bodies of the applicable Reorganized Debtors deem appropriate.

7.3 Continued Corporate Existence

Except as otherwise provided in the Prepackaged Plan or any agreement, instrument, or other document incorporated in the Prepackaged Plan or the Plan Supplement, each Debtor shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable Law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other formation and organizational documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation and organizational documents) are amended under the Prepackaged Plan or otherwise, in each case, consistent with the Prepackaged Plan, and to the extent such documents are amended in accordance therewith, such documents are deemed to be amended pursuant to the Prepackaged Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal Law). After the Effective Date, the respective certificate(s) of incorporation and bylaws (or other formation and

organizational documents) of one or more of the Reorganized Debtors may be amended or modified on the terms therein without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. After the Effective Date, one or more of the Reorganized Debtors may be disposed of, dissolved, wound down, or liquidated without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

7.4 Vesting of Assets in the Reorganized Debtors

Except as otherwise provided in the Confirmation Order, the Prepackaged Plan, or any agreement, instrument, or other document incorporated in, or entered into in connection with or pursuant to, the Prepackaged Plan or Plan Supplement, on the Effective Date, pursuant to sections 1141(b) and (c), all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Prepackaged Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Prepackaged Plan, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

7.5 Cancellation of Existing Securities and Agreements.

Except for the purpose of evidencing a right to a distribution under the Prepackaged Plan and except as otherwise set forth in the Prepackaged Plan or the Plan Supplement, on the Effective Date, all agreements, instruments, and other documents evidencing any Claim or Interest (other than Intercompany Interests that are not modified by the Prepackaged Plan) and any rights of any holder in respect thereof (including, for the avoidance of doubt, in respect of any Subordinated Interest(s)) shall be deemed cancelled and of no force or effect and the obligations of the Debtors, and with respect to the Prepetition Convertible Notes Claims and the Prepetition Term Loans Claims, thereunder shall be deemed fully satisfied, released, and discharged; *provided*, that, for the avoidance of doubt, the foregoing shall not impact any Claims that are Unimpaired by the Prepackaged Plan. The holders of or parties to such cancelled instruments, Securities, and other documentation shall have no rights arising from or related to such instruments, Securities, or other documentation or the cancellation thereof, except the rights provided for pursuant to the Prepackaged Plan.

7.6 Cancellation of Certain Existing Security Interests.

Upon the full payment or other satisfaction of an Allowed Secured Claim (including Allowed DIP Claims), or promptly thereafter, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Reorganized Debtors, to release any collateral or other property of any Debtor (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder), and to take such actions as may be

reasonably requested by the Reorganized Debtors to evidence the release of such Liens and/or security interests, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency, records office, or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

To the extent that any Holder of an Allowed Secured Claim (including Allowed DIP Claims) that has been satisfied or discharged in full pursuant to the Prepackaged Plan, or any agent for such Holder, has filed or recorded publicly any Liens and/or security interests to secure such Holder's Allowed Secured Claim, then as soon as practicable on or after the Effective Date, such Holder (or the agent for such Holder) shall take any and all steps requested by the Debtors or the Reorganized Debtors that are necessary or desirable to record or effectuate the cancellation and/or extinguishment of such Liens and/or security interests, including the making of any applicable filings or recordings, and the Reorganized Debtors shall be entitled to make any such filings or recordings on such Holder's behalf.

7.7 Sources of Consideration for Plan Distributions.

The Debtors or the Reorganized Debtors, as applicable, shall fund distributions under the Prepackaged Plan with the (i) Debtors' Cash on hand, (ii) Cash generated from operations, (iii) funds from the DIP Facility, and (iv) funds from the New Exit Facility.

7.8 New Common Interests.

The issuance of the New Common Interests (including the Tranche C Commitment Equity) shall be authorized without the need for any further corporate action or without any further action by the holders of Claims or Interests. The Reorganized Debtors shall be authorized to cause to be issued a certain number of shares, units or equity interests (as the case may be based on how the New Common Interests is denominated and the identity of the entity issuing such shares, units, or equity interests) of New Common Interests required to be issued under the Prepackaged Plan and pursuant to their New Corporate Governance Documents. On the Effective Date, the Debtors or Reorganized Debtors, as applicable, shall issue or enter into all Securities, notes, instruments, certificates, and other documents required to be issued or entered into pursuant to the Prepackaged Plan. The New Corporate Governance Documents shall be effective as of the Effective Date and, as of such date, shall be deemed to be valid, binding, and enforceable in accordance with its terms.

All of the shares, units, or equity interests (as the case may be based on how the New Common Interests is denominated) of New Common Interests (including the Tranche C Commitment Equity) issued or authorized to be issued pursuant to the Prepackaged Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI of the Prepackaged Plan shall be governed by the terms and conditions set forth in the Prepackaged Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

The Reorganized Debtors (i) shall emerge from these Chapter 11 Cases as a private company on the Effective Date and the New Common Interests shall not be listed on a public stock

exchange, (ii) shall not be voluntarily subjected to any reporting requirements promulgated by the SEC, and (iii) the New Common Interests (including the Tranche C Commitment Equity) shall not be required to be listed on a recognized U.S. or any foreign stock exchange.

To the extent the following actions have not been completed on or prior to the Effective Date, the Reorganized Debtors shall (i) take all actions reasonably necessary or desirable to delist the Existing Equity Interests from NASDAQ and to deregister under the Exchange Act as promptly as practicable in compliance with SEC rules, (ii) file a Form 25 with the SEC to delist the Existing Equity Interests from NASDAQ and to deregister the Existing Equity Interests from Section 12(b) of the Exchange Act (unless NASDAQ has already filed a Form 25 with the SEC providing for such delisting and deregistration), (iii) file post-effective amendments to terminate all of Parent's currently effective registration statements under the Securities Act, (iv) file a Form 15 notifying the SEC of the suspension of Parent's duty to file reports under Section 12(g) and/or Section 15(d) of the Exchange Act, and (v) take all actions reasonably necessary or desirable to ensure (A) that the New Common Interests shall not be listed on a public securities exchange and that the New Common Interests shall not be required to be listed on a recognized securities exchange, except, in each case, as otherwise may be required pursuant to the New Corporate Governance Documents and (B) that the Reorganized Debtors shall not be voluntarily subjected to any reporting requirements promulgated by the SEC.

7.9 The New LLC Agreement.

On the Effective Date, New TopCo shall enter into the New LLC Agreement, which shall become effective and binding in accordance with its terms and conditions upon the parties thereto, without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any Entity (other than as expressly required by the New LLC Agreement).

On and as of the Effective Date, each Holder of New Common Interests shall be deemed to be a party to and member under the New LLC Agreement without the need for execution by such Holder. The New LLC Agreement shall be binding on all Entities receiving, and all Holders of, New Common Interests (and their respective successors and assigns), whether such New Common Interests are received or to be received on or after the Effective Date and regardless of whether such Entity executes or delivers a signature page to the New LLC Agreement.

7.10 The New Exit Facility Credit Agreement.

Entry into the New Exit Facility, the related guarantees (including the New Exit Facility Non-Debtor Guarantees) and security and similar agreements, by the Reorganized Debtors shall be authorized without the need for any further corporate action or without any further action by the holders of Claims or Interests. Reorganized Debtors, as applicable, may deem to be necessary to enter into the New Exit Facility Credit Agreement.

The Tranche C Commitment Parties shall receive their allocated share of the Tranche C Commitment Equity in accordance with the procedures set forth in the New Exit Facility Term Sheet. Those Exit Lenders that are members of the RXR Consortium (as defined in the New Exit Facility Term Sheet) may reallocate their respective portions of the Tranche C Commitment among the members of the RXR Consortium on or before the Tranche C Reallocation Date; provided that the portion of the Tranche C Commitment provided, collectively, by members of the RXR Consortium shall be no less than \$12,500,000 in aggregate principal amount.

On the Effective Date, all Liens and security interests granted pursuant to, or in connection with the New Exit Facility, and the related guarantees (including the New Exit Facility Non-Debtor Guarantees), (i) shall be deemed to be approved and shall, without the necessity of the execution, recordation, or filing of mortgages, security agreements, control agreements, pledge agreements, financing statements, or other similar documents, be valid, binding, fully perfected, fully enforceable Liens on, and security interests in, the collateral securing the New Exit Facility and the related guarantees (including the New Exit Facility Non-Debtor Guarantees), with the priorities established in respect thereof, applicable non-bankruptcy Law, the Prepackaged Plan, and the Confirmation Order; and (ii) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any applicable non-bankruptcy Law, the Prepackaged Plan, or the Confirmation Order.

The Reorganized Debtors and the Persons granted Liens and security interests under the New Exit Facility and the related guarantees (including the New Exit Facility Non-Debtor Guarantees), as applicable, are authorized to make all filings and recordings and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal, or other Law (whether domestic or foreign) that would be applicable in the absence of the Prepackaged Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order without the need for any filings or recordings) and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable Law to give notice of such Liens and security interests to third parties.

On and as of the Effective Date, all DIP Lenders with DIP Claims that roll into the New Exit Facility shall be deemed to be parties to, and bound by, the Exit Term Loan Facility Credit Agreement, without the need for execution thereof by any such DIP Lender.

By voting to accept the Prepackaged Plan, each DIP Lender thereby instructs and directs the DIP Agent and/or the New Exit Facility Agent to (a) act as Disbursing Agent to the extent required by the Prepackaged Plan, (b) execute and deliver the New Exit Facility Documents (each to the extent it is a party thereto), as well as to execute, deliver, file, record, and issue any notes, documents (including U.C.C. Financing Statements), or agreements in connection therewith, to which the New Exit Facility Agent is a party and to promptly consummate the transactions contemplated thereby, and (c) take any other actions required or contemplated to be taken by the

DIP Agent or the New Exit Facility Agent (as applicable) under the Prepackaged Plan or any of the Restructuring Documents to which it is a party.

Upon the Effective Date, all actions contemplated under the Prepackaged Plan shall be deemed authorized and approved in all respects, including: (a) the issuance and distribution of the New Common Interests; (b) implementation of the Restructuring Transactions, (c) all other actions contemplated under the Prepackaged Plan (whether to occur before, on, or after the Effective Date); (d) adoption of the New Corporate Governance Documents; (e) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases (as applicable); (f) payment of the Tranche C Commitment Equity; and (g) all other acts or actions contemplated or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions contemplated by the Prepackaged Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Prepackaged Plan involving the corporate structure of the Debtors or the Reorganized Debtors, and any corporate, partnership, limited liability company, or other governance action required by the Debtors or the Reorganized Debtor, as applicable, in connection with the Prepackaged Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by the Security holders, members, directors, or officers of the Debtors or the Reorganized Debtors, as applicable. On or (as applicable) prior to the Effective Date, the appropriate officers of the Debtors or the Reorganized Debtors, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, Securities, and instruments contemplated under the Prepackaged Plan (or necessary or desirable to effect the transactions contemplated under the Prepackaged Plan) in the name of and on behalf of the Reorganized Debtors, including the New Common Interests, the New Corporate Governance Documents, the Tranche C Commitment Premium, and any and all other agreements, documents, Securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by Article IV.K of the Prepackaged Plan shall be effective notwithstanding any requirements under non-bankruptcy Law.

7.12 New Corporate Governance Documents.

On or immediately prior to the Effective Date, the New Corporate Governance Documents shall be automatically adopted by the applicable Reorganized Debtors. To the extent required under the Prepackaged Plan or applicable non-bankruptcy Law, each of the Reorganized Debtors will file its New Corporate Governance Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state or country of organization if and to the extent required in accordance with the applicable Laws of the respective state or country of organization. The New Corporate Governance Documents will prohibit the issuance of non-voting equity Securities, to the extent required under section 1123(a)(6) of the Bankruptcy Code.

After the Effective Date, the Reorganized Debtors may amend and restate their respective New Corporate Governance Documents in accordance with the terms thereof, and the Reorganized Debtors may file such amended certificates or articles of incorporation, bylaws, or such other applicable formation documents, and other constituent documents as permitted by the Laws of the respective states, provinces, or countries of incorporation and the New Corporate Governance Documents.

7.12.1 Directors and Officers of the Reorganized Debtors.

As of the Effective Date, the terms of the current members of the board of directors of the Debtors shall expire and the existing officers of the Debtors shall be automatically removed as officers, and the New Board and new officers of each of the Reorganized Debtors shall be appointed. For subsequent terms, following the Effective Date, members of the New Board and new officers of each of the Reorganized Debtors shall be appointed in accordance with the New Corporate Governance Documents and other constituent documents of each Reorganized Debtor.

Pursuant to section 1129(a)(5) of the Bankruptcy Code, to the extent known, the identity and affiliation of any Person proposed to serve on the New Board will be disclosed in the Plan Supplement. Provisions regarding the removal, appointment, and replacement of members of the New Board to the extent applicable, will be disclosed in the New Corporate Governance Documents.

7.12.2 Effectuating Documents; Further Transactions.

On and after the Effective Date, the Reorganized Debtors, and their respective officers, directors, members, or managers (as applicable), are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Prepackaged Plan, and the Securities issued pursuant to the Prepackaged Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Prepackaged Plan.

7.13 Preservation of Causes of Action.

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII of the Prepackaged Plan, each Reorganized Debtor shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Prepackaged Plan, including in Article VIII of the Prepackaged Plan, which shall be deemed released and waived by the Debtors and the Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. No Entity (other than the Debtors' respective officers, directors, members, or managers that are Released Parties, the Consenting Creditors and the DIP Lenders) may rely on the absence of a specific reference in the Prepackaged Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. The Debtors and Reorganized Debtors expressly reserve all rights to prosecute any and all

Causes of Action against any Entity, except as otherwise expressly provided in the Prepackaged Plan, including Article VIII of the Prepackaged Plan. Unless any Causes of Action of the Debtors against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Prepackaged Plan or a Final Order, the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Reorganized Debtors reserve and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Prepackaged Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors, except as otherwise expressly provided in the Prepackaged Plan, including Article VIII of the Prepackaged Plan. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

7.14 Certain Securities Law Matters.

The offering, issuance (or entry into), and distribution of the New Common Interests (including the Tranche C Commitment Equity) and any other Securities entered into and/or issued in connection with the Prepackaged Plan, shall be exempt, pursuant to section 1145 of the Bankruptcy Code or section 4(a)(2) of the Securities Act, as applicable, without further act or actions by any Person, from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable Law requiring registration prior to the offering, issuance, distribution, or sale of Securities to the maximum extent permitted by Law, in accordance with, and pursuant to, (i) section 1145 of the Bankruptcy Code (ii) section 4(a)(2) of the Securities Act, and (iii) any other available exemption from registration, as applicable.

In addition, the New Common Interests (including the Tranche C Commitment Equity) are issued in reliance on section 1145 of the Bankruptcy Code and section 4(a)(2) of the Securities Act, as applicable, and (1) will not be "restricted securities" as defined in Rule 144(a)(3) under the Securities Act and (2) will be freely tradable and transferable in the United States by a recipient thereof that (i) is an entity that is not an "underwriter" as defined in section 1145(b)(1) of the Bankruptcy Code, (ii) is not an "affiliate" of the Debtors as defined in Rule 144(a)(1) under the Securities Act, (iii) has not been such an "affiliate" within 90 days of the time of the transfer, and (iv) has not acquired such securities from an "affiliate" within one year of the time of transfer, subject in each case to compliance with applicable securities Laws and any rules and regulations of the SEC or state or local securities Laws, if any, applicable at the time of any future transfer of such Securities, and subject to any restrictions in the New Corporate Governance Documents.

The issuance of the New Common Interests shall not constitute an invitation or solicitation of an invitation or offer to sell or buy, any securities in contravention of any applicable Law in any jurisdiction. No action has been taken, nor will be taken, in any jurisdiction that would permit a public offering of any of the New Common Interests (other than securities issued pursuant to section 1145 of the Bankruptcy Code) in any jurisdiction where such action for that purpose is required.

The Reorganized Debtors need not provide any further evidence other than the Prepackaged Plan or the Confirmation Order with respect to the treatment of the New Common Interests (including the Tranche C Commitment Equity) under applicable securities Laws. Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC and any transfer agent) shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Prepackaged Plan, including, for the avoidance of doubt, whether the New Common Interests are exempt from registration and/or eligible for DTC bookentry delivery, settlement, and depository services. DTC and any transfer agent shall be required to accept and conclusively rely upon the Prepackaged Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Common Interests and are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services.

7.15 Preservation of Net Operating Losses.

The Bankruptcy Court will enter one or more orders, which may be the Confirmation Order, to facilitate preservation of "net operating losses" of the Debtors, which may also be provided for in the applicable New Organizational Documents.

7.16 1146(a) Exemption from Certain Taxes and Fees.

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under the Prepackaged Plan or pursuant to: (1) the issuance, distribution, transfer, or exchange of any debt, equity Security, or other interest in the Debtors or the Reorganized Debtors, including the New Common Interests (including the Tranche C Commitment Equity); (2) the Restructuring Transactions; (3) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (4) the making, assignment, or recording of any lease or sublease; (5) the grant of collateral as security for the Reorganized Debtors' obligations under and in connection with the Exit Facilities; or (6) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Prepackaged Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Prepackaged Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, sales or use tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, shall forego the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

7.17 Director and Officer Liability Insurance.

Notwithstanding anything in the Prepackaged Plan to the contrary, the Reorganized Debtors shall be deemed to have assumed all of the Debtors' D&O Liability Insurance Policies pursuant to section 365(a) of the Bankruptcy Code effective as of the Effective Date. Entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Liability Insurance Policies.

In addition, after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including any "tail policy") in effect on or after the Petition Date, with respect to conduct occurring prior thereto, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date.

7.18 Indemnification Obligations.

Consistent with applicable Law, all indemnification provisions in place as of the Effective Date (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, engagement letters, or otherwise) for current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors or owed to Cantor and RXR Lender and each of Cantor's and RXR Lender's Related Parties, as applicable, shall be reinstated and remain intact, irrevocable, and shall survive the effectiveness of the Prepackaged Plan on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date.

VIII. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.1 Assumption and Rejection of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided in Article V.H of the Prepackaged Plan and elsewhere in the Prepackaged Plan, all Executory Contracts or Unexpired Leases not otherwise assumed or rejected will be deemed assumed by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that are: (a) identified on the Rejected Executory Contracts and Unexpired Leases Schedule; (b) previously expired or terminated pursuant to their own terms; (c) have been previously assumed or rejected by the Debtors pursuant to a Final Order; (d) are the subject of a

motion to reject that is pending on the Effective Date; or (e) have an ordered or requested effective date of rejection that is after the Effective Date.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assumptions and assignments, or rejections of the Executory Contracts or Unexpired Leases as set forth in the Prepackaged Plan, the Rejected Executory Contracts and Unexpired Leases Schedule, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth herein, assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to the Prepackaged Plan are effective as of the Effective Date. Each Executory Contract or Unexpired Lease assumed pursuant to the Prepackaged Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall re-vest in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by the provisions of the Prepackaged Plan or any order of the Bankruptcy Court authorizing and providing for its assumption. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by a Final Order on or after the Effective Date but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors.

Each Executory Contract or Unexpired Lease assumed pursuant to the Prepackaged Plan shall be assumed solely in accordance with the express and written terms of such Executory Contract or Unexpired Lease. The assumption of an Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan shall not be construed as an assignment of any implied terms, implied contract, or implied warranty under any circumstance, except as may be expressly agreed in writing by the Debtors or Reorganized Debtors and, any such rights, to the extent they exist as a matter of applicable law, shall be deemed rejected and subject to Article V.B. of the Prepackaged Plan.

To the maximum extent permitted by Law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Prepackaged Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Prepackaged Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Prepackaged Plan, the Debtors or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Rejected Executory Contracts and Unexpired Leases Schedule at any time up to forty-five (45) days after the Effective Date, so long as such allocation, amendment, modification, or supplement is consistent with the Restructuring Support Agreement.

8.2 Claims Based on Rejection of Executory Contracts and Unexpired Leases

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Prepackaged Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within thirty (30) days after the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection, (2) the effective

date of such rejection, or (3) the Effective Date. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Estates, or their property without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III.B.6. of the Prepackaged Plan.

8.3 Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

The Debtors' and counterparties' respective rights and obligations under each Executory Contract and Unexpired Lease assumed under the Prepackaged Plan shall be unaffected by virtue of these Chapter 11 Cases, and the amounts coming due under such Executory Contracts and Unexpired Leases assumed under the Plan will be paid in the ordinary course of business pursuant to the terms of the Plan, the Confirmation Order, and such Executory Contracts or Unexpired Leases.

If you believe any amounts are due as a result of a Debtor's monetary default under an Executory Contract or Unexpired Lease to be assumed under the Prepackaged Plan, or you wish to otherwise object to the Debtors' assumption of an Executory Contract or Unexpired Lease under the Plan, including an objection regarding the ability of the Reorganized Debtors to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), you may assert an objection against the Debtors, subject to all defenses the Debtors may have with respect to such objection, by no later than **May 6, 2024 at 4:00 p.m.**.

ANY COUNTERPARTY TO AN EXECUTORY CONTRACT OR UNEXPIRED LEASE THAT DOES NOT TIMELY OBJECT TO THE PROPOSED ASSUMPTION OF SUCH EXECUTORY CONTRACT OR UNEXPIRED LEASE BY THE DEADLINE TO OBJECT TO ASSUMPTION OF EXECUTORY CONTRACT OR UNEXPIRED LEASE WILL BE DEEMED TO HAVE CONSENTED TO SUCH ASSUMPTION.

The assumption of any Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan or other Final Order shall result in the full release and satisfaction of any nonmonetary defaults arising from or triggered by the filing of these Chapter 11 Cases, including defaults of provisions restricting the change in control or ownership interest composition or any bankruptcy-related defaults, arising at any time prior to the effective date of assumption. Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, shall be deemed disallowed and expunged as of the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such assumption, (2) the effective date of such assumption, or (3) the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

8.4 Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to the Prepackaged Plan or other Final Order shall not constitute a termination of preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy Law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

8.5 Insurance Policies

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, shall be treated as Executory Contracts under the Prepackaged Plan. Unless otherwise provided in the Prepackaged Plan, on the Effective Date, in connection with all contemplated transactions under the Prepackaged Plan, (1) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims, including all D&O Liability Insurance Policies, and (2) such insurance policies and any agreements, documents, or instruments relating thereto, including all D&O Liability Insurance Policies, shall revest in the applicable Reorganized Debtors.

Nothing in the Prepackaged Plan, Restructuring Support Agreement, the Plan Supplement, this Disclosure Statement, the Confirmation Order, or any other Final Order (including any other provision that purports to be preemptory or supervening), (1) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (2) alters or modifies the duty, if any, that the insurers or third party administrators have to pay claims covered by such insurance policies and their right to seek payment or reimbursement from the Debtors or draw on any collateral or security therefor. For the avoidance of doubt, insurers and third-party administrators shall not need to nor be required to file or serve a cure objection or a request, application, claim, Proof of Claim, or motion for payment and shall not be subject to any claims bar date or similar deadline governing cure amounts or Claims.

8.6 Reservation of Rights

Nothing contained in the Prepackaged Plan, the Restructuring Support Agreement, or the Plan Supplement shall constitute an admission by the Debtors or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

8.7 Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

8.8 Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or Reorganized Debtor in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

IX. PROVISIONS GOVERNING DISTRIBUTIONS

9.1 Distributions on Account of Claims Allowed as of the Effective Date

Except as otherwise provided herein, in a Final Order, or as otherwise agreed to by the Debtors or the Reorganized Debtors, as the case may be, and the Holder of the applicable Allowed Claim on the first Distribution Date, the applicable Reorganized Debtors shall make initial distributions under the Prepackaged Plan on account of Claims Allowed on or before the Effective Date, subject to the Reorganized Debtors' right to object to Claims; *provided* that (1) Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors prior to the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice, (2) Allowed Priority Tax Claims shall be paid in accordance with Article II.D of the Prepackaged Plan, and (3) Allowed General Unsecured Claims shall be paid in accordance with Article III.B.6 of the Prepackaged Plan. To the extent any Allowed Priority Tax Claim is not due and owing on the Effective Date, such Claim shall be paid in full in Cash in accordance with the terms of any agreement between the Debtors and the Holder of such Claim or as may be due and payable under applicable non-bankruptcy Law or in the ordinary course of business.

9.2 Disbursing Agent

The Debtors or the Reorganized Debtors, as applicable, shall have the authority to enter into agreements with one or more Disbursing Agents to facilitate the distributions required hereunder. All distributions under the Prepackaged Plan shall be made by the Disbursing Agent. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

9.3 Rights and Powers of Disbursing Agent

9.3.1 Powers of Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Prepackaged Plan; (b) make all distributions contemplated by the Prepackaged Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Prepackaged Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

9.3.2 Expenses Incurred on or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

9.4 Delivery of Distributions and Undeliverable or Unclaimed Distributions

9.4.1 Record Date for Distribution

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record holders listed on the Claims Register as of the close of business on the Distribution Record Date. If a Claim is transferred twenty (20) or fewer days before the Distribution Record Date, the Disbursing Agent shall make distributions to the transferee only to the extent practical and, in any event, only if the relevant transfer form contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

9.4.2 Delivery of Distributions in General

Except as otherwise provided in the Prepackaged Plan, the Disbursing Agent shall make distributions to holders of Allowed Claims and Allowed Interests (as applicable) as of the Distribution Record Date at the address for each such holder as indicated on the Debtors' records as of the date of any such distribution; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

9.4.3 Minimum Distributions

No fractional shares of New Common Interests shall be distributed, and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Prepackaged Plan on account of an Allowed Claim or Allowed Interest (if applicable) would otherwise result in the issuance of a number of shares of New Common Interests that is not a whole number, the actual distribution of shares of New Common Interests shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Common Interests

to be distributed to the Holders of Allowed Claims hereunder shall be adjusted as necessary to account for the foregoing rounding.

The Reorganized Debtors or the Disbursing Agent shall not have any obligation to make a Cash distribution that is less than one hundred dollars (\$100) to any Holder of an Allowed Claim.

9.4.4 Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder of Allowed Claims or Allowed Interests (as applicable) is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then-current address of such holder, at which time all currently due, missed distributions shall be made to such Holder without interest. Undeliverable distributions shall remain in the possession of the Reorganized Debtors until such time as a distribution becomes deliverable, or such distribution reverts to the Reorganized Debtors or is cancelled pursuant to Article VI of the Prepackaged Plan, and shall not be supplemented with any interest, dividends, or other accruals of any kind.

Any distribution under the Prepackaged Plan that is an unclaimed distribution or remains undeliverable (as reasonably deemed unclaimed or undeliverable by the Reorganized Debtors or the Disbursing Agent) for a period of ninety (90) days after distribution shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and such unclaimed distribution or undeliverable distribution shall revest in the applicable Reorganized Debtor automatically (and without need for a further order by the Bankruptcy Court, notwithstanding any applicable federal, provincial, or estate escheat, abandoned, or unclaimed property Laws to the contrary) and, to the extent such unclaimed distribution is comprised of New Common Interests, then such New Common Interests shall be cancelled. Upon such revesting, the Claim of the Holder or its successors with respect to such property shall be cancelled, released, discharged, and forever barred notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property Laws, or any provisions in any document governing the distribution that is an unclaimed distribution, to the contrary, and the Claim of any Holder of Claims and Interests to such property or Interest in property shall be discharged and forever barred. The Disbursing Agent shall adjust the distributions of the New Common Interests to reflect any such cancellation; however, for the avoidance of doubt, additional Securities shall not be issued to other Holders of Claims due to any such cancellations.

9.4.5 Surrender of Canceled Instruments or Securities

On the Effective Date or as soon as reasonably practicable thereafter, each holder of a certificate or instrument evidencing a Claim or an Interest that has been cancelled in accordance with Article IV.F of the Prepackaged Plan shall be deemed to have surrendered such certificate or instrument to the Disbursing Agent. Such surrendered certificate or instrument shall be cancelled solely with respect to the Debtors, and such cancellation shall not alter the obligations or rights of any non-Debtor third parties vis-à-vis one another with respect to such certificate or instrument, including with respect to any indenture or agreement that governs the rights of the Holder of a Claim or Interest, which shall continue in effect for purposes of allowing holders to receive distributions under the Prepackaged Plan, charging liens, priority of payment, and indemnification

rights. Notwithstanding anything to the contrary herein, this paragraph shall not apply to certificates or instruments evidencing Claims that are Reinstated under the Prepackaged Plan.

9.4.6 Delivery of Distributions to Allowed Prepetition Convertible Note Claims, Allowed Prepetition Term Loan Claims, and DIP Claims

Except as otherwise reasonably requested by the applicable Agents/Trustees, all distributions to holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims shall be deemed completed when made to the applicable Agents/Trustees. The Agents/Trustees shall hold or direct such distributions for the benefit of the holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims,, as applicable. As soon as practicable in accordance with the requirements set forth in Article VI of the Prepackaged Plan, the Agents/Trustees shall arrange to deliver such distributions to or on behalf of its holders, subject to the Agents/Trustees' charging lien. The Agents/Trustees may, if applicable, transfer or direct the transfer of such distributions directly through the facilities of DTC (whether by means of bookentry exchange, free delivery or otherwise) and will be entitled to recognize and deal for all purposes under the Prepackaged Plan with holders of Allowed DIP Claims, Allowed Prepetition Term Loan Claims, and Allowed Prepetition Convertible Notes Claims, to the extent consistent with the customary practices of DTC. If the Agents/Trustees are unable to make, or the Agents/Trustees consent to the Disbursing Agent making such distributions, the Disbursing Agent, with the Agents/Trustees' cooperation, shall make such distributions to the extent practicable to do so; provided that until such distributions are made, the Agents/Trustees' charging lien shall attach to the property to be distributed in the same manner as if such distributions were made through the Agents/Trustees. The Agents/Trustees or the Disbursing Agent, as applicable, shall seek the cooperation of DTC so that any distribution on account of an Allowed Prepetition Convertible Notes Claim that is held in the name of, or by a nominee of, DTC, shall be made through the facilities of DTC on the Effective Date or as soon as practicable thereafter.

9.5 Manner of Payment

- 1. All distributions of the New Common Interests to the holders of the applicable Allowed Claims under the Prepackaged Plan shall be made by the Disbursing Agent on behalf of the Debtors or the Reorganized Debtors, as applicable.
- 2. All distributions of Cash to the holders of the applicable Allowed Claims under the Prepackaged Plan shall be made by the Disbursing Agent on behalf of the applicable Debtor or Reorganized Debtor, as applicable.
- 3. At the option of the Disbursing Agent, any Cash payment to be made under the Prepackaged Plan may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

9.6 Compliance With Tax Requirements

In connection with the Prepackaged Plan, to the extent applicable, the Debtors, Reorganized Debtors, the Disbursing Agent, and any applicable withholding agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit,

and all distributions made pursuant to the Prepackaged Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Prepackaged Plan to the contrary, such parties shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Prepackaged Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors and the Reorganized Debtors reserve the right to allocate all distributions made under the Prepackaged Plan in compliance with all applicable wage garnishments, alimony, child support, and similar spousal awards, Liens, and encumbrances.

9.7 Allocations

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

9.8 No Postpetition Interest on Claims

Unless otherwise specifically provided for in the Prepackaged Plan, the Confirmation Order, the DIP Orders, any other order of the Bankruptcy Court, or required by applicable bankruptcy and non-bankruptcy Law, postpetition interest shall not accrue or be paid on any prepetition Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on such Claim; provided that this section shall not apply to DIP Claims and Prepetition Term Loan Claims.

9.9 Foreign Currency Exchange Rate

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

9.10 Setoffs and Recoupment

Except as expressly provided in the Prepackaged Plan, each Reorganized Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim (other than DIP Claims and Prepetition Term Loan Claims), any and all claims, rights, and Causes of Action that such Reorganized Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (1) agreed in amount among the relevant Reorganized Debtor(s) and the Holder of the Allowed Claim or (2) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Reorganized Debtor or its successor of any and all claims, rights, and Causes of Action that such Reorganized Debtor or its successor may possess against the applicable holder. In no event shall any Holder of a Claim be entitled to recoup such Claim against any claim, right, or Cause of Action of the Debtors or the

Reorganized Debtors, as applicable, unless such holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Prepackaged Plan on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such holder asserts, has, or intends to preserve any right of recoupment.

9.11 Claims Paid or Payable by Third Parties

9.11.1 Claims Paid by Third Parties/Insurers

The Debtors or the Reorganized Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor, or a Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Reorganized Debtor to the extent the holder's total recovery on account of such Claim from the third party and under the Prepackaged Plan exceeds the amount of such Claim as of the date of any such distribution under the Prepackaged Plan. The failure of such holder to timely repay or return such distribution shall result in the holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is repaid.

9.11.2 Claims Payable by Third Parties

Other than with respect to any Claims of the Consenting Creditors or the DIP Lenders, no distributions under the Prepackaged Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

9.11.3 Applicability of Insurance Policies

Except as otherwise provided in the Prepackaged Plan, distributions to holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Prepackaged Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

X. PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

10.1 Disputed Claims Process

In light of the Unimpaired status of all Allowed General Unsecured Claims under the Prepackaged Plan, there is no requirement to file a Proof of Claim (or move the Bankruptcy Court for allowance) to have a Claim Allowed for the purposes of the Prepackaged Plan, except as provided in Article V.B of the Prepackaged Plan or Article V.C with respect to a Cure amount, and the Debtors or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) shall determine, adjudicate, and resolve any disputes over the validity and amounts of such Claims in the ordinary course of business as if the Chapter 11 Cases had not been commenced (and no approval or authority from the Bankruptcy Court shall be required) except that (unless expressly waived pursuant to the Prepackaged Plan) the Allowed amount of such Claims shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code, to the extent applicable.

On and after the Effective Date, except as otherwise provided in the Prepackaged Plan, all Allowed Claims shall be satisfied in the ordinary course of business by the Reorganized Debtors. The Debtors and/or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) shall have the exclusive authority to (i) determine, without the need for notice to or action, order, or approval of the Bankruptcy Court, that a claim subject to any Proof of Claim that is Filed is Allowed and (ii) file, settle, compromise, withdraw, or litigate to judgment any objections to Claims as permitted under the Prepackaged Plan. If the Debtors or Reorganized Debtors dispute any Claim, such dispute shall be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced and shall survive the Effective Date as if the Chapter 11 Cases had not been commenced; provided that the Debtors or Reorganized Debtors may elect, at their sole option, to object to any Claim (other than Claims expressly Allowed by the Prepackaged Plan) and to have the validity or amount of any Claim adjudicated by the Bankruptcy Court; provided further that holders of Claims may elect to resolve the validity or amount of any Claim in the Bankruptcy Court. All Proofs of Claim Filed in the Chapter 11 Cases shall be deemed objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim filed against the Debtors, regardless of the time of filing, and including Proofs of Claim filed after the Effective Date, shall be deemed withdrawn and expunged, except as otherwise provided herein. Notwithstanding anything in the Prepackaged Plan to the contrary, disputes regarding the amount of any Cure pursuant to section 365 of the Bankruptcy Code and Claims that the Debtors seek to have determined by the Bankruptcy Court, shall in all cases be determined by the Bankruptcy Court. Except as otherwise provided herein, all Proofs of Claim Filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.

10.2 Allowance of Claims

After the Effective Date, except as otherwise expressly set forth in the Prepackaged Plan, each of the Reorganized Debtors shall have and retain any and all rights and defenses such Debtor

had with respect to any Claim or Interest immediately prior to the Effective Date. The Debtors or the Reorganized Debtors, as applicable, may affirmatively determine to deem Unimpaired Claims Allowed to the same extent such Claims would be allowed under applicable non-bankruptcy Law, without further notice or order from the Bankruptcy Court.

10.3 Claims Administration Responsibilities

Except as otherwise specifically provided in the Prepackaged Plan, after the Effective Date, the Reorganized Debtors, in consultation with the Required Consenting Creditors, shall have the exclusive authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to Article IV.L of the Prepackaged Plan.

Any objections to Proofs of Claims (other than Administrative Claims) shall be served and Filed (a) on or before the date that is one hundred and eighty days following the later of (i) the Effective Date and (ii) the date that a Proof of Claim is Filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a Holder of a Claim or (b) such later date as ordered by the Bankruptcy Court.

10.4 Estimation of Claims and Interests

Before, on, or after the Effective Date, the Debtors or the Reorganized Debtors, as applicable, (with the consent of the Required Consenting Creditors) may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party in interest previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or Interest or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Prepackaged Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Prepackaged Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim or Interest.

10.5 Adjustment to Claims or Interests without Objection

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

10.6 Disallowance of Claims or Interests

Except as otherwise expressly set forth herein, all Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be disallowed if: (a) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order. No payment or distribution shall be made on account of such Claim or Interest unless the transferee has paid or turned over such property.

10.7 No Distribution Pending Allowance

Notwithstanding any other provision of the Prepackaged Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest; *provided* that if only the Allowed amount of an otherwise valid Claim or Interest is Disputed, such Claim or Interest shall be deemed Allowed in the amount not Disputed and payment or distribution shall be made on account of such undisputed amount.

10.8 Distribution After Allowance

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of the Prepackaged Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Interest becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim or Interest the distribution (if any) to which such holder is entitled under the Prepackaged Plan as of the Effective Date, without any interest to be paid on account of such Claim or Interest.

XI. SETTLEMENT, RELEASE, INJUNCTION, AND EXCULPATION PROVISIONS

The Prepackaged Plan proposes to release the Released Parties and to exculpate the Exculpated Parties. The Debtors' releases, non-debtor releases, and exculpation provisions included in the Prepackaged Plan are an integral part of the Debtors' overall restructuring efforts and were an essential element of the negotiations among the Debtors and the Consenting Creditors

in obtaining their support for the Prepackaged Plan pursuant to the terms of the Restructuring Support Agreement.

The Released Parties and the Exculpated Parties have made substantial and valuable contributions to the Debtors' restructuring through efforts to negotiate and implement the Prepackaged Plan, which will maximize and preserve the going-concern value of the Debtors for the benefit of all parties in interest. Accordingly, each of the Released Parties and the Exculpated Parties warrants the benefit of the release and exculpation provisions.

IMPORTANTLY, SUBJECT TO BANKRUPTCY COURT APPROVAL, IN ADDITION TO OTHER "RELEASING PARTIES" AS DEFINED IN THE PREPACKAGED PLAN, ALL HOLDERS OF CLAIMS OR INTERESTS WHO DO NOT AFFIRMATIVELY AND VALIDLY OPT OUT OF THE RELEASES CONTAINED IN THE PREPACKAGED PLAN ARE ALSO INCLUDED IN THE DEFINITION OF "RELEASING PARTIES" AND WILL BE DEEMED TO HAVE EXPRESSLY, UNCONDITIONALLY, GENERALLY, INDIVIDUALLY, AND COLLECTIVELY RELEASED AND DISCHARGED ALL CLAIMS AND CAUSES OF ACTION AGAINST THE DEBTORS AND THE RELEASED PARTIES, EVEN IF SUCH HOLDER IS DEEMED TO REJECT OR DOES AFFIRMATIVELY REJECT THE PREPACKAGED PLAN. THE RELEASES ARE AN INTEGRAL ELEMENT OF THE PREPACKAGED PLAN.

The release, exculpation, and injunction provisions that are contained in the Prepackaged Plan are copied in pertinent part below.

11.1 Discharge of Claims and Termination of Interests

Pursuant to and to the fullest extent permitted by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Definitive Documents, the Prepackaged Plan, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Prepackaged Plan, the distributions, rights, and treatment that are provided in the Prepackaged Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Prepackaged Plan on account of such Claims and Interests. including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Prepackaged Plan. The Confirmation Order shall be a judicial determination of the

discharge of all Claims (other than the Reinstated Claims) and Interests (other than the Intercompany Interests that are Reinstated) subject to the occurrence of the Effective Date.

11.2 Release of Liens

Except as otherwise provided in the Prepackaged Plan, the Restructuring Support Agreement, the Confirmation Order, or in any contract, instrument, release, or other agreement or document amended or created pursuant to the Prepackaged Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Prepackaged Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with the Prepackaged Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Reorganized Debtors and their successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Reorganized Debtors, to release any collateral or other property of any Debtor (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder), and to take such actions as may be reasonably requested by the Reorganized Debtors to evidence the release of such Liens and/or security interests, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency, records office, or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

To the extent that any Holder of a Secured Claim that has been satisfied or discharged in full pursuant to the Prepackaged Plan, or any agent for such Holder, has filed or recorded publicly any Liens and/or security interests to secure such Holder's Secured Claim, then as soon as practicable on or after the Effective Date, such Holder (or the agent for such Holder) shall take any and all steps requested by the Debtors or the Reorganized Debtors that are necessary or desirable to record or effectuate the cancellation and/or extinguishment of such Liens and/or security interests, including the making of any applicable filings or recordings, and the Reorganized Debtors shall be entitled to make any such filings or recordings on such Holder's behalf.

11.3 Release by the Debtors

As of the Effective Date, except for the rights and remedies that remain in effect from and after the Effective Date to enforce the Prepackaged Plan and the obligations contemplated by the Definitive Documents and the documents in the Plan Supplement or as otherwise provided in any order of the Bankruptcy Court, to the maximum extent permitted by law, for good and valuable consideration, the adequacy of which is hereby confirmed, including the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the Restructuring, on and after the Effective Date, the Released Parties shall be conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by the Debtors, the Reorganized Debtors, and the Debtors' Estates, and each

of their Related Parties, in each case on behalf of themselves and their respective successors, permitted assigns, and representatives and any and all other Persons or Entities that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons or Entities, from any and all claims, interests (including Interests), obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, losses, remedies, contributions, indemnities, costs, or liabilities whatsoever, including any derivative claims or Causes of Action, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or the Debtors' Estates and each of their Related Parties, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, existing or arising, in law, equity, contract, tort, or otherwise, by statute, violations of federal, state, provincial, foreign, or territorial securities laws or otherwise that the Debtors, the Reorganized Debtors, or the Debtors' Estates and each of their Related Parties would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of a Claim or Interest or other Person or Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Reorganized Debtors, the Debtors' Estates, the Chapter 11 Cases, the purchase, sale, issuance, cancellation, or rescission of the purchase of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest, the business or contractual arrangements between the Debtors and any Released Party, the Shareholder Lawsuits, the restructuring of Claims and Interests before or during the Debtors' Chapter 11 Cases, the Restructuring, the DIP Documents, the New Exit Facility, the negotiation, formulation, preparation or consummation of the Prepackaged Plan (including the Plan Supplement), the Definitive Documents, the Restructuring Support Agreement, and any exhibits or documents related thereto, the Solicitation Materials, or the solicitation of votes with respect to the Prepackaged Plan, in all cases based on any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; provided that claims or Causes of Action arising out of or related to any act or omission of a Released Party that constitutes actual fraud, gross negligence, or willful misconduct as determined by a Final Order shall not be released; provided, further, that the releases under section VIII.C of the Prepackaged Plan are subject to determination by the Disinterested Director prior to the Confirmation Hearing that the releases are appropriate and provided, further, that (i) Vidul Prakash, (ii) Saurabh Agarwal, and (iii) any such other persons designated by the Disinterested Director prior to the Confirmation Hearing shall not be a "Released Party."

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Prepackaged Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Released Parties, including the Released Parties' contributions to facilitating the Restructuring Transactions and implementing the Prepackaged Plan; (2) a good faith settlement and compromise of the claims and Causes of Action released by the Debtor Release; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any Claim or Cause of Action of any kind whatsoever released pursuant to the Debtor Release.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of these releases, which includes by reference each of the related provisions and definitions contained in the Prepackaged Plan, and, further, shall constitute the Bankruptcy Court's finding that these releases are: (1) essential to the confirmation of the Prepackaged Plan; (2) given in exchange for the good and valuable consideration provided by the Released Parties, including the Released Parties'

contributions to facilitating the Restructuring Transactions and implementing the Prepackaged Plan; (3) a good faith settlement and compromise of the claims and Causes of Action released by these releases; (4) in the best interests of the Debtors and their Estates; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any of the Releasing Parties asserting any claim or Cause of Action of any kind whatsoever released pursuant to these releases.

11.5 Exculpation

Effective as of the Effective Date, to the fullest extent permissible under applicable Law and without affecting or limiting the releases set forth in Articles VIII.C and VIII.D of the Prepackaged Plan, and except as otherwise specifically provided in the Prepackaged Plan or the Confirmation Order, no Exculpated Party shall have or incur liability for, and each Exculpated Party shall be released and exculpated from any Cause of Action or any claim arising from the Petition Date through the Effective Date related to any act or omission in connection with, relating to, or arising out of, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, entry into, or filing of, as applicable the Chapter 11 Cases, the Restructuring Support Agreement, the Disclosure Statement, the Prepackaged Plan (including the Plan Supplement), the DIP Facility, the DIP Documents, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement or the Prepackaged Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Prepackaged Plan, including the issuance of Securities pursuant to the Prepackaged Plan, or the distribution of property under the Prepackaged Plan or any other related agreement (excluding, for the avoidance of doubt, providing any legal opinion effective as of the Effective Date requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Prepackaged Plan), except for claims or Causes of Action related to any act or omission that is determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Prepackaged Plan. The Exculpated Parties have, and upon Consummation of the Prepackaged Plan shall be deemed to have, participated in good faith and in compliance with the applicable Laws with regard to the solicitation of votes and distribution of consideration pursuant to the Prepackaged Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable Law, rule, or regulation governing the solicitation of acceptances or rejections of the Prepackaged Plan or such distributions made pursuant to the Prepackaged Plan. Notwithstanding the foregoing, the exculpation shall not release any obligation or liability of any Entity for any post-Effective Date obligation under the Prepackaged Plan or any document, instrument or agreement (including those set forth in the Plan Supplement) executed to implement the Prepackaged Plan.

The Exculpated Parties and other parties set forth above have, and upon confirmation of the Prepackaged Plan shall be deemed to have, participated in good faith and in compliance with the applicable Laws with regard to the solicitation of votes and distribution of consideration pursuant to the Prepackaged Plan and, therefore, are not, and on account

of such distributions shall not be, liable at any time for the violation of any applicable Law, rule, or regulation governing the solicitation of acceptances or rejections of the Prepackaged Plan or such distributions made pursuant to the Prepackaged Plan.

Solely with respect to the exculpation provision, notwithstanding anything to the contrary in the Prepackaged Plan or Plan Supplement, each of the Section 1125(e) Exculpated Parties shall not incur liability for any Cause of Action or claim related to any act or omission in connection with, relating to, or arising out of, in whole or in part, (a) the solicitation of acceptance or rejection of the Prepackaged Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code or (b) the participation, in good faith and in compliance with the applicable provisions of the Bankruptcy Code, in the offer, issuance, sale, or purchase of a security, offered or sold under the Prepackaged Plan. No Entity or Person may commence or pursue a claim or Cause of Action of any kind against any of the Exculpated Parties or the Section 1125(e) Exculpated Parties that arose or arises from, in whole or in part, a claim or Cause of Action subject to this paragraph, without this Bankruptcy Court (i) first determining, after notice and a hearing, that such claim or Cause of Action represents a colorable claim for actual fraud, gross negligence, or willful misconduct against any such Exculpated Party or Section 1125(e) Exculpated Party and such party is not exculpated pursuant to this provision; and (ii) specifically authorizing such Entity or Person to bring such claim or Cause of Action against such Exculpation Party or Section 1125(e) Exculpation Party. The Bankruptcy Court will have sole and exclusive jurisdiction to adjudicate the underlying colorable claim or Causes of Action.

11.6 Injunction

Except as otherwise expressly provided in the Prepackaged Plan, or for obligations issued or required to be paid pursuant to the Prepackaged Plan or the Confirmation Order, all Entities that have held, hold, or may hold claims, interests, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, liens, losses, remedies, contributions, indemnities, costs, or liabilities that have been settled, released, discharged, or exculpated under the Prepackaged Plan or the Confirmation Order (collectively, the "Enjoined Matters") are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to the Enjoined Matters (including the Shareholder Lawsuits); (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to the Enjoined Matters; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to the Enjoined Matters; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to the Enjoined Matters unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable Law or otherwise; and (5) commencing or continuing in any manner

any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests released or settled pursuant to the Prepackaged Plan.

No Person or Entity may commence, continue, amend, or pursue a claim or Cause of Action, as applicable, of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a claim or Cause of Action, subject to Article VIII.C, Article VIII.D, Article VIII.E, and Article VIII.F of the Prepackaged Plan, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such claim or Cause of Action, represents a colorable claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such claim or Cause of Action, as applicable, against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party, as applicable. At the hearing for the Bankruptcy Court to determine whether such claim or Cause of Action represents a colorable claim of any kind, the Bankruptcy Court may, or shall if any Debtor, Reorganized Debtor, Exculpated Party, Released Party, or other party in interest requests by motion (oral motion being sufficient), direct that such Person or Entity seeking to commence or pursue such claim or Cause of Action file a proposed complaint with the Bankruptcy Court embodying such claim or Cause of Action, such complaint satisfying the applicable Rules of Federal Procedure, including, but not limited to, Rule 8 and Rule 9 (as applicable), which the Bankruptcy Court shall assess before making a determination.

The Bankruptcy Court will have sole and exclusive jurisdiction to adjudicate the underlying colorable claim or Causes of Action.

11.7 Independent Investigation

As explained above, the Prepackaged Plan contains releases of direct and derivative claims of the Debtors against the Released Parties. Such releases are a condition of the Restructuring Support Agreement and the Prepackaged Plan. The Consenting Creditors have all conditioned their participation and support of the Restructuring on the inclusion and approval by the Bankruptcy Court of the releases contained in the Prepackaged Plan. Further, pursuant to the Prepackaged Plan, the Holders of Prepetition Term Loan Claims and the Prepetition Convertible Notes Claims will receive 100% of the New Common Interests, and accordingly, indirectly own all or substantially all of the assets of the Reorganized Debtors, including any and all retained rights, claims, and causes of action of the Debtors, including those against the Released Parties, and have agreed to cause the Reorganized Debtors to release such claims upon the consummation of the Prepackaged Plan. Notably, the Prepackaged Plan also assumes certain of the Debtors' indemnification obligations and leaves them unimpaired. As a result, the Reorganized Debtors will continue to indemnify and advance expenses (including attorney's fees) to certain current and former directors and officers, in accordance with the Debtors' organizational documents.

Accordingly, the decision to include the releases is a critical component of the Debtors' agreement to enter into the Restructuring Transactions; however, certain of the Debtors' directors and officers potentially stand to benefit from such releases. Thus, the Company determined to appoint a new independent director to evaluate such decision and make a recommendation to the Board and/or approve such releases.

As set forth above, on February 21, 2024, the Board appointed Patrick J. Bartels, Jr. as the Disinterested Director. The Debtors have initiated a due diligence and review process of their potential claims and causes of action to evaluate whether the Debtor Releases are appropriate (the "Diligence Process"). The Diligence Process remains subject to the completion of an ongoing independent investigation (the "Independent Investigation") which will report its findings and communicate with the Disinterested Director, having been appointed to oversee the Independent Investigation. As a preliminary matter, the Debtors believe that the Debtor Releases satisfy the business judgment standard. Subject to the completion of the Independent Investigation, the Debtors believe that the Debtor Releases are reasonable and that it is reasonable to release the Released Parties in exchange for the material benefits already received and those that the Debtors and their Estates will receive through the Prepackaged Plan; however, if the findings of the Independent Investigation determine otherwise, the Debtors will need to evaluate whether to exercise their fiduciary out pursuant to the Restructuring Support Agreement. In addition, the releases given by the Releasing Parties (the "Non-Debtor Releases") are a necessary part of the Prepackaged Plan, an integral element of the Restructuring, and part of the consideration that induced the parties to enter into the Restructuring Support Agreement. With respect to the limited Non-Debtor Releases set forth in the Prepackaged Plan, the Debtors believe that such releases are appropriate and may become binding in accordance with the Bankruptcy Code and applicable law. Parties who are given an opportunity to opt out of the Non-Debtor Releases and do not opt out may be deemed to consent to such releases under applicable law.

If the Bankruptcy Court determines that any of the Non-Debtor Releases by the Releasing Parties are not consensual, the Debtors reserve the right to demonstrate at the Confirmation Hearing that the Released Parties are nevertheless entitled to such releases because, among other things, they have made substantial and valuable contributions to the Debtors' Estates for the benefit of all economic parties in interest. In addition, the Debtors believe that the exculpation provisions are appropriately limited to the Exculpated Parties' participation in the Chapter 11 Cases and have carve outs for acts or omissions that are determined by a Final Order to have constituted fraud or willful misconduct. Accordingly, the Debtors believe that each of the Exculpated Parties warrant the benefit of the exculpation provision provided in the Prepackaged Plan and, subject to the completion of the Diligence Process, the Debtors believe that each of the Released Parties warrant the benefit of the Debtor Releases.

The Debtors believe that the release and exculpation provisions in the Prepackaged Plan, including the Non-Debtor Releases and the Debtor Releases (subject to the conclusion of the Independent Investigation, and the ultimate findings thereof), are necessary and appropriate and meet the requisite legal standard promulgated by the United States Court of Appeals for the Third Circuit.

11.8 Treatment of Prepetition Litigation

If the releases set forth in the Prepackaged Plan are approved by the Bankruptcy Court, the Debtors believe that such releases will impact the prepetition litigation against the Debtors and certain of their directors and officers. To the extent that such litigation includes direct claims against the Debtors' current and former directors and officers, those claims will be discharged by the Prepackaged Plan. To the extent that such litigation includes direct claims against the Debtors that rank *pari passu* with General Unsecured Claims, such litigation and claims will not be

impaired by the Prepackaged Plan, except insofar as such litigation includes derivative claims being released by the Debtors. To the extent that litigation claims against the Debtors are subordinated pursuant to section 510(b) of the Bankruptcy Code, such litigation claims are treated under the Prepackaged Plan as ranking *pari passu* with Interests in the Debtors and will be discharged under the Prepackaged Plan and receive no recovery; however, any direct claims against non-Debtor third parties will not be impaired by the Prepackaged Plan, except to the extent that they may be released by the Non-Debtor Releases, as noted above. A summary of the material litigation against the Debtors which may or will be impaired by the Prepackaged Plan is listed below:

- Certain directors and officers of the Debtors have been named as defendants in one consolidated shareholder derivative action and two putative class action lawsuits.
- The consolidated shareholder derivative action is brought on behalf of Parent and is pending in the Court of Chancery of the State of Delaware (the "Consolidated Action"). The plaintiffs in the Consolidated Actions assert claims under sections 10(b) and 20(a) of the Securities Exchange Act of 1934 (the "Exchange Act") against certain of the directors and officers of the Debtors in connection with alleged breaches of fiduciary duties, unjust enrichment, and waste of corporate assets. These allegations related to *inter alia*, actions and disclosures in connection with actions and disclosures in connection with the business combination between legacy View, Inc. and CF II.
- One putative class action is brought on behalf of a purported class of plaintiffs who purchased or otherwise acquired or the publicly traded common stock of Parent and CF II between November 30, 2020 and May 10, 2022 (both dates inclusive), were holders of CF II common stock as of January 27, 20221, or who purchased or otherwise acquired Parent securities pursuant to or traceable to the Form S-4 Registration Statement filed by CF II on December 23, 2020, and is pending in the United States District Court for the Northern District of California (the "Mehedi Action"). The Plaintiffs in the Mehedi Action assert claims under Sections 10(b) (and Rule 10b-5 thereunder), 14(a) (and Rule 14a-9 thereunder), and 20(a) of the Exchange Act in connection with disclosures related to the Company's warranty-related obligations and cost of revenue.
- The other putative class action is brought on behalf of a purported class of plaintiffs of similarly situated current and former stockholders of View, and is pending in the Court of Chancery of the State of Delaware (the "Siseles Action"). The plaintiffs in the Siseles Action assert claims of breach of fiduciary duty, aiding and abetting certain breaches of fiduciary duty, and unjust enrichment against certain of CF II's former directors and officers. These allegations relate to *inter alia*, actions and disclosures in connection with the business combination between legacy View, Inc. and CF II.

11.9 Protections Against Discriminatory Treatment

Constitution, all Entities, including Governmental Units, shall not discriminate against the Reorganized Debtors, or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

11.10 Document Retention

On and after the Effective Date, the Reorganized Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Reorganized Debtors.

11.11 Reimbursement or Contribution

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (1) such Claim has been adjudicated as non-contingent or (2) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

12.2 Waiver of Conditions

Except as otherwise specified in the Prepackaged Plan or the Restructuring Support Agreement, any one or more of the conditions to Consummation (or component thereof) set forth in Article IX of the Prepackaged Plan (other than entry of the Confirmation Order) may be waived by the Debtors with the prior written consent of the Required Consenting Creditors, without notice, leave, or order of the Bankruptcy Court or any formal action other than proceedings to confirm or consummate the Prepackaged Plan.

12.3 Effect of Failure of Conditions

If Consummation does not occur as to any Debtor, the Prepackaged Plan shall be null and void in all respects as to such Debtor and nothing contained in the Prepackaged Plan, this Disclosure Statement or Restructuring Support Agreement as to such Debtor shall: (1) constitute a waiver or release of any Claims by the Debtors, any Holders of Claims or Interests or any other Entity; (2) prejudice in any manner the rights of the Debtors, any holders of Claims or Interests,

or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any holders of Claims or Interests, or any other Entity.

12.4 Substantial Consummation

"Substantial Consummation" of the Prepackaged Plan, as defined in 11 U.S.C. § 1101(2), shall be deemed to occur on the Effective Date.

XIII. MODIFICATION, REVOCATION OR WITHDRAWAL OF THE PLAN

13.1 Modification and Amendments

Except as otherwise specifically provided in the Prepackaged Plan and subject to the consent rights set forth in the Restructuring Support Agreement, the Debtors reserve the right to modify the Prepackaged Plan, whether such modification is material or immaterial, and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not resolicit votes on such modified Prepackaged Plan. Subject to those restrictions on modifications set forth in the Prepackaged Plan and the requirements of section 1127 of the Bankruptcy Code, Rule 3019 of the Federal Rules of Bankruptcy Procedure, and, to the extent applicable, sections 1122, 1123, and 1125 of the Bankruptcy Code, each of the Debtors expressly reserves its respective rights to revoke or withdraw, or to alter, amend, or modify the Prepackaged Plan with respect to such Debtor, one or more times, after Confirmation, and, to the extent necessary may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Prepackaged Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Prepackaged Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Prepackaged Plan.

13.2 Effect of Confirmation on Modifications

Entry of the Confirmation Order shall mean that all modifications or amendments to the Prepackaged Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

13.3 Revocation or Withdrawal of Prepackaged Plan

To the extent permitted by the Restructuring Support Agreement and subject to the consent of the Required Consenting Creditors, the Debtors reserve the right to revoke or withdraw the Prepackaged Plan prior to the Confirmation Date and to File subsequent plans of reorganization. If the Debtors revoke or withdraw the Prepackaged Plan, or if Confirmation or Consummation does not occur, then: (1) the Prepackaged Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Prepackaged Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected under the Prepackaged Plan, and any document or agreement executed pursuant to the Prepackaged Plan, shall be deemed null and void; and (3) nothing contained in the Prepackaged Plan shall: (a) constitute a waiver or release of any Claims or Interests; (b) prejudice in any manner the rights of such Debtor or any other Entity; or

(c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor or any other Entity.

XIV. RETENTION OF JURISDICTION

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, or relating to, the Chapter 11 Cases and the Prepackaged Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, and to the fullest extent permissible by 28 U.S.C. § 1334 to hear, and by 28 U.S.C. § 157 to determine, all proceedings in respect thereof, including, without limitation, for the following purposes:

- (a) allow, disallow, determine, liquidate, classify, estimate, or establish the priority, secured or unsecured status, or amount of any Claim or Interest, and the resolution of any and all objections to the secured or unsecured status, priority, amount, or allowance of Claims or Interests;

XV. MISCELLANEOUS PROVISIONS OF THE PREPACKAGED PLAN

15.1 Immediate Binding Effect

Subject to Article IX.A of the Prepackaged Plan and notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Prepackaged Plan (including, for the avoidance of doubt, the documents and instruments contained in the Plan Supplement) shall be immediately effective and enforceable and deemed binding upon the Debtors, the Reorganized Debtors, any and all holders of Claims or Interests (irrespective of whether such holders of Claims or Interests have, or are deemed to have accepted the Prepackaged Plan), all Entities that are parties to or are subject to the settlements, compromises,

releases, discharges, and injunctions described in the Prepackaged Plan, each Entity acquiring property under the Prepackaged Plan, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the Debtors.

15.2 Additional Documents

On or before the Effective Date, and consistent in all respects with the terms of the Restructuring Support Agreement, the Debtors may file with the Bankruptcy Court such agreements and other documents as may be necessary to effectuate and further evidence the terms and conditions of the Prepackaged Plan and the Restructuring Support Agreement. The Debtors or the Reorganized Debtors, as applicable, and all holders of Claims or Interests receiving distributions pursuant to the Prepackaged Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Prepackaged Plan.

15.3 Payment of Statutory Fees

All fees payable pursuant to section 1930(a) of the Judicial Code shall be paid by each of the Reorganized Debtors (or the Disbursing Agent on behalf of each of the Reorganized Debtors) for each quarter (including any fraction thereof) until the earlier of entry of a final decree closing such Chapter 11 Cases or an order of dismissal or conversion, whichever comes first.

15.4 Statutory Committee and Cessation of Fee and Expense Payment

On the Confirmation Date, any statutory committee appointed in the Chapter 11 Cases shall dissolve and members thereof shall be released and discharged from all rights and duties from or related to the Chapter 11 Cases. The Reorganized Debtors shall no longer be responsible for paying any fees or expenses incurred by the members of or advisors to any statutory committees after the Confirmation Date.

15.5 Reservation of Rights

Except as expressly set forth in the Prepackaged Plan, the Prepackaged Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order, and the Confirmation Order shall have no force or effect if the Effective Date does not occur. None of the Filing of the Prepackaged Plan, any statement or provision contained in the Prepackaged Plan, or the taking of any action by any Debtor with respect to the Prepackaged Plan, this Disclosure Statement, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Debtor with respect to the holders of Claims or Interests prior to the Effective Date.

15.6 Successors and Assigns

The rights, benefits, and obligations of any Entity named or referred to in the Prepackaged Plan shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor or assign, Affiliate, officer, manager, director, agent, representative, attorney, beneficiaries, or guardian, if any, of each Entity.

15.7 Notices

All notices, requests, and demands to or upon the Debtors to be effective shall be in writing (including by facsimile transmission) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

After the Effective Date, the Reorganized Debtors have the authority to send a notice to Entities that to continue to receive documents pursuant to Bankruptcy Rule 2002, such Entity must file a renewed request to receive documents pursuant to Bankruptcy Rule 2002. After the Effective Date, the Reorganized Debtors are authorized to limit the list of Entities receiving documents pursuant to Bankruptcy Rule 2002 to those Entities who have Filed such renewed requests.

15.8 Term of Injunction or Stays

Unless otherwise provided in the Prepackaged Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Prepackaged Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Prepackaged Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

15.9 Entire Agreement

Except as otherwise indicated, and without limiting the effectiveness of the Restructuring Support Agreement, the Prepackaged Plan (including, for the avoidance of doubt, the documents and instruments in the Plan Supplement) supersedes all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Prepackaged Plan.

15.10 Plan Supplement

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Prepackaged Plan as if set forth in full in the Prepackaged Plan. After the exhibits and documents are Filed, copies of such exhibits and documents shall be available upon written request to the Debtors' counsel at the address above or by downloading such exhibits and documents from the Debtors' restructuring website at https://cases.ra.kroll.com/View/, or the Bankruptcy Court's https://cases.ra.kroll.com/View/, or the Bankruptcy

15.11 Severability of Prepackaged Plan Provisions

If, prior to Confirmation, any term or provision of the Prepackaged Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Prepackaged Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Prepackaged Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Prepackaged Plan and may not be deleted or modified without the Debtors' or Reorganized Debtors' consent, as applicable; and (3) non-severable and mutually dependent.

15.12 Votes Solicited in Good Faith

Upon entry of the Confirmation Order, the Debtors will be deemed to have solicited votes on the Prepackaged Plan in good faith and in compliance with section 1125(g) of the Bankruptcy Code, and pursuant to section 1125(e) of the Bankruptcy Code, the Debtors and each of their respective Affiliates, agents, representatives, members, principals, stockholders, officers, directors, employees, advisors, and attorneys will be deemed to have participated in good faith and

in compliance with the Bankruptcy Code in the offer, issuance, sale, and purchase of securities offered and sold under the Prepackaged Plan and any previous plan, and, therefore, neither any of such parties or individuals or the Reorganized Debtors will have any liability for the violation of any applicable Law, rule, or regulation governing the solicitation of votes on the Prepackaged Plan or the offer, issuance, sale, or purchase of the Securities offered and sold under the Prepackaged Plan and any previous plan.

15.13 Closing of Chapter 11 Cases

The Reorganized Debtors shall, promptly after the full administration of the Chapter 11 Cases, File with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

15.14 Waiver or Estoppel

Each Holder of a Claim or an Interest shall be deemed to have waived any right to assert any argument, including the right to argue that its Claim or Interest should be Allowed in a certain amount, in a certain priority, secured or not subordinated by virtue of an agreement made with the Debtors or their counsel, or any other Entity, if such agreement was not disclosed in the Prepackaged Plan, this Disclosure Statement, or papers Filed with the Bankruptcy Court prior to the Confirmation Date.

15.15 Creditor Default

An act or omission by a Holder of a Claim or an Interest (other than the Consenting Creditors or DIP Lenders) in contravention of the provisions of the Prepackaged Plan shall be deemed an event of default under the Prepackaged Plan. Upon an event of default, the Reorganized Debtors may seek to hold the defaulting party in contempt of the Confirmation Order and shall be entitled to reasonable attorneys' fees and costs of the Reorganized Debtors in remedying such default. Upon the finding of such a default by a creditor, the Bankruptcy Court may: (a) designate a party to appear, sign and/or accept the documents required under the Prepackaged Plan on behalf of the defaulting party, in accordance with Bankruptcy Rule 7070; (b) enforce the Prepackaged Plan by order of specific performance; (c) award judgment against such defaulting creditor in favor of the Reorganized Debtor in an amount, including interest, to compensate the Reorganized Debtors for the damages caused by such default; and (d) make such other order as may be equitable that does not materially alter the terms of the Prepackaged Plan.

15.16 Headings

The article and section headings used in the Prepackaged Plan are inserted for convenience and reference only and neither constitutes a part of the Prepackaged Plan nor any manner affects the terms, provisions or interpretation of the Prepackaged Plan.

15.17 Governing Law

Except to the extent the Bankruptcy Code, the Bankruptcy Rules or other federal law is applicable, or to the extent otherwise provided in the Prepackaged Plan, the rights and obligations arising under the Prepackaged Plan, will be governed by, and construed and enforced in accordance

with the laws of Delaware, without giving any effect to the principles of conflicts of law or such jurisdiction.

15.18 Conflicts.

Except as set forth in the Prepackaged Plan, to the extent that any provisions of this Disclosure Statement or any other order (other than the Confirmation Order) referenced in the Prepackaged Plan (or any exhibits, schedules, appendices, supplements or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Prepackaged Plan, the Confirmation Order will govern and control and then the Prepackaged Plan.

XVI. CERTAIN FACTORS TO BE CONSIDERED

PRIOR TO VOTING TO ACCEPT OR REJECT THE PREPACKAGED PLAN, ALL HOLDERS OF CLAIMS THAT ARE IMPAIRED AND ENTITLED TO VOTE SHOULD READ AND CAREFULLY CONSIDER THE FACTORS SET FORTH HEREIN, AS WELL AS ALL OTHER INFORMATION SET FORTH OR OTHERWISE REFERENCED IN THIS DISCLOSURE STATEMENT.

ALTHOUGH THESE RISK FACTORS ARE MANY, THESE FACTORS SHOULD NOT BE REGARDED AS CONSTITUTING THE ONLY RISKS PRESENT IN CONNECTION WITH THE DEBTORS' BUSINESS OR THE PREPACKAGED PLAN AND ITS IMPLEMENTATION.

16.1 General

The following provides a summary of various important considerations and risk factors associated with the Prepackaged Plan; however, it is not exhaustive. In considering whether to vote to accept or reject the Prepackaged Plan, Holders of Claims should read and carefully consider the factors set forth below, as well as all other information set forth or otherwise incorporated by reference in this Disclosure Statement.

16.2 Risks Relating to the Prepackaged Plan and Other Bankruptcy Law Considerations

(a) A Holder of a Claim or Interest May Object to, and the Bankruptcy Court May Disagree With, the Debtors' Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of Claims and Interests under the Prepackaged Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created 11 Classes of Claims and Interests, each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims and Interests in each such Class. However, a Holder of a Claim or Interest could challenge the Debtors' classification. In such an event, the cost of the Chapter 11 Cases and the time needed to confirm the Prepackaged Plan may increase, and there can be no assurance that the Bankruptcy Court will agree with the

Debtors' classification. If the Bankruptcy Court concludes that the classifications of Claims and Interests under the Prepackaged Plan do not comply with the requirements of the Bankruptcy Code, the Debtors may need to modify the Prepackaged Plan. Such modification could require resolicitation of votes on the Prepackaged Plan. The Prepackaged Plan may not be confirmed if the Bankruptcy Court determines that the Debtors' classification of Claims and Interests is not appropriate.

(b) The Debtors May Not Be Able to Satisfy the Voting Requirements for Confirmation of the Prepackaged Plan

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Prepackaged Plan, the Debtors may seek, as promptly as practicable thereafter, Confirmation. If the Prepackaged Plan does not receive the required support from Class 4 or Class 5 the Debtors may elect to amend the Prepackaged Plan, seek to sell their assets pursuant to section 363 of the Bankruptcy Code, or proceed with liquidation. There can be no assurance that the terms of any such alternative chapter 11 plan or sale pursuant to section 363 of the Bankruptcy Code would be similar or as favorable to the Holders of Allowed Claims as the Restructuring Transactions contemplated by the Prepackaged Plan.

(c) Parties in Interest May Object to the Debtors' Classification of Claims and Interests

Bankruptcy Code section 1122 provides that a debtor may place a claim or an equity interest in a particular class under a plan of reorganization only if such claim or equity interest is substantially similar to the other claims or interests in such class. The Debtors believe that the classification of Claims and Interests in the Prepackaged Plan complies with the Bankruptcy Code requirements because the Debtors classified Claims and Interests that are substantially similar to the other Claims and Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

(d) The Bankruptcy Court May Not Confirm the Prepackaged Plan or May Require the Debtors to Re-Solicit Votes with Respect to the Prepackaged Plan

The Debtors cannot assure you that the Prepackaged Plan will be confirmed by the Bankruptcy Court. Section 1129 of the Bankruptcy Code, which sets forth the requirements for confirmation of a plan of reorganization, requires, among other things, a finding by the Bankruptcy Court that the plan of reorganization is "feasible," that all claims and interests have been classified in compliance with the provisions of section 1122 of the Bankruptcy Code, and that, under the plan of reorganization, each holder of a claim or interest within each impaired class either accepts the plan of reorganization or receives or retains cash or property of a value, as of the date the plan of reorganization becomes effective, that is not less than the value such holder would receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code. With respect to any impaired Classes of Claims and Interests that do not accept the plan or are deemed not to accept the Prepackaged Plan, section 1129(b) requires that the plan be fair and equitable (including, without limitation, with respect to the "absolute priority rule") and not discriminate unfairly with respect to such classes. There can be no assurance that the Bankruptcy Court will conclude that

the feasibility test and other requirements of section 1129 of the Bankruptcy Code (including, without limitation, finding that the Prepackaged Plan satisfies the "new value" exception to the absolute priority rule, if applicable) have been met with respect to the Prepackaged Plan. If and when the Prepackaged Plan is filed, there can be no assurance that modifications to the Prepackaged Plan would not be required for Confirmation, or that such modifications would not require a re-solicitation of votes on the Prepackaged Plan.

The Bankruptcy Court could fail to approve this Disclosure Statement and determine that the votes in favor of the Prepackaged Plan should be disregarded. The Debtors then would be required to recommence the solicitation process, which would include re-filing a plan of reorganization and disclosure statement. This process includes a Bankruptcy Court hearing with respect to the required approval of a disclosure statement, followed (after Bankruptcy Court approval) by solicitation of claim and equity interest holder votes for the plan of reorganization, followed by a confirmation hearing at which the Bankruptcy Court will determine whether the requirements for confirmation have been satisfied, including the requisite claim and interest holder acceptances.

If the Prepackaged Plan is not confirmed, the Chapter 11 Cases may be converted into cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate the Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that a chapter 7 liquidation would have on the recoveries of Holders of Claims and Interests and the Debtors' analysis thereof are set forth in the unaudited Liquidation Analysis, attached hereto as **Exhibit D**. The Debtors believe that liquidation under chapter 7 of the Bankruptcy Code would result in, among other things, smaller distributions being made to creditors and interest holders than those provided for in the Prepackaged Plan because of:

- the likelihood that the Debtors' assets would have to be sold or otherwise disposed of in a disorderly fashion over a short period of time rather than reorganizing or selling in a controlled manner, affecting the business as a going concern;
- additional administrative expenses involved in the appointment of a chapter 7 trustee;
- additional expenses and Claims, some of which would be entitled to priority, that would be generated during the liquidation; and
- that the rights of the Debtors and the Holders of General Unsecured Claims are treated as unaltered by the Prepackaged Plan
 - (e) Even if the Debtors Receive All Necessary Acceptances for the Prepackaged Plan to Become Effective, the Debtors May Fail to Meet All Conditions Precedent to Effectiveness of the Prepackaged Plan

Although the Debtors believe that the Effective Date would occur very shortly after the Confirmation Date, there can be no assurance as to such timing.

The Confirmation and Consummation of the Prepackaged Plan are subject to certain conditions that may or may not be satisfied. The Debtors cannot assure you that all requirements for Confirmation and effectiveness required under the Prepackaged Plan will be satisfied. If each condition precedent to Confirmation is not met or waived, the Prepackaged Plan will not be confirmed, and if each condition precedent to Consummation is not met or waived, the Effective Date will not occur. In the event that the Prepackaged Plan is not Confirmed or is not consummated, the Debtors may seek Confirmation of an alternative plan of reorganization.

(f) The Bankruptcy Court May Find the Solicitation of Acceptances Inadequate

Usually, votes to accept or reject a plan of reorganization are solicited after the filing of a petition commencing a chapter 11 case. Nevertheless, a debtor may solicit votes prior to the commencement of a chapter 11 case in accordance with sections 1125(g) and 1126(b) of the Bankruptcy Code and Bankruptcy Rule 3018(b).

Bankruptcy Rule 3018(b) provides that a holder of a claim or interest who has accepted or rejected a plan before the commencement of the case under the Bankruptcy Code will not be deemed to have accepted or rejected the plan if the court finds after notice and a hearing that the plan was not transmitted in accordance with reasonable solicitation procedures. Section 1126(b) of the Bankruptcy Code provides that a holder of a claim or interest that has accepted or rejected a plan before the commencement of a case under the Bankruptcy Code is deemed to have accepted or rejected the plan if (i) the solicitation of such acceptance or rejection was in compliance with applicable nonbankruptcy law, rule or regulation governing the adequacy of disclosure in connection with such solicitation or (ii) there is no such law, rule, or regulation, and such acceptance or rejection was solicited after disclosure to such holder of adequate information (as defined by section 1125(a) of the Bankruptcy Code). While the Debtors believe that the requirements of sections 1125(g) and 1126(b) of the Bankruptcy Code and Bankruptcy Rule 3018(b) will be met, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

(g) There is a Risk of Loss of Support for the Prepackaged Plan

The Prepackaged Plan is currently supported by certain key stakeholders but there is a risk that unforeseen changes in circumstances could result in the loss of support for the Prepackaged Plan by such stakeholders prior to Confirmation and could result in the loss of use of cash collateral by the Debtors under certain circumstances. Any such loss of support could adversely affect the Debtors' ability to confirm and consummate the Prepackaged Plan.

(h) The Bankruptcy Court May Dismiss Some or All of the Chapter 11 Cases

Certain parties in interest may contest the Debtors' authority to commence or prosecute the Chapter 11 Cases. If, pursuant to any such proceeding, the Bankruptcy Court finds that some or all of the Debtors could not commence the Chapter 11 Cases for any reason, the Debtors may be unable to consummate the transactions contemplated by the Prepackaged Plan, and any parties providing exit financing may be unwilling to proceed with such funding. If some or all of the

Chapter 11 Cases are dismissed, the Debtors may be forced to cease operations due to insufficient funding or liquidate their business in another forum to the detriment of all parties in interest.

(i) Parties May Object to the Prepackaged Plan on Account of the Releases, Exculpations, or Injunction Provisions

Any party in interest, including the United States Trustee for the District of Delaware (the "<u>U.S. Trustee</u>"), could object to the Prepackaged Plan on the grounds that, among other things, the (i) debtor release contained Article VIII.C of the Prepackaged Plan is to be given without adequate consideration, (ii) the release contained in Article VIII.D of the Prepackaged Plan is not given consensually or in a permissible nonconsensual manner, (iii) exculpation contained in Article VIII of the Prepackaged Plan extends to non-estate fiduciaries, or (iv) the injunction contained in Article VIII of the Prepackaged Plan is overly broad. In response to such an objection, the Bankruptcy Court could determine that any of these provisions are not valid under the Bankruptcy Code. If the Bankruptcy Court makes such a determination, the Prepackaged Plan could not be confirmed without modifying the Prepackaged Plan to alter or remove the applicable provision. This could result in substantial delay in Confirmation of the Prepackaged Plan or the Prepackaged Plan not being confirmed at all.

(j) The Debtors May Seek to Amend, Waive, Modify, or Withdraw the Prepackaged Plan at Any Time Prior to Confirmation

The Debtors reserve the right, in accordance with the Bankruptcy Code and the Bankruptcy Rules, and consistent with the terms of the Prepackaged Plan, to amend the terms of the Prepackaged Plan or waive any conditions thereto if and to the extent such amendments or waivers are necessary or desirable to consummate the Prepackaged Plan. The potential impact of any such amendment or waiver on the Holders of Claims and Interests cannot presently be foreseen but may include a change in the economic impact of the Prepackaged Plan on some or all of the proposed Classes or a change in the relative rights of such Classes. All Holders of Claims and Interests will receive notice of such amendments or waivers required by applicable law and the Bankruptcy Court. If, after receiving sufficient acceptances, but prior to Confirmation of the Prepackaged Plan, the Debtors seek to modify the Prepackaged Plan, the previously solicited acceptances will be valid only if (1) all classes of adversely affected creditors and interest holders accept the modification in writing, or (2) the Bankruptcy Court determines, after notice to designated parties, that such modification was *de minimis* or purely technical or otherwise did not adversely change the treatment of Holders of accepting Claims and Interests or is otherwise permitted by the Bankruptcy Code.

(k) The Prepackaged Plan May Have Material Adverse Effects on the Debtors' Operations

The solicitation of acceptances of the Prepackaged Plan and commencement of the Chapter 11 Cases could adversely affect the relationships between the Debtors and their respective customers, employees, partners, and other parties. While the Debtors expect to continue normal operations during the Chapter 11 Cases, such adverse effects could materially impair the Debtors' operations and adversely affect the Debtors' ability to reorganize and emerge.

(1) The Debtors Cannot Predict the Amount of Time Spent in Bankruptcy for the Purpose of Implementing the Prepackaged Plan, and Lengthy Bankruptcy Cases Could Disrupt the Debtors' Business, as Well as Impair the Prospect for Reorganization on the Terms Contained in the Prepackaged Plan

While the Debtors believe that the Chapter 11 Cases will be of short duration and will not be materially disruptive to the Company's business, there can be no assurance to such timing and it could last considerably longer than anticipated if, for example, Confirmation is contested or the conditions to Confirmation or Consummation are not satisfied or waived.

Although the Prepackaged Plan is designed to minimize the length of the bankruptcy proceedings, it is impossible to predict with certainty the amount of time that the Debtors may spend in bankruptcy, and the Debtors cannot be certain that the Prepackaged Plan will be confirmed. Even if confirmed on a timely basis, a bankruptcy proceeding to confirm the Prepackaged Plan could itself have an adverse effect on the Debtors' business. There is a risk, due to uncertainty about the Debtors' futures that, among other things:

- customers could move to the Debtors' competitors;
- employees could be distracted from performance of their duties or more easily attracted to other career opportunities; and
- suppliers, vendors, or other business partners could terminate their relationships with the Debtors or demand financial assurances or enhanced performance, any of which could impair the Debtors' future prospects.

A lengthy bankruptcy case also would involve additional expenses and divert the attention of management from the operation of the Debtors' business.

The disruption that the bankruptcy process would have on the Debtors' business could increase with the length of time it takes to complete the Chapter 11 Cases. If the Debtors are unable to obtain Confirmation of the Prepackaged Plan on a timely basis, because of a challenge to the Prepackaged Plan or otherwise, the Debtors may be forced to operate in bankruptcy for an extended period of time while they try to develop a different plan of reorganization that can be confirmed. A protracted bankruptcy case could increase both the probability and the magnitude of the adverse effects described above.

(m) Other Parties in Interest Might Be Permitted to Propose Alternative Plans of Reorganization That May Be Less Favorable to Certain of the Debtors' Constituencies Than the Prepackaged Plan

Other parties in interest could seek authority from the Bankruptcy Court to propose an alternative plan of reorganization to the Prepackaged Plan. Under the Bankruptcy Code, a debtor in possession initially has the exclusive right to propose and solicit acceptances of a plan of reorganization for a period of 120 days from the Petition Date. However, such exclusivity period can be reduced or terminated upon order of the Bankruptcy Court. If such an order were to be

entered, parties in interest other than the Debtors would then have the opportunity to propose alternative plans of reorganization.

If another party in interest were to propose an alternative plan of reorganization following expiration or termination of the Debtors' exclusivity period, such a plan may be less favorable to existing Holders of Claims and Interests.

(n) The Debtors May Be Unsuccessful in Obtaining First Day Orders To Permit Them to Pay Certain Critical Vendors or Employees, or Continue Operating in the Ordinary Course of Business

The Debtors have attempted to address potential concerns of their customers, vendors, employees, and other key parties in interest that might arise from the filing of Chapter 11 Cases through a variety of provisions incorporated into or contemplated by the Prepackaged Plan and relief to be sought at the outset of the Chapter 11 Cases, including the Debtors' intention to seek appropriate Bankruptcy Court orders to permit the Debtors to pay amounts owed to various critical vendors and employee obligations consistent with their ordinary course practices. However, there can be no guarantee that the Debtors will be successful in obtaining the necessary approvals of the Bankruptcy Court for such arrangements or for every party in interest the Debtors may seek to treat in this manner, and, as a result, the Debtors' business might suffer.

(o) The Bankruptcy Court May Not Approve the Debtors' Use of Cash Collateral or the DIP Facility

Upon commencing the Chapter 11 Cases, the Debtors will ask the Bankruptcy Court to authorize the Debtors to enter into postpetition financing arrangements and use cash collateral to fund the Chapter 11 Cases and to provide customary adequate protection to the Prepetition Secured Parties under the applicable prepetition debt documents. Such access to postpetition financing and cash collateral will provide liquidity during the pendency of the Chapter 11 Cases. There can be no assurance that the Bankruptcy Court will approve the DIP Facility or such use of cash collateral on the terms requested. Moreover, if the Chapter 11 Cases take longer than expected to conclude, the Debtors may exhaust their available cash collateral. There is no assurance that the Debtors will be able to obtain an extension of the right to obtain further postpetition financing or use cash collateral, in which case, the liquidity necessary for the orderly functioning of the Debtors' business may be impaired materially.

(p) Certain Claims May Not Be Discharged and Could Have a Material Adverse Effect on the Debtors' Financial Condition and Results of Operations.

The Bankruptcy Code provides that the confirmation of a plan of reorganization discharges a debtor from substantially all debts arising prior to confirmation. With few exceptions, all Claims that arise prior to the Debtors' filing of their petitions or before confirmation of the plan of reorganization (a) would be subject to compromise or treatment under the plan of reorganization or (b) would be discharged in accordance with the terms of the plan of reorganization. Any Claims not ultimately discharged through a plan of reorganization could be asserted against the

reorganized entity and may have an adverse effect on the Reorganized Debtors' financial condition and results of operations on a post-reorganization basis.

(r) Risk of Termination of the Restructuring Support Agreement

The Restructuring Support Agreement contains certain provisions that give the parties thereto the ability to terminate the applicable agreement upon the occurrence or non-occurrence of certain events, including failure to achieve certain milestones in these Chapter 11 Cases or breach of any variance or reporting covenants contemplated thereunder. Termination of the Restructuring Support Agreement could result in protracted Chapter 11 Cases, which could significantly and detrimentally impact the Debtors' relationships with vendors, suppliers, employees, and major customers.

16.3 Risks Relating to the Restructuring Transactions

(a) The Debtors Will Be Subject to Business Uncertainties and Contractual Restrictions Prior to the Effective Date

Uncertainty about the effects of the Prepackaged Plan on employees may have an adverse effect on the Debtors. These uncertainties may impair the Debtors' ability to retain and motivate key personnel and could cause customers and others that deal with the Debtors to defer entering into contracts with the Debtors or making other decisions concerning the Debtors or seek to change existing business relationships with the Debtors. In addition, the Debtors are highly dependent on the efforts and performance of their management team. If key employees depart because of uncertainty about their future roles and potential complexities of the Restructuring Transactions, the Debtors' business, financial condition, liquidity, and results of operations could be adversely affected.

(b) There Is Inherent Uncertainty in the Debtors' Financial Projections Such that the Reorganized Debtors May Not Be Able to Meet the Projections

The Financial Projections attached hereto as **Exhibit F** includes projections for the fiscal years ending December 31, 2024 through December 31, 2027. These projections are based on assumptions that are an integral part of the projections, including Confirmation and Consummation of the Prepackaged Plan in accordance with its terms, the anticipated future performance of the Debtors, industry performance, general business and economic conditions, and other matters, many of which are beyond the control of the Debtors and some or all of which may not materialize.

In addition, unanticipated events and circumstances occurring after the date hereof may affect the actual financial results of the Debtors' operations. These variations may be material and may adversely affect the value of the New Common Interests and the ability of the Reorganized Debtors to make payments with respect to their indebtedness. Because the actual results achieved may vary from projected results, perhaps significantly, the Financial Projections should not be relied upon as a guarantee or other assurance of the actual results that will occur.

Further, during the Chapter 11 Cases, the Debtors expect that their financial results will continue to be volatile as restructuring activities and expenses significantly impact the Debtors'

consolidated financial statements. As a result, the Debtors' historical financial performance likely will not be indicative of their financial performance after the Petition Date. In addition, if the Debtors emerge from the Chapter 11 Cases, the amounts reported in subsequent consolidated financial statements may materially change relative to historical consolidated financial statements, including as a result of revisions to the Debtors' operating plans pursuant to a plan of reorganization. The Debtors also may be required to adopt fresh start accounting, in which case their assets and liabilities will be recorded at fair value as of the fresh start reporting date, which may differ materially from the recorded values of assets and liabilities on the Debtors' consolidated balance sheets. The Debtors' financial results after the application of fresh start accounting also may be different from historical trends.

Lastly, there can be no assurances that the Debtors' business plan will not change, perhaps materially, as a result of decisions that the Reorganized Debtors' boards of directors or managers may make after reevaluating the strategic direction of the Debtors. Any deviations from the Debtors' existing course of business would necessarily cause a deviation from the Financial Projections, and could result in materially different outcomes from those projected.

(c) Failure to Implement the Restructuring Transactions and Confirm and Consummate the Prepackaged Plan Could Negatively Impact the Debtors

If the Restructuring Transactions are not implemented, the Debtors may consider other restructuring alternatives available at that time, which may include the filing of an alternative chapter 11 plan, conversion to chapter 7, commencement of section 363 sales of the Debtors' assets, or any other transaction that would maximize value of the Debtors' estates. Any alternative restructuring proposal may be on terms less favorable to Holders of Claims against and Interests in the Debtors than the terms of the Prepackaged Plan.

Any material delay in Confirmation of the Prepackaged Plan, or the Chapter 11 Cases, or the threat of rejection of the Prepackaged Plan by the Bankruptcy Court, would add substantial expense and uncertainty to the process.

If the Prepackaged Plan is not confirmed and consummated, the ongoing business of the Debtors may be adversely affected and there may be various consequences, including:

- the adverse impact to the Debtors' business caused by the failure to pursue other beneficial opportunities due to the focus on the Restructuring Transactions, without realizing any of the anticipated benefits of the Restructuring Transactions;
- the incurrence of substantial costs by the Debtors in connection with the Restructuring Transactions, without realizing any of the anticipated benefits of the Restructuring Transactions;
- the possibility, for the Debtors, of being unable to repay indebtedness when due and payable; and

• the Debtors pursuing non-prepackaged chapter 11 or chapter 7 proceedings, resulting in recoveries for creditors and interest holders that are less than contemplated under the Prepackaged Plan, or resulting in no recovery for certain creditors and interest holders.

(d) Even if the Restructuring Transactions are Successful, the Debtors Will Continue to Face Risks

The Restructuring Transactions are generally designed to reduce the amount of the Debtors' cash interest expense and improve the Debtors' liquidity and financial and operational flexibility to generate long-term growth. Even if the Restructuring Transactions are implemented, the Reorganized Debtors will continue to face a number of risks, including certain risks that are beyond the Reorganized Debtors' control, such as changes in economic conditions, changes in the Reorganized Debtors' industry, and changes in commodity prices. As a result of these risks and others, there is no guarantee that the Restructuring Transactions will achieve the Debtors' stated goals.

16.4 Risks Relating to the New Common Interests

(a) The Value of the New Common Interests Cannot Be Stated With Certainty

Despite the Debtors' best efforts to value the New Common Interests, various uncertainties and contingencies, including market conditions, the Reorganized Debtors' potential inability to implement operate, develop, and implement a business plan or lack of a market for the New Common Interests may cause fluctuations or variations in value of the New Common Interests not fully accounted for in the Prepackaged Plan. All of these factors are difficult to predict. Actual market prices of such securities at issuance will depend upon, among other things, prevailing interest rates, conditions in the financial markets and other factors that generally influence the prices of securities. Actual market prices of such securities also may be affected by other factors not possible to predict.

(b) The Prepackaged Plan Exchanges Senior Indebtedness for Junior Securities

If the Prepackaged Plan is confirmed and consummated, certain Holders of Claims will receive the New Common Interests. Thus, in agreeing to the Prepackaged Plan, certain of such Holders will be consenting to the exchange of their interests in senior debt, which has, among other things, a stated interest rate, a maturity date, and a liquidation preference over equity securities, for the New Commons Shares, which will be subordinate to all future creditor claims.

(c) A Liquid Trading Market for the New Common Interests May Not Develop

The Debtors make no assurance that liquid trading markets for the New Common Interests will develop. The liquidity of any market for the New Common Interests will depend, among other things, upon the number of Holders of New Common Interests, the Reorganized Debtors' financial performance, and the market for similar securities, none of which can be determined or predicted.

Therefore, the Debtors cannot assure that an active trading market will develop or, if a market develops, what the liquidity or pricing characteristics of that market will be.

16.5 Risks Relating to the Debtors' Business

(a) The Debtors' Financial Projections Are Subject to Inherent Uncertainty Due to Numerous Assumptions Upon Which They Are Based

The Debtors' Financial Projections are based on numerous assumptions including: timely Confirmation and Consummation pursuant to the terms of the Prepackaged Plan; the anticipated future performance of the Reorganized Debtors; industry performance; general business and economic conditions; and other matters, many of which are beyond the control of the Debtors and some or all of which may not materialize. In addition, unanticipated events and circumstances occurring subsequent to the date that this Disclosure Statement is approved by the Bankruptcy Court may affect the actual financial results of the Reorganized Debtors' operations. These variations may be material and may adversely affect the ability of the Reorganized Debtors to make payments with respect to indebtedness following consummation. Because the actual results achieved throughout the periods covered by the projections may vary from the projected results, the projections should not be relied upon as an assurance of the actual results that will occur. Except with respect to the projections and except as otherwise specifically and expressly stated, this Disclosure Statement does not reflect any events that may occur subsequent to the date of this Disclosure Statement. Such events may have a material impact on the information contained in this Disclosure Statement. The Debtors do not intend to update the Financial Projections and therefore the Financial Projections will not reflect the impact of any subsequent events not already accounted for in the assumptions underlying the Financial Projections.

(b) The Debtors May Not Be Able to Generate Sufficient Cash to Service All of Their Indebtedness

The Debtors' ability to make scheduled payments on, or refinance their debt obligations, depends on the Reorganized Debtors' financial condition and operating performance, which are subject to prevailing economic, industry, and competitive conditions and to certain financial, business, legislative, regulatory, and other factors beyond the Reorganized Debtors' control. The Reorganized Debtors may be unable to maintain a level of cash flow from operating activities sufficient to permit the Reorganized Debtors to pay the principal, premium, if any, and interest on their indebtedness, including, without limitation, borrowings in connection with emergence

(c) Existing and Increased Competition in the Industry or Decreasing Demand for the Debtors' Products May Adversely Affect the Debtors' Business and Result of Operations

The Debtors compete with other companies in the industry that offer similar products and provide similar services as those offered by the Debtors. The Debtors' competitors may be able to adopt more aggressive pricing and promotional policies, adapt to changes in customer preferences or requirements more quickly, devote greater resources to the design, sourcing, distribution, marketing and sale of their products than the Debtors. In addition, the Debtors' competitors may

seek to emulate facets of the Debtors' business strategy, which could result in a reduction of any competitive advantage or special appeal that the Debtors might possess. An inability to overcome potential competitive disadvantages or effectively market the Debtors' products relative to the Debtors' competitors could have an adverse effect on the Debtors' business and results of operations.

(d) The Debtors' Reliance on Suppliers May Impact the Debtors' Operations and Performance

The Debtors rely significantly on their suppliers. Adverse changes in any of the relationships with their suppliers, or the inability to enter into new relationships with suppliers, could negatively impact the Debtors' operations and performance. The Debtors' current arrangements with suppliers may not remain in effect on current or similar terms, and the impact of changes to those arrangements may adversely impact the Debtors' revenue.

(e) The Debtors Must Continue to Retain, Motivate, and Recruit Executives and Other Key Employees, Which May Be Difficult in Light of Uncertainty Regarding the Prepackaged Plan, and Failure To Do So Could Negatively Affect the Debtors' Business

The Reorganized Debtors' success will depend, in part, on the efforts of their executive officers, their management team, and other key employees. These individuals possess sales, marketing, financial, administrative, and technological skills that are critical to the operation of the Reorganized Debtors' business. If the Reorganized Debtors lose or suffer an extended interruption in the services of one or more of their executive officers, managers, or other key employees, the Reorganized Debtors' business, operational results, and financial condition may be negatively impacted.

(f) The Reorganized Debtors May Be Adversely Affected by Potential Litigation, Including Litigation Arising Out of the Chapter 11 Cases

In the future, the Reorganized Debtors may become a party to litigation. In general, litigation can be expensive and time consuming to bring or defend against. Such litigation could result in settlements or damages that could significantly affect the Reorganized Debtors' financial results. It is also possible that certain parties will commence litigation with respect to the treatment of their Claims under the Prepackaged Plan. It is not possible to predict the potential litigation that the Reorganized Debtors may become party to, nor the final resolution of such litigation. The impact of any such litigation on the Reorganized Debtors' business and financial stability, however, could be material.

16.6 Certain Tax Implications of the Chapter 11 Cases and the Prepackaged Plan

Holders of Allowed Prepetition Term Loan Claims and Prepetition Convertible Notes Claims should carefully review Article XIX of this Disclosure Statement, "Certain U.S. Federal Income Tax Consequences," to determine how the tax implications of the Prepackaged Plan and the Chapter 11 Cases may adversely affect the Debtors, Reorganized Debtors, and Holders of such Claims.

(c) No Legal, Business, or Tax Advice Is Provided to You by This Disclosure Statement

THIS DISCLOSURE STATEMENT IS NOT LEGAL, BUSINESS, OR TAX ADVICE TO YOU. The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each Holder of a Claim or Interest should consult his or her own legal counsel and accountant with regard to any legal, tax, and other matters concerning his or her Claim or Interest. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Prepackaged Plan or object to Confirmation.

(d) No Admissions Made

The information and statements contained in this Disclosure Statement will neither (1) constitute an admission of any fact or liability by any entity (including the Debtors) nor (2) be deemed evidence of the tax or other legal effects of the Prepackaged Plan on the Debtors, the Reorganized Debtors, Holders of Allowed Claims or Interests, or any other parties in interest.

(e) Failure to Identify Litigation Claims or Projected Objections

No reliance should be placed on the fact that a particular litigation Claim or projected objection to a particular Claim or Interest is, or is not, identified in this Disclosure Statement. All Parties, including the Debtors and the Reorganized Debtors, as applicable, reserve the right to continue to investigate Claims and Interests and file and prosecute objections to Claims and Interests.

(f) No Waiver of Right to Object or Right to Recover Transfers and Assets

The vote by a Holder of a Claim for or against the Prepackaged Plan does not constitute a waiver or release of any Claims or rights of the Debtors to object to that Holder's Claim, or to bring Causes of Action or recover any preferential, fraudulent, or other voidable transfer of assets, regardless of whether any Claims or Causes of Action of the Debtors or their respective Estates are specifically or generally identified herein.

(g) Information Was Provided by the Debtors and Was Relied Upon by the Debtors' Advisors

Counsel to and other advisors retained by the Debtors have relied upon information provided by the Debtors in connection with the preparation of this Disclosure Statement. Although counsel to and other advisors retained by the Debtors have performed certain limited due diligence in connection with the preparation of this Disclosure Statement, they have not independently verified the information contained herein.

(h) The Potential Exists for Inaccuracies and the Debtors Have No Duty to Update

The Debtors make the statements contained in this Disclosure Statement as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has not been a change in the information set forth herein since such date. Although the Debtors have used their reasonable business judgment to ensure the accuracy of all of the information provided in this Disclosure Statement and in the Prepackaged Plan, the Debtors nonetheless cannot, and do not, confirm the current accuracy of all statements appearing in this Disclosure Statement. Further, although the Debtors may subsequently update the information in this Disclosure Statement, the Debtors have no affirmative duty to do so unless ordered by the Bankruptcy Court.

(i) No Representations Outside of the Disclosure Statement Are Authorized

No representations concerning or relating to the Debtors, the Chapter 11 Cases, or the Prepackaged Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. In deciding whether to vote to accept or reject the Prepackaged Plan, you should not rely upon any representations or inducements made to secure your acceptance or rejection of the Prepackaged Plan that are other than as contained in, or included with, this Disclosure Statement, unless otherwise indicated herein. You should promptly report unauthorized representations or inducements to the counsel to the Debtors and the U.S. Trustee.

XVII. CONFIRMATION PROCEDURES

The following is a brief summary of the Confirmation process. Holders of Claims and Interests are encouraged to review the relevant provisions of the Bankruptcy Code and to consult with their own advisors.

17.1 Confirmation Hearing

Under section 1128(a) of the Bankruptcy Code, the Bankruptcy Court, after notice, may hold a hearing to confirm a plan of reorganization. The Debtors will request, on the Petition Date, that the Bankruptcy Court approve the Prepackaged Plan and Disclosure Statement at a joint hearing. The Confirmation Hearing may, however, be continued from time to time without further notice other than an adjournment announced in open court or a notice of adjournment filed with the Bankruptcy Court and served in accordance with the Bankruptcy Rules, without further notice

to parties in interest. The Bankruptcy Court, in its discretion and prior to the Confirmation Hearing, may put in place additional procedures governing the Confirmation Hearing. Subject to section 1127 of the Bankruptcy Code, the Prepackaged Plan may be modified, if necessary, prior to, during, or as a result of the Confirmation Hearing, without further notice to parties in interest.

Additionally, section 1128(b) of the Bankruptcy Code provides that a party in interest may object to Confirmation. The Debtors, in the same motion requesting a date for the Confirmation Hearing, will request that the Bankruptcy Court set a date and time for parties in interest to file objections to Confirmation of the Prepackaged Plan. An objection to Confirmation of the Prepackaged Plan must be filed with the Bankruptcy Court and served on the Debtors and certain other parties in interest in accordance with the applicable order of the Bankruptcy Court so that it is actually received on or before the deadline to file such objections as set forth therein.

17.2 Confirmation Standards

Among the requirements for Confirmation of the Prepackaged Plan pursuant to Bankruptcy Code section 1129 are: (i) the Prepackaged Plan is in the "best interests" of holders of Claims; (ii) the Prepackaged Plan is feasible and (iii) the Prepackaged Plan is accepted by all Impaired Classes of Claims, or if rejected by an Impaired Class or if an Impaired Class is deemed to reject, the Prepackaged Plan "does not discriminate unfairly" and is "fair and equitable" as to the Class.

At the Confirmation Hearing, the Bankruptcy Court will determine whether the Prepackaged Plan satisfies all of the requirements of Bankruptcy Code section 1129. The Debtors believe that: (i) the Prepackaged Plan satisfies or will satisfy all of the necessary statutory requirements of chapter 11; (ii) the Debtors have complied or will have complied with all of the necessary requirements of chapter 11; and (iii) the Prepackaged Plan has been proposed in good faith.

17.3 Best Interests Test/Liquidation Analysis

As described above, section 1129(a)(7) of the Bankruptcy Code requires that each Holder of an Impaired Claim or Interest either (a) accept the Prepackaged Plan or (b) receive or retain under the Prepackaged Plan property of a value, as of the Effective Date, that is not less than the value such Holder would receive if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. Based on the unaudited Liquidation Analysis attached hereto as **Exhibit D**, the Debtors believe that the value of any distributions if the Chapter 11 Cases were converted to cases under chapter 7 of the Bankruptcy Code would be no greater than the value of distributions under the Prepackaged Plan. As a result, the Debtors believe Holders of Claims and Interests in all Impaired Classes will recover at least as much as a result of Confirmation of the Prepackaged Plan as they would recover through a hypothetical chapter 7 liquidation.

THE LIQUIDATION ANALYSIS HAS BEEN PREPARED SOLELY FOR USE IN THIS DISCLOSURE STATEMENT AND DOES NOT REPRESENT VALUES THAT ARE APPROPRIATE FOR ANY OTHER PURPOSE. NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE OR CONSTITUTES A CONCESSION BY OR ADMISSION OF ANY DEBTOR FOR ANY PURPOSE.

17.4 Feasibility

The Bankruptcy Code requires that a debtor demonstrate that confirmation of a plan of reorganization is not likely to be followed by liquidation or the need for further financial reorganization. For purposes of determining whether the Prepackaged Plan meets this requirement, the Debtors have analyzed their ability to meet their obligations under the Prepackaged Plan. As part of this analysis, the Debtors have prepared the Financial Projections, which, together with the assumptions on which they are based, are attached hereto as **Exhibit F**. Based on such Financial Projections, the Debtors believe that they will be able to make all payments required under the Prepackaged Plan while conducting ongoing business operations. Therefore, Consummation of the Prepackaged Plan is not likely to be followed by liquidation or the need for further reorganization.

17.5 Confirmation Without Acceptance by All Impaired Classes

The Bankruptcy Code permits confirmation of a plan even if it is not accepted by all impaired classes, as long as (a) the plan otherwise satisfies the requirements for confirmation, (b) at least one impaired class of claims has accepted the plan without taking into consideration the votes of any insiders in such class and (c) the plan is "fair and equitable" and does not "discriminate unfairly" as to any impaired class that has not accepted the plan. These so-called "cram down" provisions are set forth in section 1129(b) of the Bankruptcy Code.

(a) No Unfair Discrimination

The no "unfair discrimination" test applies to Classes of Claims or Interests that are of equal priority and are receiving different treatment under the Prepackaged Plan. The test does not require that the treatment be the same or equivalent, but that such treatment be "fair." The Debtors do not believe the Prepackaged Plan discriminates unfairly against any Impaired Class of Claims or Interests. The Debtors believe the Prepackaged Plan and the treatment of all Classes of Claims and Interests under the Prepackaged Plan satisfy the foregoing requirements for nonconsensual confirmation.

(b) Fair and Equitable Test

The "fair and equitable" test applies to classes of different priority and status (e.g., secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the amount of the allowed claims in the class. As to the dissenting (or deemed rejecting) class, the test sets different standards depending upon the type of claims or equity interests in the class. A plan is fair and equitable as to a class of unsecured claims that rejects a plan if the plan provides (a) for each holder of a claim included in the rejecting class to receive or retain on account of that claim property that has a value, as of the effective date of the plan, equal to the allowed amount of such claim; or (b) that the holder of any claim or interest that is junior to the claims of such class will not receive or retain on account of such junior claim or interest any property at all. A plan is fair and equitable as to a class of interests that rejects a plan if the plan provides (a) for each holder of an interest included in the rejecting class to receive or retain on account of that interest property that has a value, as of the effective date of the plan, equal to the greatest of (i) the allowed amount of any fixed liquidation preference to which such interest holder is entitled, (ii) any fixed redemption price to which such interest holder is entitled, or (iii) the value of such

interest; or (b) the holder of any interest that is junior to the interests of the rejecting class will not receive or retain any property under the plan on account of such junior interest.

The Debtors submit that Confirmation of the Prepackaged Plan pursuant to the "cramdown" provisions of Bankruptcy Code section 1129(b), if necessary, is proper, as the Prepackaged Plan is structured so that it does not "discriminate unfairly" and satisfies the "fair and equitable" requirement. The Debtors believe that the Prepackaged Plan and the treatment of all Classes of Claims and Interests under the Prepackaged Plan satisfy the foregoing requirements for nonconsensual Confirmation of the Prepackaged Plan.

17.6 Alternatives to Confirmation and Consummation of Prepackaged Plan

If the Prepackaged Plan cannot be confirmed, the Debtors may seek to (a) prepare and present to the Bankruptcy Court an alternative chapter 11 plan for confirmation, (b) effect a merger or sale transaction, including, potentially, a sale of all or substantially all of the Debtors' assets pursuant to section 363 of the Bankruptcy Code, or (c) liquidate their assets and business under chapter 7 of the Bankruptcy Code. If the Debtors were to pursue a liquidation of their assets and business in chapter 7, the Debtors would convert the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, and a trustee would be appointed to liquidate the assets of the Debtors for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that a chapter 7 liquidation would have on creditors' recoveries and the Debtors is described in the unaudited Liquidation Analysis attached hereto as **Exhibit D**.

XVIII. IMPORTANT SECURITIES LAW DISCLOSURE

18.1 New Common Interests

The Prepackaged Plan provides for the New Common Interests to be distributed to Holders of certain Prepetition Term Loans Claims and to the Holders of Prepetition Convertible Notes Claims, as applicable and in accordance with Article III of the Prepackaged Plan.

The Debtors believe that New Common Interests will be "securities," as defined in section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code, and any applicable Blue Sky Law.

The Debtors are relying on exemptions from the registration requirements of the Securities Act, including section 4(a)(2) thereof, and applicable state securities laws, to exempt the offer of the New Common Interests that may be deemed to be made pursuant to the prepetition solicitation of votes on the Prepackaged Plan. To ensure that the prepetition solicitation is exempt from the registration requirements of the Securities Act, the ballots include a certification that the voting holder of the related Claims is an "accredited investor" (as defined in rule 501(a) of Regulation D of the Securities Act, an "Accredited Investor"). If a holder voting in the prepetition solicitation fails to make such certification, or if such holder fails to otherwise establish, to the reasonable satisfaction of the Debtors, its status as an Accredited Investor, its vote will not be counted. Following the filing of the Prepackaged Plan with the Bankruptcy Court, the Debtors intend to request the Bankruptcy Court's approval to solicit votes on the Prepackaged Plan from holders of Class 4 Claims and Class 5 Claims who are not Accredited Investors pursuant to section 1145 of the Bankruptcy Code. If the Bankruptcy Court does not grant the Debtors' request, the Debtors

will use reasonable efforts to propose an alternative mechanism to allow holders of Class 4 Claims and Class 5 Claims who are not Accredited Investors to participate in the distribution of New Common Interests.

The Debtors further believe that the issuance of the New Common Interests pursuant to the Prepackaged Plan is, and subsequent transfers of the New Common Interests by the Holders thereof that are not "underwriters" (as defined in section 2(a)(11) of the Securities Act and in the Bankruptcy Code) will be exempt from federal and state securities ("Blue Sky Laws") registration requirements as described in more detail below.

18.2 Exemption from Registration Requirements

All New Common Interests issued pursuant to the Prepackaged Plan on account of Claims will be issued without registration under the Securities Act or any similar federal, state, or local law in reliance on section 1145(a) of the Bankruptcy Code. Section 1145 of the Bankruptcy Code provides that section 5 of the Securities Act and any state law requirements for the offer and sale of a security do not apply to the offer or sale of stock, options, warrants, or other securities by a debtor if (a) the offer or sale occurs under a plan of reorganization of a debtor, of an affiliate participating in a joint plan with a debtor, or of a successor to a debtor under a plan of reorganization, (b) the recipients of the securities hold a claim against, an interest in, or claim for an administrative expense in a case concerning, the debtor or such affiliate under a plan, and (c) the securities are issued in exchange for such claim against or interest in or claim for an administrative expense in a case concerning a debtor or such affiliate or are issued principally in such exchange and partly for cash and property. The Debtors believe that the offer and sale of the New Common Interests in exchange for the Claims described above satisfy the requirements of section 1145(a) of the Bankruptcy Code. Accordingly, no registration statement will be filed under the Securities Act or any state securities laws. Recipients of the New Common Interests are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable state Blue Sky Law. As discussed below, the exemptions provided for in section 1145(a) do not apply to an entity that is deemed an "underwriter" as such term is defined in section 1145(b) of the Bankruptcy Code.

18.3 Resales of New Common Interests

Section 1145(b)(1) of the Bankruptcy Code defines an "underwriter" as one who, except with respect to "ordinary trading transactions" of an entity that is not an "issuer": (a) purchases a claim against, interest in, or claim for an administrative expense in a case concerning a debtor, if such purchase is with a view to distribution of any security received or to be received in exchange for such claim or interest; (b) offers to sell securities offered or sold under a plan for the holders of such securities; (c) offers to buy securities offered or sold under a plan from the holders of such securities, if such offer to buy is (i) with a view to distribution of such securities and (ii) under an agreement made in connection with a plan, with the consummation of a plan, or with the offer or sale of securities under a plan; or (d) is an "issuer" of the securities within the meaning of section 2(a)(11) of the Securities Act. In addition, a Person who receives a fee in exchange for purchasing an issuer's securities could also be considered an underwriter within the meaning of section 2(a)(11) of the Securities Act.

The definition of an "issuer" for purposes of whether a Person is an underwriter under section 1145(b)(1)(D) of the Bankruptcy Code, by reference to section 2(a)(11) of the Securities Act, includes as "statutory underwriters" all "affiliates," which are all Persons who, directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with, an issuer of securities. The reference to "issuer," as used in the definition of "underwriter" contained in section 2(a)(11) of the Securities Act, is intended to cover "Controlling Persons" of the issuer of the securities. "Control," as defined in rule 405 of the Securities Act, means to possess, directly or indirectly, the power to direct or cause to direct management and policies of a Person, whether through owning voting securities, contract, or otherwise. Accordingly, an officer or director of a reorganized debtor or its successor may be deemed to be a "Controlling Person" of the debtor or successor under a plan of reorganization, particularly if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor's or its successor's voting securities.

Resales of the New Common Interests offered, issued, and distributed pursuant to the Prepackaged Plan in reliance on section 1145 of the Bankruptcy Code by entities deemed to be "underwriters" are not exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. If section 1145(a) of the Bankruptcy Code is unavailable because the recipient of the New Common Interests under the Prepackaged Plan or the Plan Supplement is an entity that is an "underwriter" with respect to such securities, as that term is defined in section 1145(b) of the Bankruptcy Code, such securities will be issued in reliance on the exemption from registration set forth in section 4(a)(2) under the Securities Act and/or Regulation D promulgated thereunder and on equivalent state law registration exemptions or, solely to the extent such exemptions are not available, other available exemptions from registration under the Securities Act.

Under certain circumstances, Holders of New Common Interests, issued and distributed pursuant to the Prepackaged Plan in reliance on section 1145 of the Bankruptcy Code who are deemed to be "underwriters" may be entitled to resell their New Common Interests pursuant to the limited safe harbor resale provisions of rule 144 of the Securities Act.

Generally, rule 144 of the Securities Act would permit the public sale of securities received by such Person if the required holding period has been met and, under certain circumstances, current information regarding the issuer is publicly available and volume limitations, manner of sale requirements and certain other conditions are met. Whether any particular Person would be deemed to be an "underwriter" with respect to the New Common Interests would depend upon various facts and circumstances applicable to that Person. Accordingly, the Debtors express no view as to whether any Person would be deemed an "underwriter" with respect to the New Common Interests and, in turn, whether any Person may freely resell the New Common Interests. However, the Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, after the holding period, rule 144 will not be available for resales of the New Common Interests by Persons deemed to be underwriters.

Accordingly, the Debtors recommend that potential recipients of the New Common Interests consult their own counsel concerning their ability to freely trade such securities without compliance with the federal law and any applicable state Blue Sky Law. In addition, these securities will not be registered under the Securities Exchange Act or listed on any

national securities exchange. The Debtors make no representation concerning the ability of a person to dispose of the New Common Interests.

XIX. CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PREPACKAGED PLAN

19.1 Tax Background

A summary description of certain United States federal income tax consequences of the Prepackaged Plan is provided below. This description is for informational purposes only and, due to a lack of definitive judicial or administrative authority or interpretation, substantial uncertainties exist with respect to various tax consequences of the Prepackaged Plan as discussed herein. Only the principal United States federal income tax consequences of the Prepackaged Plan to the Debtors and for Holders of Claims who are entitled to vote to accept or reject the Prepackaged Plan are described below. No opinion of counsel has been sought or obtained with respect to any tax consequences of the Prepackaged Plan. No rulings or determinations of the Internal Revenue Service ("IRS") or any other taxing authorities have been or will be sought or obtained with respect to any tax consequences of the Prepackaged Plan, and the discussion below is not binding upon the IRS or such other taxing authorities. No representations are being made regarding the particular tax consequences of the confirmation or implementation of the Prepackaged Plan as to any Debtor or any Holder of a Claim. No assurance can be given that the IRS or another taxing authority would not assert, or that a court would not sustain, a different position from any discussed herein.

The discussion of United States federal income tax consequences below is based on the Internal Revenue Code of 1986, as amended (the "<u>Tax Code</u>"), Treasury regulations promulgated thereunder, judicial authorities, published positions of the IRS, and other applicable authorities, all as in effect on the date hereof and all of which are subject to change or differing interpretations (possibly with retroactive effect).

The following discussion does not address state, local, or non-United States tax consequences of the Prepackaged Plan, nor does it purport to address all the United States federal income tax consequences of the Prepackaged Plan to special classes of taxpayers (e.g., banks and certain other financial institutions, insurance companies, tax-exempt organizations, governmental entities, real estate investment trusts, regulated investment companies, United States expatriates, Holders of Claims who are, or who hold their Claims through, pass-through entities, persons whose functional currency is not the United States dollar, dealers in securities or foreign currency, and persons holding Claims that are a hedge against, or that are hedged against, currency risk or that are part of a straddle, constructive sale, or conversion transaction). Furthermore, the following discussion does not address the alternative minimum tax considerations for Holders of Claims or United States federal taxes other than income taxes. Except as expressly provided below, the following discussion assumes that Holders of Claims hold their Claims as capital assets for United States federal income tax purposes (generally, property held for investment), and that the various debt and other arrangements to which a Debtor is a party will be respected for United States federal income tax purposes in accordance with their forms.

For purposes of the following discussion, a "U.S. Holder" is a beneficial owner of a Claim immediately prior to the Restructuring Transactions that is (i) a citizen or individual resident of

the United States; (ii) a corporation (or other entity classified as a corporation for United States federal income tax purposes) created or organized under the laws of the United States, any state thereof or the District of Columbia; (iii) an estate, the income of which is subject to United States federal income taxation regardless of its source; or (iv) a trust that (a) is subject to the primary supervision of a United States court and has one or more United States persons, within the meaning of Internal Revenue Code section 7701(a)(30), who have the authority to control all substantial decisions of the trust, or (b) has a valid election in effect under applicable Treasury regulations to be treated as a United States person. For purposes of the following discussion, a "Non-U.S. Holder" is a beneficial owner of a Claim that is an individual, corporation, estate or trust for United States federal income tax purposes and is not a U.S. Holder.

If a partnership (including any entity classified as a partnership for United States federal income tax purposes) holds Claims, the United States federal income tax consequences to the partners of such partnership will depend on the activities of the partnership and the status of the partners. A partnership participating in the Prepackaged Plan (and its partners) should consult their tax advisors regarding the consequences of participating in the Prepackaged Plan. Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are Holders of Claims should consult their tax advisors regarding the U.S. federal income tax consequences of the Prepackaged Plan.

ACCORDINGLY, THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING OR FOR ADVICE BASED UPON THE PARTICULAR CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM OR INTEREST. EACH HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT ITS OWN TAX ADVISORS FOR THE U.S. FEDERAL, STATE, LOCAL, AND NON-U.S. INCOME AND OTHER TAX CONSEQUENCES APPLICABLE TO IT UNDER THE PREPACKAGED PLAN.

19.2 Certain U.S. Federal Income Tax Consequences to the Debtors and Reorganized Debtors

19.2.1 In General

The Debtors expect that the Restructuring Transactions will be structured as a recapitalization of the existing Debtors under their current corporate structure or a new holding company established to hold the equity of View, Inc. (which will continue to own the other Debtors). If such new holding company is established, it is expected that View, Inc. would convert to a limited liability company and that such conversion would qualify as a reorganization described in section 368(a)(1)(F) of the Tax Code. Based on the facts as currently understood by the Debtors and except as otherwise described below, the Debtors do not currently expect to recognize material taxable gain or loss as a result of the Restructuring Transactions, but there can be no assurance in this regard. As a result of the Restructuring Transactions, the Debtors will be subject to the application of section 382 of the Tax Code, and, depending on certain factors, are also expected to be subject to the rules with respect to cancellation of indebtedness income ("COD Income"), as described below. In the event that the transactions undertaken pursuant to the Prepackaged Plan

are structured as anything other than a recapitalization transaction, the Debtors will provide a supplemental disclosure statement.

19.2.2 Cancellation of Debt and Reduction of Tax Attributes

In general, absent an exception, a debtor will realize and recognize COD Income upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD Income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied, over (b) the sum of (i) the amount of Cash paid, (ii) the issue price of any new indebtedness of the taxpayer issued, and (iii) the fair market value on the Effective Date of any other new consideration (including stock of the debtor) given in satisfaction of such satisfied indebtedness at the time of the exchange. COD income also includes any accrued but unpaid interest except to the extent that the payment of such interest would have given rise to a deduction.

Under section 108 of the Tax Code, a debtor is not, however, required to include any amount of COD Income in gross income if the debtor is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding. Instead, as a consequence of such exclusion, a debtor must reduce its tax attributes by the amount of COD Income that it excluded from gross income pursuant to section 108 of the Tax Code. In general, tax attributes will be reduced in the following order: (a) net operating losses ("NOLs") and NOL carryforwards; (b) general business credit carryovers; (c) minimum tax credit carryovers; (d) capital loss carryovers; (e) tax basis in assets (but not below the amount of liabilities to which the debtor remains subject); (f) passive activity loss and credit carryovers; and (g) foreign tax credit carryovers. Alternatively, pursuant to section 108(b)(5) of the Tax Code, a debtor with COD Income may elect to first reduce the basis of its depreciable assets to the extent of such basis, with any excess applied next to reduce its NOLs and NOL carryforwards, and then to reduce certain other tax attributes. The reduction in tax attributes occurs only after the tax for the year of the debt discharge has been determined. Any excess COD Income over the amount of available tax attributes will generally not give rise to U.S. federal income tax and will generally have no other U.S. federal income tax impact.

The aggregate tax basis of View in its assets is not required to be reduced below the amount of indebtedness (determined on an entity-by-entity basis) that View will be subject to immediately after the cancellation of indebtedness giving rise to COD Income (the "Asset Tax Basis Floor"). Generally, all of an entity's obligations that are treated as debt under general U.S. federal income tax principles (including intercompany debt treated as debt for U.S. federal income tax purposes) are taken into account in determining an entity's Asset Tax Basis Floor.

The exact amount of the COD Income (if any) that will be realized by the Debtors for U.S. federal income tax purposes, and the application of the relevant attribution reduction rules, will not be determinable until after the consummation of the Prepackaged Plan.

(a) Limitation of NOL Carryforwards and Other Tax Attributes

After giving effect to the reduction in tax attributes pursuant to excluded COD Income described above, to the extent the Reorganized Debtors succeed to the Debtors' tax attributes, the

Reorganized Debtors' ability to use any remaining tax attributes post-emergence will be subject to certain limitations under sections 382 and 383 of the Tax Code.

i. General Section 382 Annual Limitation

Under sections 382 and 383 of the Tax Code, if a corporation undergoes an "ownership change," the amount of its NOLs and, if the corporation has an overall "net unrealized built-in loss" in its assets, and certain other tax attributes of the Debtors allocable to periods prior to the Effective Date (collectively, "Pre-Change Losses") that may be utilized to offset future taxable income generally are subject to an annual limitation. This discussion refers to the limitation determined under section 382 of the Tax Code in the case of an "ownership change" as the "Section 382 Limitation." The rules of section 382 of the Tax Code are complicated, but as a general matter the Debtors anticipate that the issuance of New Common Interests would result in an "ownership change" of the Reorganized Debtors for these purposes, and that the Reorganized Debtors' use of their Pre-Change Losses will be subject to limitation unless an exception to the general rules of section 382 of the Tax Code applies.

For this purpose, if a corporation (or consolidated group) has a net unrealized built-in loss at the time of an ownership change (taking into account most assets and items of "built-in" income and deductions), then generally built-in losses (including amortization or depreciation deductions attributable to such built-in losses) recognized during the following five years (up to the amount of the original net unrealized built-in loss) will be treated as Pre-Change Losses and similarly will be subject to the annual limitation. In general, a corporation's (or consolidated group's) net unrealized built-in loss will be deemed to be zero unless it is greater than the lesser of (a) \$10,000,000, or (b) 15 percent of the fair market value of its assets (with certain adjustments) before the ownership change.

In general, the annual Section 382 Limitation on the use of Pre-Change Losses in any "post-change year" is equal to the product of (i) the fair market value of the stock of the corporation immediately before the "ownership change" (with certain adjustments) multiplied by (ii) the "long-term tax-exempt rate" (which is the highest of the adjusted federal long-term rates in effect for any month in the 3-calendar-month period ending with the calendar month in which the "ownership change" occurs). If the corporation has an overall "net unrealized built-in gain" as determined pursuant to IRS Notice 2003-65, the Section 382 Limitation may be increased to the extent that the Reorganized Debtors recognize certain built-in gains in their assets during the five-year period following the ownership change (or are treated as recognizing built-in gains pursuant to the safe harbors provided in IRS Notice 2003-65). Section 383 of the Tax Code applies a similar limitation to capital loss carryforwards and tax credits. Any unused limitation may be carried forward, thereby increasing the annual limitation in the subsequent taxable year. As discussed below, however, special rules may apply in the case of a corporation which experiences an ownership change as the result of a bankruptcy proceeding.

ii. Special Bankruptcy Exception

An exception to the foregoing annual limitation rules generally applies when so called "qualified creditors" of a debtor company in chapter 11 receive, in respect of their claims, together with existing shareholders with respect to their stock, at least 50 percent of the vote and value of

the stock of the Reorganized Debtor (or a controlling corporation if also in chapter 11) pursuant to a confirmed chapter 11 plan (the "382(l)(5) Exception"). Under the 382(l)(5) Exception, the Reorganized Debtors' Pre-Change Losses are not limited on an annual basis but, instead, the Debtors' NOLs are required to be reduced by the amount of any interest deductions claimed during any taxable year ending during the three-year period preceding the taxable year that includes the Effective Date, and during the part of the taxable year prior to and including the Effective Date, in respect of all debt converted into stock in the reorganization. If the 382(l)(5) Exception applies and the Reorganized Debtors undergoes another ownership change within two years after consummation, then the Reorganized Debtors' Pre-Change Losses are eliminated in their entirety.

Where the 382(l)(5) Exception is not applicable (either because the debtor does not qualify for it or the debtor otherwise elects not to utilize the 382(l)(5) Exception), a second special rule may apply (the "382(l)(6) Exception"). When the 382(l)(6) Exception applies, the annual limitation will be calculated by reference to the lesser of (a) the value of the New Common Interests (with certain adjustments) immediately after the ownership change or (b) the value of the Debtors' assets (determined without regard to liabilities) immediately before the ownership change. This differs from the ordinary rule that requires the fair market value of a debtor corporation that undergoes an ownership change to be determined before the events giving rise to the change. The 382(l)(6) Exception differs from the 382(l)(5) Exception in that the debtor corporation is not required to reduce its NOLs by interest deductions in the manner described above, and the debtor may undergo a change of ownership within two years without triggering the elimination of its Pre-Change Losses.

The Debtors do not currently know whether they are eligible for the 382(l)(5) Exception, and regardless of whether the 382(l)(5) Exception is available, the Reorganized Debtors may decide to affirmatively elect out of the 382(l)(5) Exception so that the 382(l)(6) Exception instead applies. Whether the Reorganized Debtors take advantage of the 382(l)(6) Exception or the 382(l)(5) Exception, though, the Reorganized Debtors' use of their Pre-Change Losses after the Effective Date may be adversely affected if an "ownership change" within the meaning of section 382 of the Tax Code were to occur after the Effective Date.

On the Petition Date, the Debtors intend to file a motion with the Bankruptcy Court seeking authority to implement certain procedures and restrictions for trading in the Company's common stock to prevent the occurrence of an "ownership change" after the Petition Date.

19.3 Certain U.S. Federal Income Tax Consequences of Prepackaged Plan to Holders of Allowed Claims

19.3.1 General Considerations

The following discussion assumes that the Debtors will undertake the Restructuring Transactions currently contemplated by the Prepackaged Plan. Holders of Claims are urged to consult their tax advisors regarding the tax consequences of the Restructuring Transactions.

The U.S. federal income tax consequences to U.S. Holders of certain Claims may depend on (x) whether the Claims surrendered constitute "securities" for U.S. federal income tax purposes, and (y) whether the obligor of the Claims for U.S. federal income tax purposes is the same regarded

entity that is issuing the consideration under the Prepackaged Plan (or, otherwise, an entity that is a "party to a reorganization" with the Debtor against which such Claims were asserted).

Neither the Tax Code nor the Treasury Regulations promulgated thereunder defines the term "security." Whether a debt instrument constitutes a "security" for U.S. federal income tax purposes is determined based on all the relevant facts and circumstances, but most authorities have held that the length of the term of a debt instrument is an important factor in determining whether such instrument is a security for U.S. federal income tax purposes. These authorities have indicated that a term of less than five years is evidence that the instrument is not a security, whereas a term of ten years or more is evidence that it is a security. There are numerous other factors that could be taken into account in determining whether a debt instrument is a security, including the security for payment, the creditworthiness of the obligor, the subordination or lack thereof to other creditors, the right to vote or otherwise participate in the management of the obligor, convertibility of the instrument into an equity interest of the obligor, whether payments of interest are fixed, variable, or contingent, and whether such payments are made on a current basis or accrued. No determination has been made at this time as to whether the Prepetition Convertible Notes Claims and Prepetition Term Loan Claims will be treated as "securities" for U.S. federal income tax purposes. Due to the inherently factual nature of the determination, U.S. Holders are urged to consult their tax advisors regarding the status of their Claims as "securities" for U.S. federal income tax purposes.

The character of any gain or loss recognized by a U.S. Holder as capital gain or loss or as ordinary income or loss will be determined by a number of factors, including the tax status of the Holder, the nature of the Claim in such Holder's hands, whether the Claim constitutes a capital asset in the hands of the Holder, whether the Claim was purchased at a discount, and whether and to what extent the Holder has previously claimed a bad debt deduction with respect to its Claim. If recognized gain is capital gain, it generally would be long-term capital gain if the Holder held its Claim for more than one year at the time of the exchange. The deductibility of capital losses is subject to certain limitations as discussed below.

19.3.2 Consequences to Holders of Allowed Prepetition Convertible Notes Claims and Prepetition Term Loan Claims

Pursuant to the Prepackaged Plan, in exchange for full and final satisfaction, compromise, settlement, release and discharge of the Prepetition Convertible Notes Claims and Prepetition Term Loan Claims, each U.S. Holder thereof will receive its pro rata share of New Common Interests as set forth in the Prepackaged Plan.

Assuming, as noted above, that the Prepetition Convertible Notes Claims and Prepetition Term Loan Claims are not "securities," a U.S. Holder of Prepetition Convertible Notes Claims and Prepetition Term Loan Claims should be treated as exchanging such Claims for New Common Interests in a fully taxable transaction under section 1001 of the Tax Code. As a result, a U.S. Holder would recognize gain or loss equal to the difference between the fair market value of the New Common Interests received and its tax basis in the Claims. With respect to the New Common Interests, a U.S. Holder should generally obtain an aggregate tax basis equal to the fair market value of such Interests on the Effective Date. A U.S. Holder's holding period for such New Common Interests received would begin on the day following the Effective Date.

Assuming, as noted above, that the Prepetition Convertible Notes Claims and Prepetition Term Loan Claims are "securities," a U.S. Holder of Prepetition Convertible Notes Claims and Prepetition Term Loan Claims should be treated as receiving its distribution under the Prepackaged Plan in a "recapitalization" for U.S. federal income tax purposes pursuant to sections 368(a)(1)(E) and 354 of the Tax Code, and accordingly such U.S. Holder should not recognize any gain or loss in such exchange. Thus, because a U.S. Holder of Prepetition Convertible Notes Claims and Prepetition Term Loan Claims should be treated as exchanging its Prepetition Convertible Notes Claims and Prepetition Term Loan Claims for the New Common Interests in a transaction that qualifies as a recapitalization under section 368(a)(1)(E) of the Tax Code, a U.S. Holder can avoid current recognition of gain, if any, in connection with such exchange.

With respect to the New Common Interests, a U.S. Holder should generally obtain an aggregate tax basis, apart from amounts allocable to accrued but untaxed interest, in such New Common Interests received equal to the tax basis of the Prepetition Convertible Notes Claims and Prepetition Term Loan Claims surrendered by such U.S. Holder. Subject to the rules regarding accrued but untaxed interest, a U.S. Holder's holding period for such New Common Interests received should include the holding period for the Prepetition Convertible Notes Claims and Prepetition Term Loan Claims exchanged.

For the treatment of the exchange to the extent a portion of the consideration received is allocable to accrued but untaxed interest, OID or market discount, see the sections entitled "Distributions Attributable to Accrued Interest (and OID)" and "Market Discount" below.

19.3.3 Distributions Attributable to Accrued Interest (and OID)

To the extent that any amount received by a U.S. Holder of a Claim exchanged under the Prepackaged Plan is attributable to accrued but untaxed interest (or OID) on the debt instruments constituting the exchanged Claim, such amount should be taxable to the U.S. Holder as ordinary interest income (to the extent not already included in income by the U.S. Holder). Conversely, a U.S. Holder of an exchanged Claim may be able to recognize a deductible loss to the extent that any accrued interest on the debt instruments constituting such Claim was previously included in the U.S. Holder's gross income but was not paid in full by the Debtors. Such loss may be ordinary, but the tax law is unclear on this point. The tax basis of any New Common Interests treated as received by U.S. Holders of Allowed Prepetition Convertible Notes Claims and Allowed Prepetition Term Loan Claims in satisfaction of accrued but untaxed interest (or OID) should equal the amount of such accrued but untaxed interest (or OID). The holding period for such New Common Interests should begin on the day following the receipt of such New Common Interests.

The extent to which the consideration received by a U.S. Holder of an exchanged Claim will be attributable to accrued interest on the debt constituting the exchanged Claim is unclear. Certain legislative history and case law indicates that an allocation of consideration as between principal and interest provided in a chapter 11 plan of reorganization is binding for U.S. federal income tax purposes, while certain Treasury Regulations treat payments as allocated first to any accrued but untaxed interest. The Prepackaged Plan provides that amounts paid to U.S. Holders of Claims will be allocated first to unpaid principal and then to unpaid interest. The IRS could take the position that the consideration received by the U.S. Holder should be allocated in some way other than as provided in the Prepackaged Plan. U.S. Holders of Claims are urged to consult their

tax advisor regarding the allocation deductibility of accrued but unpaid interest for U.S. federal income tax purposes.

19.3.4 Market Discount

Under the "market discount" provisions of sections 1276 through 1278 of the Tax Code, some or all of any gain realized by a U.S. Holder exchanging the debt instruments constituting its Allowed Claim may be treated as ordinary income (instead of capital gain), to the extent of the amount of "market discount" on the debt constituting the surrendered Allowed Claim.

In general, a debt instrument is considered to have been acquired with "market discount" if it is acquired other than at original issuance and if its U.S. Holder's adjusted tax basis in the debt instrument is less than (a) the sum of all remaining payments to be made on the debt instrument, excluding "qualified stated interest" or, (b) in the case of a debt instrument issued with "original issue discount," its adjusted issue price, by more than a *de minimis* amount (equal to 0.25 percent of the sum of all remaining payments to be made on the debt instrument, excluding qualified stated interest, multiplied by the number of remaining whole years to maturity).

Assuming that the exchange of Claims pursuant to the Prepackaged Plan constitutes a recapitalization, as discussed above, any market discount that accrued on surrendered Claims that the U.S. Holder acquired with market discount, which market discount was not recognized by the U.S. Holder, may be required to be carried over to the New Common Interests received therefor and any gain recognized on the subsequent sale, exchange, redemption, or other disposition of such New Common Interests may be treated as ordinary income to the extent of the accrued but unrecognized market discount with respect to the exchanged Claims.

U.S. HOLDERS SHOULD CONSULT THEIR TAX ADVISORS CONCERNING THE APPLICATION OF THE MARKET DISCOUNT RULES TO THEIR CLAIMS.

19.3.5 Bad Debt or Loss Deduction

Under certain circumstances, a U.S. Holder of a Claim against a Debtor may recognize ordinary income to the extent that such U.S. Holder is deemed on the Effective Date to have received consideration for such Claim that represents a recovery of a prior bad debt or loss deduction, regardless of whether gain or loss would have otherwise been realized or recognized by such U.S. Holder on consummation of the Prepackaged Plan. U.S. Holders of Claims who have taken a bad debt or loss deduction with respect to their Claims should consult their tax advisors as to the effect of such deduction in light of their particular circumstances

A U.S. Holder of a Claim that receives the New Common Interests in satisfaction (in whole or in part) of such Claim generally will be required to treat as ordinary income any gain recognized by such U.S. Holder on a subsequent disposition of such New Common Interests (or stock of a successor corporation) to the extent of any bad debt deductions or ordinary loss deductions taken by such U.S. Holder with respect to such Claim, reduced by any gain recognized on the receipt of New Common Interests.

19.3.6 Net Investment Income Tax

Subject to certain limitations and exceptions, certain U.S. Holders that are individuals, estates, or trusts are required to pay an additional 3.8 percent tax on all or part of that U.S. Holder's "net investment income," which includes, among other things, interest, dividends, and gains from the sale or other disposition of capital assets. U.S. Holders that are individuals, estates, or trusts should consult their tax advisors regarding the effect, if any, of this tax provision on their ownership and disposition of debt of, and equity interests in, the Debtors and Reorganized Debtors.

19.4 Certain U.S. Federal Income Tax Consequences of the Prepackaged Plan to Non-U.S. Holders of Allowed Claims

The following discussion assumes that the Debtors will pursue the Restructuring Transaction currently contemplated by the Prepackaged Plan. Non-U.S. Holders of Claims are urged to consult their tax advisors regarding the tax consequences of the Restructuring Transaction. The discussion does not include any non-U.S. tax considerations. The rules governing the U.S. federal income tax consequences to non-U.S. Holders are complex. Each non-U.S. Holder is urged to consult its own tax advisor regarding the U.S. federal, state, and local and the non-U.S. tax consequences of the consummation of the Prepackaged Plan to such Non-U.S. Holder and the ownership and disposition of the New Common Interests.

19.4.1 Gain Recognition

Any gain realized by a non-U.S. Holder on the exchange of its Claim generally will not be subject to U.S. federal income taxation unless (i) the non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the Restructuring Transactions occur and certain other conditions are met or (ii) such gain is effectively connected with the conduct by such non-U.S. Holder of a trade or business in the United States (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such non-U.S. Holder in the United States).

If the first exception applies, the non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the non-U.S. Holder generally will be subject to U.S. federal income tax with respect to any gain realized on the exchange if such gain is effectively connected with the Non-U.S. Holder's conduct of a trade or business in the United States in the same manner as a U.S. Holder. In order to claim an exemption from withholding tax, such non-U.S. Holder will be required to provide a properly executed IRS Form W-8ECI (or such successor form as the IRS designates). In addition, if such a non-U.S. Holder is a corporation, it may be subject to a "branch profits tax" equal to 30 percent (or such lower rate provided by an applicable treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

19.4.2 Accrued but Untaxed Interest

Payments made to a non-U.S. Holder pursuant to the Prepackaged Plan that are attributable to accrued but untaxed interest generally will not be subject to U.S. federal income or withholding

tax, provided that (among other requirements) (i) such non-U.S. Holder does not actually or constructively own 10 percent or more of the total combined voting power of all classes of the stock of View, (ii) such non-U.S. Holder is not a "controlled foreign corporation" that is a "related person" with respect to View (each, within the meaning of the Tax Code) and (iii) the withholding agent has received or receives, prior to payment, appropriate documentation (generally, IRS Form W-8BEN or W-8BEN-E) establishing that the non-U.S. Holder is not a U.S. person (the "Portfolio" Interest Exception"), unless such interest is effectively connected with the conduct by the non-U.S. Holder of a trade or business within the United States (in which case, provided the non-U.S. Holder provides a properly executed IRS Form W-8ECI (or successor form) to the withholding agent, the non-U.S. Holder (x) generally will not be subject to withholding tax, but (y) will be subject to U.S. federal income tax in the same manner as a U.S. Holder (unless an applicable income tax treaty provides otherwise), and a non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a "branch profits tax" with respect to such non-U.S. Holder's effectively connected earnings and profits that are attributable to the accrued but untaxed interest at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty)). A non-U.S. Holder that does not qualify for the Portfolio Interest Exception to withholding tax with respect to accrued but untaxed interest that is not effectively connected income generally will be subject to withholding of U.S. federal income tax at a 30 percent rate (or at a reduced rate or exemption from tax under an applicable income tax treaty) on payments that are attributable to accrued but untaxed interest. For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business.

19.4.3 Distributions of New Common Interests

Distributions made (or deemed made) on the New Common Interests will generally constitute dividends for U.S. federal income tax purposes to the extent paid out of Reorganized Debtor's current or accumulated earnings and profits, as determined under U.S. federal income tax principles. Distributions in excess of Reorganized Debtor's current and accumulated earnings and profits will generally constitute a return of capital and will be applied against and reduce a non-U.S. Holder's adjusted tax basis in its New Common Interests, but not below zero. Distributions not treated as dividends and in excess of a Holder's adjusted basis will generally be treated as capital gain subject to the rules discussed under "Gain on Disposition of New Common Interests."

Dividends paid to a non-U.S. Holder of New Common Interests will generally be subject to withholding of U.S. federal income tax at a 30 percent rate or such lower rate as may be specified by an applicable income tax treaty. However, dividends that are effectively connected with the conduct of a trade or business by the non-U.S. Holder within the United States (and, if required by an applicable income tax treaty, are attributable to a U.S. permanent establishment of the non-U.S. Holder) are not subject to withholding, provided certain certification and disclosure requirements are satisfied. Instead, such dividends are generally subject to U.S. federal income tax on a net income basis in the same manner as if the non-U.S. Holder were a U.S. Holder. Any such effectively connected dividends received by a foreign corporation may be subject to an additional "branch profits tax" at a 30 percent rate or such lower rate as may be specified by an applicable income tax treaty.

A non-U.S. Holder of New Common Interests who wishes to claim the benefit of an applicable income tax treaty and avoid backup withholding, as discussed below, for dividends, will be required (a) to complete the applicable IRS Form W-8BEN or Form W-8BEN-E and certify under penalty of perjury that such Holder is not a United States person as defined under the Tax Code and is eligible for treaty benefits or (b) if the New Common Interests are held through certain foreign intermediaries, to satisfy the relevant certification requirements of applicable U.S. Treasury regulations. Special certification and other requirements apply to certain non-U.S. Holders that are pass-through entities rather than corporations or individuals. A non-U.S. Holder of New Common Interests eligible for a reduced rate of U.S. withholding tax pursuant to an income tax treaty may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for refund with the IRS.

19.4.4 Gain on Disposition of New Common Interests

Any gain realized on the sale, exchange or other taxable disposition of New Common Interests generally will not be subject to U.S. federal income tax unless:

- (i) the gain is effectively connected with a trade or business of the non-U.S. Holder in the United States (and, if required by an applicable income tax treaty, is attributable to a U.S. permanent establishment of the non-U.S. Holder);
- (ii) the non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other conditions are met; or
- (iii) in the case of a disposition of New Common Interests, reorganized View is a "U.S. real property holding corporation" (a "<u>USRPHC</u>") for U.S. federal income tax purposes at any time within the shorter of the five-year period preceding the disposition or the non-U.S. Holder's holding period for New Common Interests.

A non-U.S. Holder described in the first bullet point above will generally be subject to tax on the net gain derived from the sale or other disposition under regular graduated U.S. federal income tax rates applicable to such Holder as if it were a U.S. Holder. In addition, if a non-U.S. Holder described in the first bullet point above is a corporation for U.S. federal income tax purposes, it may be subject to a "branch profits tax" equal to 30 percent of its effectively connected earnings and profits (subject to adjustments) or at such lower rate as may be specified by an applicable income tax treaty.

An individual non-U.S. Holder described in the second bullet point above will generally be subject to a flat 30 percent (or such lower rate as may be specified by an applicable income tax treaty) tax on the gain derived from the sale or other disposition, which may be offset by its U.S. source capital losses, even though the individual is not considered a resident of the United States, provided such non-U.S. Holder has timely filed U.S. federal income tax returns with respect to such losses.

If the exception in the third bullet applies, a non-U.S. Holder generally will be subject to U.S. federal income tax on any gain recognized on the disposition of all or a portion of its New Common Interests under the Foreign Investment in Real Property Tax Act ("FIRPTA"). If the FIRPTA provisions apply with respect to a non-U.S. Holder, taxable gain from the disposition of an interest in a USRPHC (generally equal to the difference between the amount realized and such non-U.S. Holder's adjusted tax basis in such interest) will constitute effectively connected income. Further the buyer of the New Common Interests may be required to withhold tax equal to 15 percent of the amount realized on the sale and the non-U.S. Holder generally will be required to file a U.S. federal income tax return. The amount of any such withholding would be allowed as a credit against the non-U.S. Holder's federal income tax liability and may entitle the non-U.S. Holder to a refund, provided that the non-U.S. Holder properly and timely files a U.S. federal income tax return with the IRS. The Debtors do not anticipate that View has been or is, or that reorganized View will be, a USRPHC, although no guarantees can be made in that regard.

19.5 U.S. Information Reporting and Withholding

The Debtors, Reorganized Debtors, and applicable withholding agents will withhold all amounts required by law to be withheld from payments of interest and dividends (or other payments), whether in connection with distributions under the Prepackaged Plan or in connection with payments made on account of consideration received pursuant to the Prepackaged Plan and will comply with all applicable information reporting requirements. The IRS may make the information returns reporting such interest and dividends and withholding available to the tax authorities in the country in which a Non-U.S. Holder is resident. In general, information reporting requirements may apply to distributions or payments under the Prepackaged Plan. Additionally, under the backup withholding rules, a Holder of a Claim may be subject to backup withholding (currently at a rate of 24 percent) with respect to distributions or payments made pursuant to the Prepackaged Plan unless that Holder: (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates that fact; or (b) timely provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the Holder is not subject to backup withholding (generally in the form of a properly executed IRS Form W-9 for a U.S. Holder, and, for a Non-U.S. Holder, in the form of a properly executed applicable IRS Form W-8 (or otherwise establishes such Non-U.S. Holder's eligibility for an exemption)). Backup withholding is not an additional tax but is, instead, an advance payment that may be refunded to the extent it results in an overpayment of tax; provided that the required information is timely provided to the IRS.

In addition, from an information reporting perspective, Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of specified thresholds. Holders of Claims subject to the Prepackaged Plan are urged to consult their tax advisors regarding these regulations and whether the transactions contemplated by the Prepackaged Plan would be subject to these regulations and require disclosure on the Holders' tax returns.

19.6 FATCA

Under the Foreign Account Tax Compliance Act ("FATCA"), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or could be subject to withholding at a rate of 30 percent on the receipt of "withholdable payments." For this purpose, "withholdable payments" are generally U.S.-source payments of fixed or determinable, annual or periodical income (including dividends, if any, on New Common Interests). FATCA withholding could apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding.

Each Non-U.S. Holder should consult its own tax advisor regarding the possible impact of these rules, including the availability of an exemption on such Non-U.S. Holder's ownership of the consideration being received under the Plan.

THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PREPACKAGED PLAN ARE COMPLEX. THE FOREGOING SUMMARY DOES NOT DISCUSS ALL ASPECTS OF U.S. FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO A PARTICULAR HOLDER IN LIGHT OF SUCH HOLDER'S CIRCUMSTANCES AND INCOME TAX SITUATION. ALL HOLDERS OF CLAIMS AND INTERESTS SHOULD CONSULT WITH THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF THE TRANSACTIONS CONTEMPLATED BY THE PREPACKAGED PLAN, INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL OR NON-U.S. TAX LAWS, AND OF ANY CHANGE IN APPLICABLE TAX LAWS.

XX. RECOMMENDATON OF THE DEBTORS

It is important that you exercise your right to vote on the Prepackaged Plan. In the opinion of the Debtors, the Prepackaged Plan is preferable to the alternatives described in this Disclosure Statement because it provides for a larger distribution to Holders of Allowed Claims and Interests than would otherwise result in a liquidation under chapter 7 of the Bankruptcy Code. In addition, any alternative other than Confirmation could result in extensive delays and increased administrative expenses resulting in smaller distributions to Holders of Allowed Claims and Interests than proposed under the Prepackaged Plan. Accordingly, the Debtors recommend that Holders of Claims entitled to vote to accept or reject the Prepackaged Plan support Confirmation and vote to accept the Prepackaged Plan.

Liquidation Analysis

LIQUIDATION ANALYSIS INTRODUCTION

Often referred to as the "best interests of creditors" test, section 1129(a)(7) of the Bankruptcy Code¹ requires that a Bankruptcy Court find, as a condition to confirmation of a plan of reorganization, that each holder of a claim or interest in each impaired class either (i) has accepted the plan; or (ii) will receive or retain under the plan property of a value, as of the effective date of the confirmed plan, that is not less than the amount such holder would receive if the debtor was liquidated under chapter 7 of the Bankruptcy Code.

To conduct this Liquidation Analysis, the Debtors and their advisors have taken the following steps:

- i. estimated the cash proceeds that a chapter 7 trustee (a "<u>Trustee</u>") would generate if each Debtor's chapter 11 case was converted to a chapter 7 case on the Effective Date and the assets of such Debtor's estate were liquidated (the "<u>Liquidation Proceeds</u>").
- ii. determined the distribution that each holder of a Claim or Interest would receive from the Liquidation Proceeds under the priority scheme set forth in chapter 7 (the "Liquidation Distribution"); and
- iii. compared each holder's Liquidation Distribution to the distribution such holder would receive under the Debtors' chapter 11 Prepackaged Plan if the Prepackaged Plan were confirmed and consummated (the "Plan Distribution").

This Liquidation Analysis represents an estimate of cash distributions and recovery percentages based on a hypothetical chapter 7 liquidation of the Debtors' assets. It is therefore a hypothetical analysis based on certain assumptions discussed herein and in the Disclosure Statement. As such, asset values and claims discussed herein may differ materially from amounts referred to in the Prepackaged Plan and Disclosure Statement. The Liquidation Analysis should be read in conjunction with the assumptions, qualifications, and explanations set forth in the Disclosure Statement and the Prepackaged Plan in their entirety, as well as the notes and assumptions set forth below.

The determination of the costs of, and proceeds from, the hypothetical liquidation of the Debtors' assets in a chapter 7 case involves the use of estimates and assumptions that, although considered reasonable by the Debtors based on their business judgment and input from their advisors, are subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management and their advisors. The Liquidation Analysis was prepared for the sole purpose of generating a reasonable, good faith estimate of the proceeds that would be generated if the Debtors' assets were liquidated in accordance with chapter 7 of the Bankruptcy Code. The Liquidation Analysis is not intended, and should not be used, for any other purpose.

All of the limitations and risk factors set forth in the Disclosure Statement are applicable to this Liquidation Analysis and are incorporated by reference herein. The underlying financial information in the Liquidation Analysis was prepared using policies that are generally consistent with those applied in historical financial statements but was not compiled or examined by independent accountants and was

not prepared to comply with GAAP or SEC reporting requirements.

THE DEBTORS AND THEIR ADVISORS MAKE NO REPRESENTATIONS OR WARRANTIES REGARDING THE ACCURACY OF THE ESTIMATES CONTAINED HEREIN OR A CHAPTER 7 TRUSTEE'S ABILITY TO ACHIEVE FORECASTED RESULTS. IN THE EVENT THESE CHAPTER 11 CASES ARE CONVERTED TO A CHAPTER 7 LIQUIDATION, ACTUAL RESULTS COULD VARY FROM THE ESTIMATES SET FORTH IN THIS LIQUIDATION ANALYSIS.

BASIS OF PRESENTATION

The Liquidation Analysis has been prepared assuming that the Debtors' chapter 7 liquidation commences on or about May 3, 2024 (the "Liquidation Date"). The pro forma values referenced herein are projected as of the Liquidation Date and utilize the January 31, 2024 balance sheet and projected results of operations and cash flow over the projection period to the assumed Liquidation Date. The Debtors have assumed that the Liquidation Date is a reasonable proxy for the anticipated Effective Date. The Liquidation Analysis was prepared on a legal entity basis for each Debtor and, for presentation purposes, summarized into a consolidated report.

In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based on a review of the Debtors' financial statements and projected results of operations and cash flow over the projection period to account for estimated liabilities, as necessary. The cessation of business in a liquidation is likely to trigger certain claims and funding requirements that would otherwise not exist under the Prepackaged Plan absent a liquidation. Such claims could include chapter 7 administrative expense claims, including, wind down costs, trustee fees, and professional fees, among other claims. Some of these claims and funding obligations could be significant and would be entitled to administrative or priority status in payment from liquidation proceeds. The Debtors' estimates of Allowed Claims set forth in the Liquidation Analysis should not be relied on for the purpose of determining the value of any distribution to be made on account of Allowed Claims or Interests under the Prepackaged Plan.

NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THE LIQUIDATION ANALYSIS. THE DEBTORS RESERVE ALL RIGHTS TO SUPPLEMENT, MODIFY, OR AMEND THE ANALYSIS SET FORTH HEREIN.

Chapter 7 administrative expense claims that arise in a liquidation scenario would be paid in full from the Liquidation Proceeds prior to proceeds being made available for distribution to holders of Allowed Claims. Under the "absolute priority rule," no junior creditor may receive any distributions until all senior creditors are paid in full, and no equity holder may receive any distribution until all creditors are paid in full. The assumed distributions to creditors as reflected in the Liquidation Analysis are estimated in accordance with the absolute priority rule.

This Liquidation Analysis does not include any recoveries or related litigation costs resulting from any potential preference, fraudulent transfer, or other litigation or avoidance actions that may be available under the Bankruptcy Code because of the cost of such litigation, the uncertainty of the outcome, and potential disputes regarding these matters. In addition, the Liquidation Analysis assumes all customer contracts are terminated on the Liquidation Date. Rejection damages claims have not, however, been estimated for purposes of this analysis, though such claims could be material. Finally, the Liquidation

Analysis does not include estimates for the tax consequences that may be triggered upon the liquidation and sale of assets in the manner described above. Such tax consequences could be material.

LIQUIDATION PROCESS

The Debtors' liquidation would be conducted pursuant to chapter 7 of the Bankruptcy Code. The Debtors have assumed that their liquidation would occur over approximately six months during which the Trustee would monetize substantially all the assets on the consolidated balance sheet and administer and wind-down the estates.²

As part of the Trustee's liquidation process, the initial step would be to develop a liquidation plan designed to generate proceeds from the sale of assets that it would then distribute to creditors. This liquidation process would have three major components:

- i) Cash proceeds from asset sales ("Gross Distribution Proceeds");
- ii) Costs to liquidate the business and administer the estates under chapter 7 ("Liquidation Adjustments").
- iii) Remaining proceeds available for distribution to claimants ("Net Distribution Proceeds").

i) Gross Distribution Proceeds

The Gross Distribution Proceeds reflect the proceeds the Trustee would generate from a hypothetical chapter 7 liquidation. Under section 704 of the Bankruptcy Code, a Trustee must, among other duties, collect and convert property of the Estates as expeditiously as is compatible with the best interests of parties in interest, which could result in potentially distressed recoveries. This Liquidation Analysis assumes the Trustee will market the assets on an accelerated timeline and consummate the sale transactions within six months from the Liquidation Date. Asset values in the liquidation process will likely be materially reduced due to, among other things, (i) the accelerated time frame in which the assets are marketed and sold; (ii) negative vendor / customer reaction; and (iii) the generally forced nature of the sale.

The Debtors have assumed the Trustee will retain lawyers, financial advisors, and investment bankers to support the sale and transition of assets over a liquidation period of up to six months.

ii) The Liquidation Adjustments

The Liquidation Adjustments reflect the costs the Trustee would incur to monetize the assets and wind down the estates in chapter 7 and include the following:

- Chapter 7 professional fees;
- Chapter 7 Trustee fees;

² Although the Liquidation Analysis assumes the liquidation process would occur over a six month period, it is possible the disposition and recovery from certain assets could take shorter or longer to realize.

- Post Petition Expenses (Accounts Payable);
- Post-Petition Accrued payroll;
- Expenses necessary to efficiently and effectively monetize the assets (the "Wind Down Budget").

iii) Net Distribution Proceeds

The Net Distribution Proceeds reflect amounts available to Holders of Claims after the Liquidation Adjustments are netted against the Gross Distribution Proceeds. Under this analysis, the Liquidation Proceeds are distributed to Holders of Claims against, and Equity Interests in, the Debtors in accordance with the Bankruptcy Code's priority scheme:

- <u>Class 1: DIP Loan and Other Secured Claims</u> Claims attributed to the DIP Financing, including accrued and unpaid principal and interest as of the Liquidation Date;
- <u>Class 2: Other Priority Claims</u> There are no assumed Other Priority Claims for purposes of the Liquidation Analysis;
- <u>Class 3: Prepetition MDA Loan Claims</u> Prepetition Mississippi Development Authority (MDA) Loan Claims;
- <u>Class 4: Prepetition Term Loan Claims</u> Consists of all Prepetition Term Loan Claims, deemed Allowed in the aggregate amount of approximately \$52.1 million including principal and capitalized interest, plus all accrued interest, fees, expenses, make-whole and early exit prepayment premiums, costs, and other charges due under the Prepetition Credit Document;
- <u>Class 5: Prepetition Convertible Notes Claims</u> Consists of all Prepetition Convertible Notes Claims;
- <u>Class 6: General Unsecured Claims</u> Claims arising from non-priority debt, including certain pre-petition liabilities not subject to first-day relief and various other unsecured liabilities;
- <u>Class 7: Intercompany Claims</u> There are no assumed Intercompany Claims for purposes of the Liquidation Analysis.
- <u>Class 8: Existing Equity Interests</u> Claims arising from all Existing Equity Interests (including all Subordinated Interests); and
- <u>Class 9: Intercompany Interests</u>- There are no assumed Intercompany Interests for purposes of the Liquidation Analysis.

Conclusion

The Debtors have determined, as summarized in the table below, on the Effective Date, that the Plan will provide all Holders of Allowed Claims and Interests with a recovery that is not less than what they would otherwise receive pursuant to a liquidation of the Debtors' assets under chapter 7 of the Bankruptcy Code. Accordingly, the Plan satisfies the requirement of 1129(a)(7) of the Bankruptcy Code.

- 14. <u>Chapter 7 Professionals</u> The post-conversion Chapter 7 Professional Fees include estimates for certain professionals that will provide assistance and services during the wind down period. The Liquidation Analysis assumes the Trustee will retain lawyers, financial advisors, and investment bankers to assist in the liquidation. These advisors will assist in marketing the Debtors' assets, litigating claims and resolving tax litigation matters, and resolving other matters relating to the wind down of the Debtors' estates. Cost of Chapter 7 Professionals estimated at 2% of liquidation proceeds. Includes cost of counsel, financial advisors, and investment bankers to assist in the liquidation.
- 15. <u>Chapter 7 Trustee Fees Section 326(a)</u> of the Bankruptcy Code provides that Trustee Fees may not exceed 3% of distributable proceeds in excess of \$1 million. The Liquidation Analysis assumes Chapter 7 Trustee Fees = \$65,000+ 3% of Proceeds over \$1M.
- 16. <u>Post Petition Accrued Accounts Payable</u> Liquidation Analysis assumes 4 weeks of third-party vendor Operating Expenses across SG&A and R&D, 4 weeks of non-glass material purchases, and 4 weeks of warranty claim payments.
- 17. <u>Estimated Accrued Payroll</u> Liquidation Analysis assumes payment of a full payroll period (two weeks) in the Low Scenario, with 3 weeks of accrued payroll in the High Scenario.
- 18. <u>Wind Down Budget</u> The Wind Down Budget includes the expenses the Trustee will incur to monetize the assets over the 6-month period. These expenses relate to contract labor, rent, and utilities at the Olive Branch factory.

Net Liquidation Proceeds Available for Distribution

Based on the Liquidation Analysis, the Net Liquidation Proceeds Available for Distribution to the Debtors' claimants range from \$17.0 million to \$36.3 million. As discussed below, these proceeds are divided between proceeds encumbered by secured claims and proceeds unencumbered by secured claims.

Proceeds Encumbered by Secured Claims

The Liquidation Analysis assumes a range of \$17.0 million to \$36.3 million in proceeds encumbered by secured claims at the Debtors.

Proceeds Unencumbered by Secured Claims

The Liquidation Analysis assumes there are no proceeds unencumbered by secured claims.

<u>Claims</u>

1. Class 1 - DIP Loan and Other Secured Claims

The Bankruptcy Code grants superpriority status to claims made pursuant to the Debtors' DIP Credit Agreement. The Liquidation Analysis assumes DIP Claims outstanding as of the Liquidation Date include unpaid principal and interest in the amount of approximately \$17.8 million. Liquidation Analysis assumes the Liquidation Proceeds would be sufficient to satisfy between 96% and 100% of the DIP Claims.

2. Class 2 - Other Priority Claims

The Liquidation Analysis assumes there will be no Other Priority Claims at the Debtors as of the Liquidation Date.

3. Class 3 - Prepetition MDA Loan Claims

Consist of all Prepetition MDA Loan Claims. Liquidation Analysis assumes the Prepetition Loan Claims receive recovery up to the value of the Machinery & Equipment assets for which the Claims have a security interest. The Liquidation Analysis assumes approximately \$12.5 million in Prepetition MDA Loan Claims at the Liquidation Date, respectively, The Liquidation Analysis further assumes the Liquidation Proceeds

Valuation Analysis

Valuation Analysis of Reorganized Parent

THE INFORMATION CONTAINED HEREIN IS NOT A PREDICTION OR GUARANTEE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED PURSUANT TO THE PREPACKAGED PLAN. THE INFORMATION IS PRESENTED SOLELY FOR THE PURPOSE OF PROVIDING ADEQUATE INFORMATION UNDER SECTION 1125 OF THE BANKRUPTCY CODE TO ENABLE THE HOLDERS OF CLAIMS ENTITLED TO VOTE TO ACCEPT OR REJECT THE PREPACKAGED PLAN TO MAKE AN INFORMED JUDGMENT ABOUT THE PREPACKAGED PLAN AND SHOULD NOT BE USED OR RELIED UPON FOR ANY OTHER PURPOSE, INCLUDING THE PURCHASE OR SALE OF CLAIMS AGAINST THE DEBTORS OR ANY OF THEIR AFFILIATES.¹

A. Estimated Valuation

Solely for the purposes of the Prepackaged Plan and the Disclosure Statement, SOLIC Capital Advisors, LLC ("SOLIC"), as financial advisor to the Debtors, has estimated a range of total enterprise value ("Enterprise Value") for Reorganized Parent on a consolidated going-concern basis and pro forma for the transactions contemplated by the Prepackaged Plan (the "Valuation Analysis"). The Valuation Analysis is based on financial information and projections provided by the Debtors' management, including the Financial Projections attached to the Disclosure Statement as Exhibit F (collectively the "Projections"), and information provided by other sources (including the Marketing Process, as defined below). The Valuation Analysis assumes that the Effective Date will occur on May 17, 2024. The valuation estimates set forth herein represent valuation analyses of Reorganized Parent generally based on the application of customary valuation techniques deemed appropriate by SOLIC.

Based on the Projections and solely for the purposes of the Prepackaged Plan, SOLIC estimates that the potential range of Reorganized Parent's operations on a going concern basis (the "Enterprise Value") is approximately \$63.4 to \$80.7 million. Based on the potential range of Enterprise Value and assumed debt of \$30.0 million with no excess cash as of the Effective Date, SOLIC estimates an imputed range of potential equity value of \$33.1 to \$50.5 million, following the Reorganized Debtors' assumption of the of the Prepetition MDA Loan and the DIP Facility being rolled into the Exit Facility. For purposes of the Valuation Analysis, SOLIC assumed that, between the date of filing of the Disclosure Statement and the assumed Effective Date, no material changes that would affect estimated valuation will occur. Reorganized Parent's estimated net cash is the sum of \$12.4 as of the Effective Date was deemed permanent working capital based on significant operational working capital requirements of company operations and was not applied against the assumed debt amounts.

SOLIC's Valuation Analysis does not constitute an opinion as to fairness from a financial point of view of the consideration to be received or paid under the Prepackaged Plan, of the terms and provisions of the Prepackaged Plan, or with respect to any other matters.

¹ All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the *Disclosure Statement for the Joint Prepackaged Chapter 11 Plan of Reorganization for View, Inc. and Its Debtor Affiliates* (the "Disclosure Statement"), to which this Valuation Analysis is attached as Exhibit E.

B. Valuation Methodology

The consolidated value of Reorganized Parent was estimated by primarily relying on three generally accepted valuation techniques: (i) Discounted Cash Flow ("<u>DCF</u>") Analysis and (ii) Guideline Public Company Analysis ("<u>Guideline Public Company Analysis</u>") and (iii) Precedent Merger and Acquisition Transaction Analysis ("<u>Precedent M&A Transactions</u>").

In addition, the Valuation Analysis considered the results of the marketing process conducted by the Debtors, as supported by SOLIC, prior to the Debtors' chapter 11 cases (the "Marketing Process"). Pursuant to the Marketing Process, SOLIC, under the direction of the Board and in coordination with the senior management team, contacted 42 prospective financial and/or strategic partners to solicit interest in a strategic transaction with the Debtors. Nine prospective purchasers signed non-disclosure agreements with the Debtors and were provided access to comprehensive diligence information with the opportunity to have calls or meetings with the Debtors' management team and/or SOLIC. To date, the Marketing Process has not resulted in any offers to purchase, or otherwise enter into a strategic transaction with, the Debtors' business.

(i) <u>Discounted Cash Flow Analysis:</u>

DCF analysis is a forward-looking enterprise valuation methodology that estimates the value of an asset or business by calculating the present value of expected future cash flows to be generated by that asset or business. Under this methodology, projected future cash flows are discounted by the business' weighted average cost of capital (the "Discount Rate"). The Discount Rate reflects the estimated rate of return that would be required by debt and equity investors to invest in the business based on its capital structure. The Enterprise Value of the firm is determined by calculating the present value of the unlevered after-tax free cash flows based on the Projections provided by management plus an estimate for the value of the firm beyond the Projection Period, known as the terminal value. The range of potential terminal values was calculated by applying a multiple to earnings before interest, taxes, depreciation and amortization ("EBITDA") and by deriving a value using an assumed perpetuity growth rate applied to the unlevered after-tax free cash flow in the final year of the Projection Period. The terminal value was then discounted back to the assumed Effective Date.

(ii) Guideline Public Company Analysis:

Guideline Public Company Analysis estimates the value of a company relative to other publicly traded companies with similar operating and financial characteristics. A set of publicly traded companies was selected based on similar business and financial characteristics to Reorganized Parent. The comparable group of companies was comprised of eight publicly traded companies that had significant glass manufacturing operations. The selected reference group may not be comparable to Reorganized Parent in all aspects and may differ materially in others.

In deriving Enterprise Value ranges under the Comparable Public Company Analysis methodology, revenue multiples were the primary valuation metric because the Company is not currently profitable. The median multiples for (i) Enterprise Value / 2023 Revenue and (ii) Enterprise Value / 2024 Revenue were applied to the Debtor's 2023 revenue and Reorganized Parents projected 2024 revenues to derive a preliminary estimate of enterprise value. Discounts were then applied to these preliminary estimates based on the Reorganized Parent's significantly smaller size, lack of profitability and execution risks associated with the Reorganized Parent's Projected Financials.

Case 24-10692-CTG Doc 190 Filed 05/19/24 Page 340 of 469

(iii) Precedent M&A Transaction Analysis:

Guideline Public Company Analysis estimates the value of a company using the valuation multiples from sale transactions involving companies that are similar to Debtors in terms of industry, product offering, and financial characteristics. The group of Precedent M&A Transactions was comprised of sixteen companies that provide architectural glass, windows or glazing related products and services. The acquired companies in the selected group of Precedent M&A Transactions may not be comparable to Reorganized Parent in all aspects, and may differ materially in others.

In deriving Enterprise Value ranges under the Comparable Public Company Analysis methodology, revenue multiples were the primary valuation metric because the Company is not currently profitable. The median multiple for (i) Enterprise Value / prior year revenue was applied to the Debtor's 2023 revenue to derive a preliminary estimate of enterprise value. Discounts were then applied to these preliminary estimates based on the Reorganized Parent's lack of profitability and execution risk associated with its business model.

THE VALUATION ANALYSIS REFLECTS WORK PERFORMED BY SOLIC ON THE BASIS OF INFORMATION IN RESPECT OF THE BUSINESSES AND ASSETS OF THE DEBTORS AVAILABLE TO SOLIC AS OF APRIL 1, 2024. IT SHOULD BE UNDERSTOOD THAT, ALTHOUGH SUBSEQUENT DEVELOPMENTS MAY AFFECT SOLIC'S CONCLUSIONS, SOLIC DOES NOT HAVE ANY OBLIGATION TO UPDATE, REVISE, OR REAFFIRM ITS VALUATION ANALYSIS AND DOES NOT INTEND TO DO SO.

SOLIC DID NOT INDEPENDENTLY VERIFY THE PROJECTIONS OR OTHER INFORMATION THAT SOLIC USED IN THE VALUATION ANALYSIS. THE VALUATION ANALYSIS WAS DEVELOPED SOLELY FOR PURPOSES OF THE PREPACKAGED PLAN AND THE ANALYSIS OF POTENTIAL RELATIVE RECOVERIES TO CREDITORS THEREUNDER. THE VALUATION ANALYSIS REFLECTS THE APPLICATION OF VARIOUS VALUATION TECHNIQUES, DOES NOT PURPORT TO BE AN OPINION AND DOES NOT PURPORT TO REFLECT OR CONSTITUTE AN APPRAISAL, LIQUIDATION VALUE, OR ESTIMATE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED OR ASSETS TO BE SOLD PURSUANT TO THE PREPACKAGED PLAN, WHICH MAY BE SIGNIFICANTLY DIFFERENT THAN THE AMOUNTS SET FORTH IN THE VALUATION ANALYSIS.

THE VALUE OF AN OPERATING BUSINESS IS SUBJECT TO NUMEROUS UNCERTAINTIES AND CONTINGENCIES THAT ARE DIFFICULT TO PREDICT AND WILL FLUCTUATE WITH CHANGES IN FACTORS AFFECTING THE FINANCIAL CONDITION AND PROSPECTS OF SUCH A BUSINESS. AS A RESULT, THE VALUATION ANALYSIS IS NOT NECESSARILY INDICATIVE OF ACTUAL OUTCOMES, WHICH MAY BE SIGNIFICANTLY MORE OR LESS FAVORABLE THAN THOSE SET FORTH HEREIN. BECAUSE SUCH ESTIMATES ARE INHERENTLY SUBJECT TO UNCERTAINTIES, NEITHER THE DEBTORS, SOLIC, NOR ANY OTHER PERSON ASSUMES RESPONSIBILITY FOR THEIR ACCURACY. IN ADDITION, THE POTENTIAL VALUATION OF NEWLY ISSUED SECURITIES IS SUBJECT TO ADDITIONAL UNCERTAINTIES AND CONTINGENCIES, ALL OF WHICH ARE DIFFICULT TO PREDICT.

SOLIC assumed that the Projections were reasonably prepared in good faith and on a basis reflecting the Debtors' best estimates and judgments as to the future operating and financial performance of Reorganized Parent. The Valuation Analysis assumes that the actual performance of Reorganized Parent will correspond to the Projections in all material respects. If the business performs at levels below or above those set forth in the Projections, such performance may have a materially negative or positive impact, respectively, on the Valuation Analysis and estimated potential ranges of Enterprise Value therein.

In preparing the Valuation Analysis, SOLIC: (a) reviewed certain historical financial information of the Debtors for recent years and interim periods; (b) reviewed certain financial and operating data of the Debtors, including the Projections; (c) discussed the Debtors' operations and future prospects with the Debtors' senior management team; (d) reviewed certain publicly available financial data for, and considered the market value of, public companies that SOLIC deemed generally relevant in analyzing the value of Reorganized Parent; (e) considered certain economic and industry information that SOLIC deemed generally relevant to Reorganized Parent; and (f) conducted such other studies, analyses, inquiries, and investigations as deemed appropriate. SOLIC assumed and relied on the accuracy and completeness of all financial and other information furnished to it by the Debtors' management and other parties as well as publicly available information.

The Valuation Analysis does not constitute a recommendation to any holder of Allowed Claims or any other person as to how such person should vote or otherwise act with respect to the Prepackaged Plan. SOLIC has not been requested to, and does not express any view as to, the potential value of Reorganized Parent's equity securities on issuance or at any other time.

SOLIC did not estimate the value of any tax attributes on the Reorganized Debtors' Projections. Such matters are subject to many uncertainties and contingencies that are difficult to predict. Any changes to the assumptions on the availability of tax attributes on the Reorganized Debtor's Projections could materially impact SOLIC's valuation analysis.

THE SUMMARY SET FORTH ABOVE DOES NOT PURPORT TO BE A COMPLETE DESCRIPTION OF THE VALUATION ANALYSIS PERFORMED BY SOLIC. THE PREPARATION OF A VALUATION ANALYSIS INVOLVES VARIOUS DETERMINATIONS AS TO THE MOST APPROPRIATE AND RELEVANT METHODS OF FINANCIAL ANALYSIS AND THE APPLICATION OF THESE METHODS IN THE PARTICULAR CIRCUMSTANCES AND, THEREFORE, SUCH AN ANALYSIS IS NOT READILY SUITABLE TO SUMMARY DESCRIPTION. THE VALUATION ANALYSIS PERFORMED BY SOLIC IS NOT NECESSARILY INDICATIVE OF ACTUAL VALUES OR FUTURE RESULTS, WHICH MAY BE SIGNIFICANTLY MORE OR LESS FAVORABLE THAN THOSE DESCRIBED HEREIN.

SOLIC IS ACTING AS FINANCIAL ADVISOR TO THE DEBTORS, AND HAS NOT BEEN, WILL NOT BE RESPONSIBLE FOR, AND WILL NOT PROVIDE ANY TAX, ACCOUNTING, ACTUARIAL, LEGAL, OR OTHER SPECIALIST ADVICE.

Financial Projections

Financial Projections¹

The Debtor believes that the Prepackaged Plan meets the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code, as confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the Debtor or any successor under the Prepackaged Plan. In connection with the planning and development of a plan of reorganization and for the purposes of determining whether such plan would satisfy this feasibility standard, the Debtors analyzed their ability to satisfy their financial obligations while maintaining sufficient liquidity and capital resources.

The Debtors do not anticipate that they will, and disclaim any obligation to, furnish updated Financial Projections to holders of Claims or other parties in interest going forward, or to include such information in documents required to be filed with the SEC or otherwise make such information public, unless required to do so by the SEC or other regulatory bodies pursuant to the provisions of the Prepackaged Plan.

In connection with the Disclosure Statement, the Debtors' management team ("Management") prepared the Financial Projections for the years 2024 through 2027 (the "Projection Period"). The Financial Projections were prepared by Management and are based on several assumptions made by Management with respect to the future performance of the Reorganized Debtors' operations. No representation or warranty, expressed or implied, is provided in relation to fairness, accuracy, correctness, completeness, or reliability of the information, opinions, or conclusions expressed herein.

THESE FINANCIAL PROJECTIONS WERE NOT PREPARED WITH A VIEW TOWARD COMPLIANCE WITH PUBLISHED GUIDELINES OF THE SEC OR GUIDELINES ESTABLISHED BY THE AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS FOR **PREPARATION AND PRESENTATION** OF **PROSPECTIVE** FINANCIAL INFORMATION.ALTHOUGH **MANAGEMENT** HAS **PREPARED** THE **FINANCIAL** PROJECTIONS IN GOOD FAITH AND BELIEVES THE ASSUMPTIONS TO BE REASONABLE, IT IS IMPORTANT TO NOTE THAT NEITHER THE DEBTORS NOR THE REORGANIZED DEBTORS CAN PROVIDE ANY ASSURANCE THAT SUCH ASSUMPTIONS WILL BE REALIZED. AS DESCRIBED IN DETAIL IN THE DISCLOSURE STATEMENT, A VARIETY OF RISK FACTORS COULD AFFECT THE REORGANIZED DEBTORS' FINANCIAL RESULTS AND MUST BE CONSIDERED. ACCORDINGLY, THE FINANCIAL PROJECTIONS SHOULD BE REVIEWED IN CONJUNCTION WITH A REVIEW OF THE DISCLOSURE STATEMENT HEREIN, INCLUDING ALL RELEVANT THE **ASSUMPTIONS** DESCRIBED QUALIFICATIONS AND FOOTNOTES.

The Financial Projections contain certain forward-looking statements, all of which are based on various estimates and assumptions. Such forward-looking statements are subject to inherent uncertainties and to a wide variety of significant business, economic, and competitive risks, including those summarized herein. When used in the Financial Projections, the words, "anticipate," "believe," "estimate," "will," "may," "intend," "expect," and similar expressions should be generally identified as forward-looking statements. Although the Debtors believe that their plans, intentions, and expectations

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Disclosure Statement, to which these Financial Projections are attached as <u>Exhibit F</u>.

reflected in the forward-looking statements are reasonable, they cannot be sure that they will be achieved. These statements are only predictions and are not guarantees of future performance or results. Forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from those contemplated by a forward-looking statement. All forward-looking statements attributable to the Debtors or Persons or Entities acting on their behalf are expressly qualified in their entirety by the cautionary statements set forth herein. Forward-looking statements speak only as of the date on which they are made. Except as required by law, the Debtors expressly disclaim any obligation to update any forward-looking statement, whether because of new information, future events, or otherwise.

The financial projections should be read in conjunction with the assumptions, qualifications, and explanations set forth in the Disclosure Statement and the Prepackaged Plan in their entirety as well as the notes and assumptions set forth below.

The Financial Projections are subject to inherent risks and uncertainties, most of which are difficult to predict and many of which are beyond Management's control. Although Management believes these assumptions are reasonable under the circumstances, such assumptions are subject to significant uncertainties, including, but not limited to, (a) changes commercial real estate development activity including construction or redevelopment of office buildings, apartments, airport terminals, hospitals and other commercial buildings; (b) pricing and product offerings of the Debtors' architectural glass competitors, particularly with respect to electrochromic glass windows and similar energy efficient windows; (c) availability and cost of raw materials including insulated glass, cables, metals and related components; (d) labor costs and costs of contractors and other services providers used by the Company; (e) interest rates and inflation; (f) changes for tax incentives for energy efficient products; and (g) applicable laws and regulations. Should one or more of the risks occur, or should underlying assumptions prove incorrect, actual results and plans could differ materially from those expressed in the Financial Projections. Further, new factors could cause actual results to differ materially from those described in the Financial Projections, and it is not possible to predict all such factors, or to the extent to which any such factor or combination of factors may cause actual results to differ from those contained in the Financial Projections. The Financial Projections herein are not, and must not be viewed as, a representation of fact, prediction, or guaranty of the Reorganized Debtors' future performance.

1) General Assumptions

A. Overview

The Company is a leading provider of electrochromic "Smart Glass" with products installed into over 48 million square feet of buildings, including offices, hospitals, airports, educational facilities, hotels, and multi-family residences. The Company's principal business is their "Smart Building Platform" product, which is a fully integrated smart window platform that includes end-to-end design and deployment services. Products and services are provided worldwide and in a variety of distinct segments with various other competitors and suppliers.

B. Presentation

The Financial Projections are presented on a basis of accounting consistent with Generally Accepted Accounting Principles ("GAAP"). GAAP requires that majority-owned subsidiaries be

reported under the consolidation method of accounting. As a result, the Company has shown the results of all consolidated entities within the Financial Projections presented herein.

C. Accounting Policies

The Financial Projections have been prepared using accounting policies that are materially consistent with those applied in the Company's historical financial statements. The Financial Projections do not reflect the formal implementation of reorganization accounting pursuant to FASB Accounting Standards Codification Topic 852, *Reorganizations* ("ASC 852"). Overall, the implementation of ASC 852 is not anticipated to have a material impact on the underlying economics of the Prepackaged Plan.

D. Methodology

In developing the Financial Projections, Management reviewed current utilization of products and services by region and segment, as well as backlog of firm orders. Management evaluates customer activity in relevant markets and their capital spending outlook to assess whether contracts are likely to be renewed. Depending on the service line, customer and location, contracts vary in their terms and provisions.

E. Market Forecast

The Financial Projections were prepared based on Management's estimates, which is heavily influenced by the current and expected commercial real estate development and construction activity. Changes in expenditures result in an increased or decreased demand for products and services.

F. Prepackaged Plan Consummation

The Financial Projections assume that the Prepackaged Plan will be consummated on or around May 17, 2024.

G. Capital Structure

The reorganized Company's estimated post-emergence capital structure is assumed to be effective beginning May 17, 2024, or shortly thereafter. The Financial Projections assume the following key assumptions at emergence:

• A \$42.5M First lien senior secured Exit Facility maturing 2029 comprised of: (i) \$17.5M of DIP Financing to be rolled into the Exit Facility, and (ii) a \$32.5M 1st lien delayed draw term loan facility, with (iii) pursuant to the Exit Facility Documentation, the ability to add one or more incremental term loan facilities and/or revolving credit facilities, and/or increase commitments under the Exit Facility and/or add one or more incremental revolving credit facilities to the Exit Facility, or to issue any notes or loans on a bridge basis, in an aggregate principal amount no greater than \$15,000,000. The Exit Facility bears cash interest at an annual rate of SOFR plus 7.50% or payment-in-kind (PIK) interest at SOFR+14.00%, at the Borrower's option, an unused commitment fee of 2.00% payable monthly in cash, and a closing fee payable in cash on the closing date of 3.00%.

2) Assumptions with Respect to the Projected Income Statement

A. Overview

The Projected Income Statement and Projected Cash Flow Statement are forecast over the projected period beginning with the assumed emergence date of May 17, 2024.

B. Revenue

The Financial Projections include revenue generated by product and services sales, either separately or bundled together to provide integrated solutions up to, and including, integrated Smart Building Platform implementation where the Company is responsible for the entire curtain wall. Forecasted Revenue for Smart Building Platforms in 2024 and 2025 is based on the Company's current backlog and pipeline (which has over \$1.5 Billion of identified revenue opportunities) using current pricing schedules, with growth accelerating as the Company expands its relationships with priority customer relationships.

C. Cost of Goods Sold

Cost of Goods Sold ("COGS") includes the cost of producing electrochromic glass at the View manufacturing facility in Olive Branch, MS, including labor, factory overhead, raw materials (including insulated glass units, electronic cables, metal framing, and related components), the cost of glaziers and other third-party vendors to install the View's windows under its Smart Building Platform product offering. COGS is forecasted based on the Company's current production and installation cost structure, with planned efficiencies as the Company reaches projected capacity utilization thresholds based on forecasted volumes.

D. Research and Development

Research and Development Costs ("**R&D**") are primarily comprised of legal expenses to support its portfolio of current and pending patents as well as labor and production costs, associated with product maintenance or enhancement. Projected R&D is based primarily on historical R&D costs, adjusted for recent cost reduction efforts. Annual R&D is projected to be approximately \$24 million in 2024 with annual increases of 10% to 11% through the projection period (approximately 2.5% per quarter).

E. Selling, General and Administrative Expenses

Selling, General and Administrative Costs ("SG&A") are primarily comprised of labor costs, outside services (including accounting and legal expenses), marketing and other expenses associated with corporate overhead. Projected SG&A is based primarily on historical SG&A costs, adjusted for recent cost reduction efforts. Annual SG&A is projected to be approximately \$42 million in 2024 with annual increases of 10% to 11% through the projection period (approximately 2.5% per quarter).

F. Depreciation and Amortization

Depreciation and amortization reflect the anticipated book expenses based on the carrying asset values.

3) Assumptions with Respect to the Projected Cash Flow Statement

A. Working Capital

Working capital assumptions are based on movements in accounts receivable, accounts payable, and other accrued current assets and liabilities. Projected increases in working capital are forecasted by projecting future balances for accounts receivable, inventory, accounts payable and accrued expenses using the Company's current trade terms with customers, suppliers and vendors.

B. Capital Expenditures

Forecasted capital expenditures ("Capex") were prepared with consideration for the needs of the Company's fixed assets and assumed to be \$1 million per quarter during the Forecast Period. Capital expenditures primarily include ongoing maintenance of the Company's manufacturing facility. No expansion of the facility is assumed in the Forecast Period.

C. Non-Recurring Expenses

Non-recurring expenses primarily relate to existing legal settlements and are based out based on existing settlement schedules.

D. Bonding Requirements

Funding requirements for performance bonds for future customer contracts are forecasted based on current bond pricing and customer requirements and revenue growth projections. Bonding requirements are offset by projected release of existing cash collateral supporting current projects that is expected to be released as projects are completed.

E. Financing

Borrowings of \$45 million are projected to be drawn under the New Exit Facility during 2024. This includes the \$32.5 million available under the 1st lien delayed draw term loan facility of the New Exit Facility plus the ability under the New Exit Facility Documents to add up to an additional \$15 million through on or more incremental term loan facilities and/or revolving credit facilities. Interest on borrowings under the New Exit Facility are projected to be paid in the form of PIK interest. Principal and interest payments of approximately \$1.5M per year are forecasted on the MDA Loan.

F. Warranty Payments

Warranty payments during the forecast period are based on expected cash outflows to support the Company's contractual warranty claims.

G. GAAP Accounting

Represents impact on cash from unwinding certain loss accruals on certain projects incurred under the Company's accounting policies.

H. Income Tax Expense

No income tax is projected during the forecast period due to anticipated current and future Net Operating Losses being available to offset future income.

The DIP Agent and DIP Lenders shall have the right of set off set forth in Section 9.09 of the Prepetition Credit Agreement as applied to this DIP Term Sheet and the DIP Facility *mutatis mutanda*.

Maturity/Termination Date:

Unless otherwise consented to in writing by the Required DIP Lenders, the DIP Facility and the Debtors' right to use Cash Collateral (as applicable) shall automatically terminate (the date of such termination, the "*Termination Date*") without further notice or court proceedings on the earliest to occur of:

- ii. the date of termination of the DIP Facility Commitment and/or acceleration of any outstanding borrowings under the DIP Facility pursuant to an Event of Default;

The Prepetition Term Loan Agent shall receive the following as adequate protection for the benefit of the Prepetition Term Loan Lenders:

- i. a super-priority claim under Section 507(b) of the Bankruptcy Code, with priority over all administrative expense claims and unsecured claims now existing or after arising, *provided*, *however*, that such super-priority claim shall be junior and subject to the Carve-Out, and the super-priority claim of the DIP Agent for the benefit of the DIP Lenders in respect of the DIP Facility;
- ii. a second priority, valid, enforceable, fully perfected security interest in and replacement lien on the DIP Collateral, subordinate only to (a) the liens of the DIP Agent for the benefit of the DIP Lenders in respect of the DIP Facility, (b) Permitted Liens, and (c) the Carve-Out;
- iii. payment of (a) the reasonable, documented out-ofpocket fees, costs and expenses incurred or accrued by the Prepetition Term Loan Agent (the foregoing to include all unpaid prepetition fees, costs and expenses) in connection with any and all aspects of the Debtors' Chapter 11 Cases, and including the reasonable and documented out-of-pocket fees, costs, and expenses of the legal and financial advisors and investment bankers to the Prepetition Term Loan Agent, or other professionals, hired by or on behalf of the Requisite Lenders (as defined in the Prepetition Term Loan Facility); and (b) the reasonable and documented out-of-pocket fees, costs, and expenses incurred or accrued in connection with any and all aspects of the Debtors' Chapter 11 Cases by those certain legal and financial advisors to the Prepetition Term Loan Lenders engaged by the Prepetition Term Loan Lenders, subject to the consent of the Required DIP Lenders.
- iv. (a) upon closing of the DIP Facility, payment of all accrued and unpaid interest and fees (if any) at the default rate then owing under the Prepetition Credit Agreement, and (b) the current payment of postpetition interest and fees at the default rate as and when due and payable under the Prepetition Credit Agreement, each of which shall be paid-in-kind notwithstanding anything to the contrary in the Prepetition Credit Agreement; *provided*, *however*, that (x) the adequate protection claims and liens

described in the preceding clauses (i) and (ii) shall be granted only to the extent of any diminution in the value of any Cash Collateral or other collateral arising as a result of (A) the use, sale, or lease of Cash Collateral or other collateral, (B) the granting of priming liens to secure the DIP Facility or (C) the imposition of the automatic stay.

The foregoing adequate protection liens shall be deemed automatically perfected as of the Petition Date without further action, although if the DIP Agent or the Prepetition Term Loan Agent determine to file any financing statements, notice of liens or similar instruments, the Debtors will cooperate and assist in any such filings and the automatic stay shall be lifted to allow such filings.

Carve-Out:

Upon the occurrence of the earlier of (i) the Debtors' receipt of notice of an Event of Default and continuance thereof and (ii) the Scheduled Maturity Date (each a "Carve-Out Event"), to the extent unencumbered funds are not available to pay administrative expenses in full, the claims and liens of the DIP Agent for the benefit of the DIP Lenders, on one hand, and the Prepetition Term Loan Agent for the benefit of the Prepetition Term Loan Lenders, on the other hand, shall be subject to payment of (a) the aggregate amount of any budgeted and unpaid fees, costs and expenses that were accrued or incurred prior to the Carve-Out Event by the professionals retained by the Debtors (collectively, the "Debtor Professionals") and any Creditors' Committee (together with the Debtor Professionals, the "Professionals") payable under sections 328, 330, and 331 of the Bankruptcy Code, to the extent allowed by an order of the Bankruptcy Court, plus (b) those fees, costs and expenses incurred by the Professionals after the Carve-Out Event, payable under sections 330 and 331 of the Bankruptcy Code and subsequently allowed by order of the Bankruptcy Court (and, if applicable, in compliance with the Approved Budget), in an aggregate amount not to exceed \$500,000, plus (c) all reasonable fees and expenses in an amount not to exceed \$25,000 incurred by any chapter 7 trustee under Bankruptcy Code 726(b), plus (d) fees required to be paid to the Clerk of the Court and to the United States Trustee pursuant to 28 U.S.C. § 1930 (the foregoing clauses (a), (b), (c), and (d), together, the "Carve-Out").

The foregoing Carve-Out shall not be reduced by the amount of any compensation and reimbursement of expenses paid or incurred (to the extent ultimately allowed by the Bankruptcy Court) prior to the occurrence of the carve-out date consistent with the terms of the Approved Budget; *provided* that following a Carve-Out Event, any amounts paid to Professionals by any means will reduce the Carve-Out on a dollar-for-dollar basis;

provided further that nothing herein shall be construed to impair the ability of any party in interest to object to any of the fees, expenses, reimbursement or compensation sought by the Professionals or professionals retained by any other statutory committee appointed in the Chapter 11 Cases.

None of the Carve-Out, any Cash Collateral, the DIP Facility Loans, the DIP Collateral, or the Prepetition Collateral (as defined below) may be used to challenge the amount, validity, perfection, priority, or enforceability of, or assert any defense, counterclaim, or offset to, the DIP Facility Documentation or the Prepetition Loan Documents, or the security interests and liens securing any of the DIP Obligations or the Prepetition Term Loan, or to fund prosecution or assertion of any claims, or to otherwise litigate against the DIP Agent, any DIP Lender, the Prepetition Term Loan Agent, or any Prepetition Term Loan Lender; *provided* that up to \$50,000 shall be made available to the Creditors' Committee (if appointed) for investigation costs in respect of the stipulations contemplated below or otherwise set forth in the Financing Orders.

Estate Professional Fees:

Financing Orders to include language confirming that nothing in such orders or otherwise shall be construed as consent to the allowance of any fees, expenses, reimbursement or compensation sought by any professional retained by the Debtors or any Creditors' Committee, or shall affect the right of any party in interest, including any DIP Lender or the DIP Agent, to object to the allowance and payment of any such fees, expenses, reimbursement or compensation.

Section 506(c) Waiver:

The Final Order shall include a ruling that, except to the extent of the Carve-Out, no expenses of administration of the Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from any collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the Required DIP Lenders, and no such consent shall be implied from any other action, inaction, or acquiescence by the Required DIP Lenders.

No Marshaling:

The Final Order shall include a ruling that the DIP Agent, the DIP Lenders, the Prepetition Term Loan Agent, and the Prepetition Term Loan Lenders may exercise all remedies available under the DIP Facility Documentation and Prepetition Loan Documents, in a manner consistent with the Financing Orders, without any requirement first to look to exercise any of its or their rights against any particular collateral or party or to exhaust any remedies available to it or them against any particular collateral or party or to resort to any other source or means of obtaining payment of any of such obligations or to

elect any other remedy. The Final Order shall include a ruling that in no event shall any of the DIP Agent, the DIP Lenders, the Prepetition Term Loan Agent or the Prepetition Term Loan Lenders be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to the collateral securing the DIP Facility Loans or the Prepetition Term Loan.

Section 552(b):

The Final Order shall include a ruling that the DIP Agent, the DIP Lenders, the Prepetition Term Loan Agent and the Prepetition Term Loan Lenders are entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, the "equities of the case" exception under sections 552(b)(i) and (ii) of the Bankruptcy Code shall not apply to such parties with respect to the proceeds, products, rents, issues or profits of any of their collateral, and no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, may be charged against proceeds, product, offspring or profits from any of the collateral under section 552(b) of the Bankruptcy Code.

Furthermore, the Final Order shall include a ruling that the Debtors and their estates shall be deemed to have irrevocably waived and have agreed not to assert any claim or right under sections 552 or 726 of the Bankruptcy Code to avoid the imposition of the liens of the DIP Agent, the DIP Lenders, the Prepetition Term Loan Agent or the Prepetition Term Loan Lenders on any property acquired by any of the Debtors or any of their estates or to seek to surcharge any costs or expenses incurred in connection with the preservation, protection or enhancement of, or realization by, the DIP Agent, the DIP Lenders, the Prepetition Term Loan Agent or the Prepetition Term Loan Lenders upon the DIP Collateral or the Prepetition Collateral, as applicable.

No Priming or Pari Passu Liens:

No order shall be entered authorizing or approving any liens or encumbrances on the DIP Collateral or the Prepetition Collateral, as applicable, senior to or *pari passu* with the liens of the Prepetition Term Loan Agent for the benefit of the Prepetition Term Loan Lenders, or the DIP Agent for the benefit of the DIP Lenders other than as otherwise contemplated herein.

Acknowledgement/Stipulations:

Valid and binding upon entry of an interim Financing Order, the Debtors shall stipulate and acknowledge (i) to the amount, validity, priority and enforceability of the Obligations (as defined in the Prepetition Credit Agreement) under the Prepetition Loan Documents, (ii) that the Prepetition Term Loan Agent for the benefit of the Prepetition Term Loan Lenders has a valid, enforceable and fully perfected first priority lien in all of the collateral under the Prepetition Loan Documents (the "Prepetition Collateral"), including Cash Collateral, and all

proceeds thereof, subject only to the DIP Liens, the Permitted Liens, and the Carve-Out, and (iii) that the Prepetition Collateral is declining in value on a daily basis as the result of the Debtors' business operations, including current levels of resource extraction, capital expenditure, and cash flow. The Debtors shall provide a full release to the Prepetition Term Loan Agent and the Prepetition Term Loan Lenders (and their related parties and affiliates), which would not bind the Creditors' Committee or other party in interest until the expiration of the period described in the paragraph below titled "Challenge Period".

Challenge Period:

The Financing Orders shall establish a deadline that (i) in the case of a Creditors' Committee, is no earlier than 45 days after the appointment of such committee, but in any event is within 75 days of the Petition Date, or (ii) in the case of any other party in interest, is within 75 days of the Petition Date, by which any Creditors' Committee, or any creditor or other party-in-interest (in any case, which has obtained the requisite standing) must commence an adversary proceeding, if at all, against the Prepetition Term Loan Agent or the Prepetition Term Loan Lenders for the purpose of challenging the validity, extent, priority, perfection and enforceability of the prepetition secured debt under the Prepetition Credit Agreement or the other Prepetition Loan Documents, or the liens, claims and security interests in the Prepetition Collateral in favor of the Prepetition Term Loan Agent or the Prepetition Term Loan Lenders or otherwise asserting any claims or causes of action against the Prepetition Term Loan Agent or such Prepetition Term Loan Lenders on behalf of the Debtors' estates; provided, however, that nothing contained in this DIP Term Sheet, the DIP Facility Documentation or the Financing Orders shall be deemed to confer standing on any Creditors' Committee or any other party in interest to commence such an adversary proceeding. If such an adversary proceeding is not commenced within such period, then the Prepetition Term Loan Agent and the Prepetition Term Loan Lenders shall automatically receive full waivers and releases provided in the Financing Orders and the liens of the Prepetition Term Loan Agent on behalf of the Prepetition Term Loan Lenders shall be valid, perfected, enforceable and unavoidable without any further action by the Prepetition Term Loan Agent or Prepetition Term Loan Lenders under the terms of the Financing Orders.

None of the Carve-Out, any Cash Collateral, the DIP Facility Loans, the DIP Collateral or the Prepetition Collateral, may be used to challenge the amount, validity, perfection, priority or enforceability of, or assert any defense, counterclaim or offset to the Prepetition Loan Documents, or the security interests and liens securing any of the Prepetition Obligations, or to fund prosecution or assertion of any claims, or to otherwise litigate against the Prepetition Term Loan Agent or any Prepetition

Term Loan Lender; *provided* that up to \$50,000 shall be made available to the Creditors' Committee (if appointed) for investigation costs in respect of the stipulations contemplated below or otherwise set forth in the Financing Orders.

Expenses:

The reasonable, documented out-of-pocket fees, costs and expenses incurred by the DIP Agent (the foregoing to include all unpaid prepetition fees, costs and expenses incurred by the DIP Agent in connection with the DIP Facility) in connection with any and all aspects of the Debtors' Cases, including, without limitation, the DIP Agent's fee of \$25,000 and the reasonable and documented out-of-pocket fees and expenses of Troutman Pepper Hamilton Sanders LLP as counsel to the DIP Agent, and the reasonable and documented out-of-pocket fees and expenses of Sidley Austin LLP and Gibson Dunn & Crutcher LLP, as cocounsels to the Required DIP Lenders and other professionals, hired by or on behalf of the Required DIP Lenders, shall, subject to the terms of the Financing Orders, be payable by the Debtors under the DIP Facility on a bi-weekly basis, promptly upon submission by such professional of a summary invoice setting forth such fees, costs and expenses.

Indemnification:

The Debtors shall indemnify and hold harmless the DIP Agent, the Prepetition Term Loan Agent, and the DIP Lenders and each of their respective affiliates and each of their respective officers, directors, employees, agents, advisors, attorneys and representatives (each, an "Indemnified Party") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable and documented outof-pocket fees and disbursements of counsel), that may be incurred by or asserted or awarded against any Indemnified Party (including, without limitation, in connection with any investigation, litigation or proceeding or the preparation of a defense in connection therewith), arising out of or in connection with or by reason of the transactions contemplated hereby (the "Indemnified Liabilities"). In the case of an investigation, litigation or other proceeding to which the indemnity in this paragraph applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any of the Debtors, any of their respective directors, security holders or creditors, an Indemnified Party or any other person or an Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated.

View Inc. et al.,

April 2, 2024

The terms and conditions summarized below are intended as a summary outline of a proposed financing commitment which is conditioned in all respects upon completion of due diligence, negotiation of definitive documentation and final credit approval and do not purport to summarize all of the conditions, covenants, representations, warranties and other provisions which would be contained in definitive documentation. No Exit Lender (as defined herein) is under any obligation to make a loan or make any commitment to lend and any such commitment would be subject to, among other conditions, such Exit Lender obtaining any necessary final credit authorizations and approvals and negotiation and execution of definitive documentation in form and substance satisfactory to such Exit Lender. This summary of indicative terms ("Term Sheet") sets forth certain of the principal terms for a potential Exit Facility for View, Inc ("View" or the "Company") and the Guarantors (as defined below). This document is delivered to you with the understanding that neither it nor its substance shall be disclosed to any third party. Any provision of financial accommodations under such credit facility shall be further subject to the terms and conditions set forth below.

Capitalized terms used in this term sheet and not otherwise defined shall have the meaning given to such terms in the Restructuring Support Agreement to which this term sheet is attached (the "RSA").

the "Loan Parties").

Exit Agent: Cantor Fitzgerald Securities, in its capacity as Exit Agent

under the Exit Credit Agreement (the "Exit Agent").

Subject to satisfaction of the conditions precedent set forth herein, the Tranche B Term Loans and Tranche C Term Loans will be made available in one or more draws after the Closing Date. For the avoidance of doubt, participation by the Exit Lenders in the Tranche B Term Loans and Tranche C Term Loans will be, other than with respect to Cantor and RXR (and their affiliates), subject to the Exit Agent's reasonable satisfaction with such Exit Lender's creditworthiness and other customary and reasonable conditions to be specified in the Exit Facility Documentation.

DEBTORS' STIPULATIONS

- E. After consultation with their attorneys and financial advisors, the Debtors (on behalf of and for themselves and their non-Debtor affiliates and related parties) admit, stipulate, acknowledge, and agree that:
 - Prepetition Secured Facility. Pursuant to that certain Credit Agreement, dated as of (i) October 16, 2023 (as amended, supplemented, restated or otherwise modified prior to the Petition Date, the "Prepetition Credit Agreement" and, collectively with the Loan Documents (as defined in the Prepetition Credit Agreement) and any other agreements and documents executed or delivered in connection therewith, each as amended, otherwise modified from supplemented, or time the "Prepetition Credit Documents"), by and among (a) View, Inc., as borrower (the "Prepetition Borrower"), (b) the guarantors party thereto (in such capacities, the "Prepetition Guarantors" and, together with the Prepetition Borrower, the "Prepetition Obligors"), (c) Cantor Fitzgerald Securities, as administrative agent and collateral agent (in such capacities, the "Prepetition Agent"), and (d) the lenders party thereto from time to time (collectively, the "Prepetition Lenders" and together with the Prepetition Agent, the "Prepetition Secured Parties"), the Prepetition Lenders provided the Prepetition Term Loans and the Prepetition Revolving Loans to the Prepetition Borrower.
 - (ii) Prepetition Secured Obligations. As of the Petition Date, the Prepetition Borrower and the Prepetition Guarantors were justly and lawfully indebted and liable to the Prepetition Secured Parties without defense, challenge, objection, claim, counterclaim, or offset of any kind, in the aggregate principal amount of not less than \$\$51,843,078.43 of the outstanding Prepetition Term Loans, pursuant to, and in accordance with the terms of, the Prepetition Credit Documents, plus accrued and unpaid interest thereon and fees, expenses (including any attorneys', accountants', appraisers' and financial advisors' fees and expenses, in each case, that are chargeable or reimbursable under the Prepetition Credit Documents), costs, charges, indemnities, the Prepayment Premium (which includes, for the avoidance of doubt, the Make-Whole Premium and Early Exit Premium, each as defined in the Prepetition Credit Documents), and other obligations incurred in connection therewith (whether arising before or after the Petition Date) as provided in the Prepetition Credit Documents (collectively, the "Prepetition Secured Debt"), which Prepetition Secured Debt has been guaranteed on a joint and several basis by each of the Prepetition Guarantors.
 - (iii) Validity of Prepetition Secured Debt. The Prepetition Secured Debt constitutes legal, valid, binding, and non-avoidable obligations of the Prepetition Borrower and the Prepetition Guarantors, as applicable, enforceable in accordance with its terms and no

portion of the Prepetition Secured Debt or any payment made to the Prepetition Secured Parties, in their capacities as such, or applied to or paid on account of the obligations owing under the Prepetition Credit Documents prior to the Petition Date is subject to any contest, attack, rejection, recovery, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance or other claim (as such term is used in the Bankruptcy Code), cause of action (including any claims or avoidance actions under Chapter 5 of the Bankruptcy Code), choses in action or other challenge of any nature under the Bankruptcy Code or applicable non-bankruptcy law.

- Validity, Perfection and Priority of Prepetition Liens. Pursuant to and in connection (iv) with the Prepetition Credit Documents, the Prepetition Borrower and the Prepetition Guarantors granted to the Prepetition Agent, for the benefit of itself and the other Prepetition Secured Parties, a security interest in and continuing lien, senior in priority over any and all other liens (the "Prepetition Liens"), on all of their assets and property, including the "Collateral" (as defined in Prepetition Credit Agreement) (which includes certain Cash Collateral) and all proceeds, products, accessions, rents, and profits thereof, in each case whether then owned or existing or thereafter acquired or arising (collectively, the "Prepetition Collateral"). As of the Petition Date, such Prepetition Liens constitute valid, binding, properly perfected, enforceable, non-avoidable first priority security interests in and continuing liens on the Collateral, which Prepetition Liens are not subject to avoidance, recharacterization, subordination (whether equitable, contractual, or otherwise), recovery, attack, disgorgement, effect, rejection, reduction, disallowance, impairment, counterclaim, offset, crossclaim, defense or Claim (as defined in the Bankruptcy Code), subject and subordinate only to certain liens permitted by the Prepetition Credit Documents, solely to the extent any such permitted liens were valid, binding, enforceable, properly perfected, non-avoidable and senior in priority to the Prepetition Liens as of the Petition Date, or that are perfected subsequent to the Petition Date, but solely as permitted by section 546(b) of the Bankruptcy Code (collectively, the "Prepetition Permitted Senior Liens").
- (v) Intercreditor Provisions. Pursuant to section 510 of the Bankruptcy Code, any applicable intercreditor or subordination provisions contained in any of, or entered into as permitted by and in accordance with, the Prepetition Credit Documents shall (i) remain in full force and effect, (ii) shall be binding against the Prepetition Secured Parties in accordance with its terms, and (iii) not be deemed to be amended, altered or modified by the terms of this Interim Order or the DIP Documents.
- (vi) *No Control*. None of the Prepetition Secured Parties, by virtue of any actions taken with respect to, in connection with, related to or arising from the Prepetition Credit Documents, control (or have in the past controlled) the Debtors or their properties or operations, have authority to determine the manner in which any Debtors' operations are conducted or are control persons or insiders of the Debtors.
- (vii) No Claims or Causes of Action. As of the Petition Date, the Debtors, their affiliates and their related parties, and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents, or actions for recovery or

disgorgement, against any of the Prepetition Secured Parties or any of their Representatives (as defined herein) (in each case, in their capacities as such) arising out of, based upon or related to the Prepetition Secured Debt, and the Debtors waive, discharge and release any right to challenge any of the Prepetition Secured Debt and the Prepetition Liens.

FINDING REGARDING THE DIP FINANCING AND USE OF CASH COLLATERAL

- F. Corporate Authority. Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Documents to which it is a party and to perform its obligations thereunder, and no other consents or approvals are required from any party, including any governmental authority, for each Debtor to execute, deliver, and perform under the DIP Documents. None of the execution and delivery of, or the performance under, any DIP Document by any Debtor is in contravention of any applicable law, rule, or regulation, or will result in a violation or contravention of any governance document of any Debtor or the breach or violation of, or be inconsistent with, any agreement, contract or instrument to which any Debtor is a party.
- G. As used herein, the term "<u>Cash Collateral</u>" shall mean all of the Debtors' cash, wherever located and held, including cash in deposit accounts, that constitutes or will constitute "cash collateral" of any of the Prepetition Secured Parties or any of the DIP Secured Parties within the meaning of section 363(a) of the Bankruptcy Code.
- H. Good and sufficient cause has been shown for the entry of this Interim Order and for authorization of the Debtors to obtain financing pursuant to the DIP Documents.
- I. The Debtors have an immediate and critical need to obtain the DIP Financing and to use Prepetition Collateral (including Cash Collateral) in order to permit, among other things, the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to pay salaries and wages, to make capital expenditures, to satisfy other working capital and operational needs, and to fund expenses of the Chapter 11 Cases. The access of the Debtors to sufficient working capital and liquidity through the use of Cash

Collateral and other Prepetition Collateral, the incurrence of new indebtedness under the DIP Documents, and other financial accommodations provided under the DIP Documents are necessary and vital to the preservation and maintenance of the going concern values of the Debtors and to a successful restructuring of the Debtors.

- J. Based upon the pleadings and proceedings of record in the Chapter 11 Cases, the Debtors are unable to obtain interim or long-term financing on more favorable terms from sources other than the DIP Lenders under the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without granting to the DIP Secured Parties the DIP Liens (as defined herein) and the DIP Superpriority Claims (as defined herein) and incurring the Adequate Protection Obligations (as defined herein), in each case as provided for herein subject to the Carve-Out to the extent set forth herein, under the terms and conditions set forth in the DIP Orders and in the DIP Documents.
- K. The Debtors continue to collect cash, rents, income, offspring, products, proceeds, and profits generated from the Prepetition Collateral and acquire equipment, inventory and other personal property, all of which constitute Prepetition Collateral under the Prepetition Credit Documents that are subject to the Prepetition Secured Parties' security interests as set forth in the Prepetition Credit Documents, as applicable.
- L. The Debtors desire to use a portion of the cash, rents, income, offspring, products, proceeds and profits described in the preceding paragraph that constitute Cash Collateral of the Prepetition Secured Parties under section 363(a) of the Bankruptcy Code in their business operations. Certain prepetition rents, income, offspring, products, proceeds, and profits, in

existence as of the Petition Date or hereafter created or arising, including balances of funds in the Debtors' prepetition and postpetition operating bank accounts, also constitute Cash Collateral.

- M. Based on the Motion, the Hagood Declaration, the First Day Declaration and the record presented to this Court at the Interim Hearing, the terms of the DIP Financing, the terms of the adequate protection granted to the Prepetition Secured Parties in this Interim Order (the "Adequate Protection"), and the terms on which the Debtors may continue to use the Prepetition Collateral (including Cash Collateral) pursuant to this Interim Order and the DIP Documents are fair and reasonable, consistent with the Bankruptcy Code (including section 506(b) thereof), sufficient to protect the interests of the Prepetition Secured Parties, reflect the DIP Secured Parties' exercise of prudent business judgment consistent with their fiduciary duties, and constitute reasonably equivalent value and fair consideration.
- N. The DIP Lenders have indicated a willingness to provide post-petition secured financing to the Debtors, but solely on the terms and conditions set forth in this Interim Order and the DIP Documents. After considering all of their alternatives, the Debtors have concluded, in an exercise of their sound business judgment, that the DIP Facility to be provided by the DIP Lenders and the authorization to use the Cash Collateral represent the best financing presently available to the Debtors.
- O. The DIP Financing, the Adequate Protection, the DIP Liens and the use of the Prepetition Collateral (including Cash Collateral), have been negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties and the Prepetition Secured Parties, and all of the DIP Secured Parties' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Financing or the DIP Documents, including, without limitation, all loans made to and guarantees issued by the Debtors pursuant to the DIP Documents and any other DIP

Obligations shall be deemed to have been extended by the DIP Agent and the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code.

- P. The DIP Agent and the DIP Secured Parties (and the successors and assigns thereof) shall be and are entitled to the full protection of section 364(e) of the Bankruptcy Code, including in the event that this Interim Order or any provision hereof is vacated or modified on appeal or otherwise.
- Q. The Prepetition Secured Parties have acted in good faith regarding the DIP Financing and the Debtors' continued use of the Prepetition Collateral (including Cash Collateral) to fund the administration of the Debtors' estates and continued operation of their businesses (including the incurrence and payment of and performance under the Adequate Protection Obligations and the granting of the Adequate Protection Liens (as defined herein)), in accordance with the terms hereof, and the Prepetition Secured Parties (and the successors and assigns thereof) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code, including in the event that this Interim Order or any provision hereof is vacated or modified, on appeal or otherwise. The Debtors have been provided adequate consideration and reasonably equivalent value in exchange for the guarantees provided by them.
- R. The Prepetition Secured Parties are entitled to the Adequate Protection provided in this Interim Order as and to the extent set forth herein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the Motion and on the record presented to this Court, the terms of the proposed Adequate Protection arrangements and of the use of the Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtors' prudent exercise of

business judgment and constitute reasonably equivalent value and fair consideration for the use of the Prepetition Collateral, including the Cash Collateral, and, to the extent their consent is required, the requisite Prepetition Secured Parties have consented or are deemed hereby to have consented to the use of the Prepetition Collateral, including the Cash Collateral, on the terms set forth in this Interim Order, and the priming of the Prepetition Liens by the DIP Liens pursuant to the terms set forth in this Interim Order and the DIP Documents; provided that nothing in this Interim Order or the DIP Documents shall (x) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of Cash Collateral other than on the terms set forth in this Interim Order and in the context of the DIP Financing authorized by this Interim Order to the extent such consent has been or is deemed to have been given, (y) be construed as a consent by any of the Prepetition Secured Parties to the terms of any other financing or any other lien encumbering the Prepetition Collateral (whether senior or junior) other than as contemplated by the DIP Financing authorized by this Interim Order, or (z) prejudice, limit or otherwise impair the rights of any of the Prepetition Secured Parties to seek new, different or additional adequate protection or assert any rights of any of the Prepetition Secured Parties, and the rights of any other party in interest, including the DIP Secured Parties, to object to such relief are hereby preserved.

S. The Debtors have prepared and delivered to the advisors to the Required DIP Lenders and the DIP Agent an initial budget (the "<u>Initial DIP Budget</u>"), attached hereto as <u>Schedule 1</u>. The Initial DIP Budget reflects, among other things, the Debtors' anticipated operating receipts, anticipated operating disbursements, anticipated non-operating disbursements, net operating cash flow and liquidity for each calendar week covered thereby. The Initial DIP Budget may be modified, amended, extended, and updated from time to time with the consent of the Required DIP Lenders (in their sole discretion) (each a "<u>Proposed Budget</u>"). Proposed Budgets

shall be provided by the Debtors to the Required DIP Lenders and the DIP Agent not less than every two weeks. Once a Proposed Budget is approved by the Required DIP Lenders (in their sole discretion), such Proposed Budget shall modify, replace, supplement or supersede, as applicable, the Initial DIP Budget for the periods covered thereby (the Initial DIP Budget and each successive approved Proposed Budget shall constitute, without duplication, an "Approved Budget"). If the Required DIP Lenders object to the Proposed Budget, the then-current Approved Budget (which may include the Initial Budget) – for variance testing purposes – shall continue in effect and remain unchanged until an updated Proposed Budget has been agreed. The Debtors believe that the Initial DIP Budget is reasonable under the circumstances. The DIP Secured Parties are relying upon the Debtors' agreement to comply with the Approved Budget (subject to Permitted Variances), the other DIP Documents and this Interim Order in determining to enter into the postpetition financing arrangements provided for in this Interim Order.

- T. Subject to entry of the Final Order, each of the DIP Agent, the DIP Secured Parties, and the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the DIP Agent, the DIP Secured Parties, and the Prepetition Secured Parties with respect to proceeds, product, offspring, or profits with respect to any of the DIP Collateral or the Prepetition Collateral.
- U. Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2) and Local Rule 4001-2(b). Absent granting the relief set forth in this Interim Order, the Debtors' estates will be immediately and irreparably harmed. Consummation of the DIP Financing and the permitted use of Prepetition Collateral (including Cash Collateral), in accordance with this Interim Order and the DIP Documents, are therefore in

the best interests of the Debtors' estates and consistent with the Debtors' exercise of their fiduciary duties. The Motion and this Interim Order comply with the requirements of Local Rule 4001-2.

- V. The Prepetition Agent (at the direction of the Required Lenders (as defined in the Prepetition Credit Documents)), on behalf of and for the benefit of each of the Prepetition Secured Parties, has consented to, conditioned upon the entry of this Interim Order, the Debtors' incurrence of the DIP Facility and proposed use of Cash Collateral on the terms and conditions set forth in this Interim Order, including, without limitation, the terms of the adequate protection provided for in this Interim Order.
- W. In light of the foregoing, the relief hereunder is necessary to avoid immediate and irreparable harm to the Debtors' estates because, without the use of Cash Collateral and the additional liquidity pursuant to the DIP Facility, as provided for herein, the Debtors will not have the funds necessary to orderly continue the operation of their businesses, to maintain business relationships with vendors, suppliers and customers, to pay salaries and wages, to make capital expenditures, to satisfy other working capital and operational needs, and to fund expenses of the Chapter 11 Cases, necessary to maximize the value of the Debtors' estates. Accordingly, the use of Cash Collateral by the Debtors is actual and necessary to preserving their estates.
- X. The use of Cash Collateral and credit to be extended under the DIP Documents, and the financial accommodations provided thereunder, shall be deemed to have been so allowed, advanced, made, provided, used or extended in good faith, and for valid business purposes and uses, within the meaning of section 364(e) of the Bankruptcy Code, and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the claims, security interests and liens, and other rights, benefits and protections granted to each of the DIP Agent and Required DIP Lenders shall be entitled to the full protection and benefits of section 364(e) of the Bankruptcy

Code and this Interim Order in the event that this Interim Order or any provision hereof is vacated or modified, on appeal or otherwise.

NEED FOR ADEQUATE PROTECTION AND DIP FACILITY

- Y. The terms of the DIP Facility and this Interim Order, including, without limitation, adequate protection and liens granted in accordance therewith, are fair, just, and reasonable under the circumstances, are ordinary and appropriate for secured financing to debtors-in-possession, reflect the Debtors' exercise of their prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration. Entry of this Interim Order is in the best interest of the Debtors, their creditors, and their estates. Any credit extended under the terms of this Interim Order and the DIP Facility shall be deemed to have been extended in good faith by the DIP Agent and the DIP Lenders, as the term "good faith" is used in section 364(e) of the Bankruptcy Code.
- Z. To the extent any portion of the foregoing constitute rulings of law, they shall constitute this Court's rulings with respect to the matters so stated.

Based upon the foregoing findings and conclusions, the Motion, the Hagood Declaration, and the record before this Court with respect to the Motion, and after due consideration and good and sufficient cause appearing therefor,

NOW THEREFORE, THE COURT ORDERS AS FOLLOWS:

1. The Motion is hereby GRANTED on an interim basis in accordance with the terms and conditions set forth in the DIP Documents and this Interim Order. Any objections to the Motion with respect to the entry of this Interim Order that have not been withdrawn, waived, or settled, and all reservation of rights included therein, are hereby denied and overruled with respect to this Interim Order. Entry of this Interim Order is without prejudice to any party in interests' rights to object to final relief under the Motion.

2. This Interim Order is effective on entry and shall be binding on the Debtors and all parties in interest.

- 3. The Debtors are hereby authorized to execute, deliver, enter into, and, as applicable, perform all of their obligations under the DIP Documents and such other and further acts as may be necessary, appropriate or desirable in connection therewith, in each case without further approval of this Court, except as otherwise provided herein. The DIP Borrower is hereby authorized to borrow money pursuant to the DIP Term Sheet, which borrowings shall be used only for purposes permitted under the DIP Documents and the Interim Order, and subject to and in accordance with the Approved Budget (subject to any Permitted Variances) up to the aggregate amount of the Initial Draw.

- 5. In furtherance of the foregoing and except as otherwise provided herein without further approval of this Court, each Debtor is authorized and directed to perform all acts, to make, execute and deliver all instruments, certificates, agreements, charges, deeds and documents (including, without limitation, the execution or recordation of pledge and security agreements, mortgages, financing statements and other similar documents), and, solely to the extent provided in the Approved Budget, to pay those certain fees, expenses and indemnities in connection with or that may be reasonably required, necessary, or desirable, for the DIP Secured Parties' performance of their obligations under or related to the DIP Financing, including, without limitation:

- a. the execution and delivery of, and performance of its obligations under, each of the DIP Documents;
- b. the execution and delivery of, and performance of its obligations under, any amendments, waivers, consents or other modifications to and under the DIP Documents, in each case, in such form as the Required DIP Lenders may agree, it being understood that no further approval of this Court shall be required for any authorizations, amendments, waivers, consents or other modifications to and under the DIP Documents (and such fees and other expenses, including attorneys', accountants', appraisers' and financial advisors' fees, amounts, charges, costs, indemnities and other like obligations paid in connection therewith provided for in the Approved Budget) that do not shorten the maturity of the extensions of credit thereunder, increase the aggregate commitments, increase the rate of interest payable or fees that are payable calculated on commitments thereunder. Updates, modifications, and supplements to the Approved Budget shall not require any further approval of this Court;
- c. the non-refundable payment to the DIP Secured Parties of all fees and rights received as consideration under, or in connection with, the DIP Facility, including the DIP Agent's fees, upfront fees, exit fees, rights under the DIP Term Sheet, indemnities and professional fees (the payment of which fees shall be irrevocable, and shall be, and shall be deemed to have been, approved upon entry of this Interim Order, whether or not the transactions contemplated hereby are consummated, and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance, disallowance, impairment, or other claim, cause of action or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law or otherwise by any person or entity) and any amounts due (or that may become due) in respect of any

indemnification and expense reimbursement obligations, in each case referred to in the DIP Term Sheet or the DIP Documents, and the costs and expenses as may be due from time to time in accordance with the DIP Documents, including, without limitation, reasonable and documented fees and expenses of the professionals retained by, or on behalf of, any of the Required DIP Lenders (including (a) Gibson, Dunn & Crutcher LLP; (b) Sidley Austin LLP; and (c) Young Conway Stargatt & Taylor, LLP, as Delaware local counsel, and any other professional advisor engaged by the forgoing as are permitted under the DIP Documents), (collectively, the "Consenting Creditor Advisors") in each case, as provided for in the DIP Documents and subject to the terms of this Interim Order, without the need to file retention motions or fee applications; and

DIP Obligations

6. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding and non-avoidable obligations of the Debtors and the non-Debtor Guarantors, enforceable against each Debtor and its estate and the non-Debtor Guarantors in accordance with the terms of the DIP Documents and this Interim Order, and any successors thereto, including any trustee appointed in the Chapter 11 Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "Successor Cases"). Upon execution and delivery of the DIP Documents, the DIP Obligations will include all loans and any other indebtedness or obligations, contingent or absolute, which may now or from time to

time be owing by any of the Debtors and the non-Debtor Guarantors to any of the DIP Agent or DIP Secured Parties, in such capacities, in each case, under, or secured by, the DIP Documents (including this Interim Order), including all principal, interest, costs, fees, expenses, premiums, makewholes, prepayment premiums, indemnities and other amounts under the DIP Documents (including this Interim Order). The Debtors and the non-Debtor Guarantors shall be jointly and severally liable for the DIP Obligations. Except as permitted hereby, no obligation, payment, transfer, or grant of security hereunder or under the DIP Documents to the DIP Agent and/or the DIP Secured Parties (including their Representatives) shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

DIP Superpriority Claims and DIP Liens

7. Subject to the Carve-Out (as defined herein), all of the DIP Obligations shall constitute allowed superpriority administrative expense claims (including super-priority administrative expense claims pursuant to section 364(c)(1) of the Bankruptcy Code) against the Debtors on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising

under sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113 or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims (the "DIP Superpriority Claims") (i) shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and (ii) shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof, including (a) Cash Collateral, (b) claims and causes of action under sections 502(d), 544, 545, 547, 548 and 550 of the Bankruptcy Code, and (c) upon entry of the Final Order, any other proceeds or property recovered, unencumbered or otherwise recovered in connection with the pursuit of claims or causes of action arising under chapter 5 of the Bankruptcy Code, if any, whether by judgment, settlement or otherwise ("Avoidance Proceeds"). The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated or modified, on appeal or otherwise.

8. As security for the DIP Obligations, effective and automatically and properly perfected upon the date of this Interim Order and without the necessity of the execution, recordation or filing by the Debtors or any of the DIP Secured Parties of any mortgages, security agreements, control agreements, pledge agreements, financing statements, intellectual property filing or other similar documents, any notation of certificates of title for titled goods or other similar documents, instruments, deeds, charges or certificates, or the possession or control by the Required DIP Lenders or DIP Agent of, or over, any Collateral, without any further action by any Debtors, the Required DIP Lenders, the DIP Agent or any DIP Secured Party, the following valid, binding, continuing, enforceable and non-avoidable security interests and liens (all security

interests and liens granted to the DIP Agent, for its benefit and for the benefit of the other DIP Secured Parties, pursuant to this Interim Order and the DIP Documents, the "<u>DIP Liens</u>") are hereby granted to the DIP Agent for its own benefit and the benefit of the other DIP Secured Parties (all property identified in clauses (i) through (ii) below being collectively referred to as the "<u>DIP Collateral</u>"):

The Debtors shall comply with the covenants contained in the DIP Term Sheet regarding conduct of business, including, without limitation, preservation of rights, qualifications, licenses, permits, privileges, franchises, governmental authorizations, and intellectual property rights material to the conduct of their business and maintenance of properties and insurance.

11. For the avoidance of doubt, no proceeds of the DIP Loans (including payments derived from the DIP Collateral) shall be used to (i) make any payment in settlement or satisfaction of any pre-petition claim or administrative claim (other than the DIP Obligations, as provided for herein, and in the DIP Term Sheet), unless (x) in compliance with the Initial DIP Budget or Approved DIP Budget, as applicable or (y) as separately approved by this Court in compliance with the DIP Budget; (ii) except as expressly provided for or permitted hereunder, under the DIP Term Sheet or in the Initial DIP Budget or Approved DIP Budget, as applicable, or as otherwise approved in advance and in writing by the Required DIP Lenders (and as approved by this Court, if necessary) to make any payment or distribution, directly or indirectly, to any non-Debtor affiliate; provided that, notwithstanding anything else herein, any consent of the Required DIP Lenders to payments or distributions to non-Debtor Affiliates shall not be deemed, inferred, or assumed absent express line-item approval of such payment or distribution in the Initial DIP Budget or Approved DIP Budget, as applicable; (iii) except as expressly provided or permitted hereunder, under the DIP Term Sheet or the Initial DIP Budget or the Approved DIP Budget, as applicable, or as otherwise approved in writing by the Required DIP Lenders (and approved by this Court, if necessary) to make any payment or distribution to any insider of the Debtors that is outside of the ordinary course, and in no event shall any non-ordinary course management, advisory, consulting, or similar fee be paid to or for the benefit of any affiliate that is not a Debtor; (iv) to make any payment, advance, intercompany advance or transfer, or any other remittance or transfer whatsoever that is not in accordance with the DIP Term Sheet and the Initial DIP Budget or Approved DIP Budget, as applicable; (v) to make any payment otherwise prohibited by this Interim Order; or (vi) to make any intercompany loans and investments (including to and in foreign subsidiaries) unless expressly permitted by this Interim Order or the Initial DIP Budget or Approved DIP Budget, as applicable.

ADEQUATE PROTECTION

Budgeted Cash Usage

13. The Debtors are hereby authorized, subject to the terms and conditions of this Interim Order, to use all Cash Collateral in accordance with the DIP Documents and Approved Budget (subject to Permitted Variances (defined below)); provided that (a) the Prepetition Secured Parties are granted the Adequate Protection as hereinafter set forth, and (b) except on the terms and conditions of this Interim Order, the Debtors shall be enjoined and prohibited from at any times using the Cash Collateral absent further order of this Court, and subject to the Carve-Out in all respects. The Debtors shall comply with the Approved Budget and all disbursements of the Debtors shall be consistent with the provisions of the Approved Budget, in each case subject to

Permitted Variances. The Debtors shall update the Approved Budget from time to time in accordance with the DIP Documents and this Interim Order.

- 14. The Debtors hereby covenant and agree that commencing on the Petition Date and at all times thereafter, the Debtors shall strictly perform in accordance with the Approved Budget, subject to certain limited variances (the "Variance Limit") as set forth in the DIP Term Sheet.
- 15. Except as expressly provided in the Approved Budget, the Debtors agree that no transfer of Cash Collateral shall be made to any of the Debtors' (or their affiliates) insiders, as that term is defined in section 101(31) of the Bankruptcy Code. Upon the Debtors' receipt of the Required DIP Lenders' consent to a Proposed Budget, which approval shall be in the Required DIP Lenders' sole discretion (and may be withheld for any reason), such budget shall become an "Approved Budget" and shall replace the then-operative Approved Budget for all purposes. The Initial Approved Budget shall be the Approved Budget until such time as a new Proposed Budget is approved, following which such approved Proposed Budget shall constitute the Approved Budget until a subsequent Proposed Budget is approved. The Debtors shall operate in accordance with the Approved Budget and all disbursements shall be consistent with the provisions of the Approved Budget (subject to the Variance Limit). The Debtors may submit additional Proposed Budgets to the DIP Agent and the Required DIP Lenders, but until the Required DIP Lenders consent to such Proposed Budget, it shall not become an

Approved Budget and the Debtors shall continue to comply with the then-operative Approved Budget.

- 17. No later than 4:00 p.m. Eastern Time on the first Friday following the initial (4)-week anniversary of the Petition Date ("Initial Variance Report Date"), the Debtors shall provide to the DIP Lenders and the Prepetition Term Loan Agent, for the period beginning on the Petition Date and ending on the week prior to the 4-week anniversary of the Petition Date (the "Initial Testing Period") a report (the "Variance Report") detailing (i) aggregate receipts on a combined basis during the testing period, (ii) capital expenditures on a combined basis during the testing period; and (iii) all other operating disbursements (excluding capital expenditures and administrative costs of the Chapter 11 Cases) during the testing period and (iv) disbursements for Debtors' administrative expenses of the Chapter 11 cases including professionals' fees and (v) any variance (whether positive or negative, expressed as a percentage) between the receipts and disbursements made during testing period and the corresponding amounts as set forth in the applicable Approved Budget. After the Initial Testing Period, beginning on the second Friday following the Initial Variance Report Date ("Bi-weekly Testing Date"), Debtor shall provide a Variance Report for the 2-week period ending the week preceding the Bi-weekly Testing Date.
- 18. For both the Initial Variance Report Date and subsequent Bi-weekly Testing Dates, the Debtors shall not allow: (i) receipts received during the testing period, less the sum of (ii) capital expenditures on a combined basis since the Petition Date; and (iii) all other operating disbursements (excluding capital expenditures and administrative costs of the Chapter 11 Cases) since the Petition Date (the "Cumulative Net Operating Cash Flow") to be less than 105% of the sum of the estimated (i) cumulative receipts on a combined basis during the testing period, less the sum of (ii) capital expenditures on a combined basis during the testing period and (iii) all other

operating disbursements (excluding capital expenditures,) during the testing period (such limitation, the "Variance Limit"); provided that any variances greater than the limits set forth above shall require advance approval from the Required DIP Lenders; provided, further, that the Required DIP Lenders shall consider in good faith weekly variances resulting from changes in the timing of particular receipts or disbursements and, in such cases, approval of such variances shall not be unreasonably withheld (solely to the extent the Approved Budget is not exceeded on a cumulative basis). Additional variances, if any, from the Approved Budget, and any proposed changes to the Approved Budget, shall be subject to the Required DIP Lenders' reasonable approval. For the avoidance of doubt, any reference to "written consent" hereunder shall include consent granted by email.

Adequate Protection of Prepetition Secured Parties

19. The Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, to adequate protection of their respective interests in the Prepetition Collateral (including Cash Collateral) for the aggregate diminution in the value of their respective interests in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date for any reason provided for under the Bankruptcy Code, including, without limitation, any such diminution resulting from the sale, lease or use by the Debtors of the Prepetition Collateral, the priming of the Prepetition Liens by the DIP Priming Liens pursuant to the DIP Documents and this Interim Order, the payment of any amounts under the Carve-Out or pursuant to this Interim Order, the Final Order or any other order of this Court or provision of the

Bankruptcy Code or otherwise, and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code (the "Adequate Protection Claims").

Adequate Protection Liens and 507(b) Claims

- 20. In consideration of the foregoing, the Prepetition Secured Parties are hereby granted the following as Adequate Protection, including as an inducement to the Prepetition Secured Parties' consent to the priming of the Prepetition Liens and use of the Prepetition Collateral (including Cash Collateral) (collectively, the "Adequate Protection Obligations"):
- a. Current Payment of Prepetition Credit Agreement Obligations. The Prepetition Agent, on behalf of the Prepetition Secured Parties, is hereby granted (a) upon closing of the DIP Facility, payment of all accrued and unpaid interest and fees (to the extent applicable) at the default rate (then owing under the Prepetition Credit Agreement, and (b) the current payment of post-petition interest and fees at the default rate as and when due and payable under the Prepetition Credit Agreement, each of which shall be paid-in-kind notwithstanding anything to the contrary in the Prepetition Credit Agreement.
- b. Adequate Protection Liens. The Prepetition Agent, on behalf of the Prepetition Secured Parties, is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements), on account of its Adequate Protection Claims, a valid, perfected replacement security interest in and lien upon all of the DIP Collateral (the "Adequate Protection Liens") subject and subordinate only to (i) the Prepetition Permitted Senior Liens, (ii) the Carve-Out, and (iii) the DIP Liens.
- c. Prepetition Secured Parties' Section 507(b) Claim. The Prepetition

 Agent, on behalf of the Prepetition Secured Parties, is hereby granted an allowed superpriority

administrative expense claim on account of such Prepetition Secured Parties' Adequate Protection Claims as provided for in section 507(b) of the Bankruptcy Code (the "Adequate Protection 507(b) Claim"), which Adequate Protection 507(b) Claim shall be payable from and have recourse to all DIP Collateral and all proceeds thereof (including, without limitation, subject to entry of the Final Order, the Avoidance Proceeds). With respect to the Prepetition Collateral, the Adequate Protection 507(b) Claim shall be senior to all other claims of any kind and, with respect to the DIP Collateral, the Adequate Protection 507(b) Claim shall be subject and subordinate only to the Carve-Out, the Prepetition Permitted Senior Liens and the DIP Superpriority Claims.

- d. Current Payment of Prepetition Secured Parties' Fees and Expenses. As further adequate protection, the Debtors shall provide the Prepetition Secured Parties with current cash payments, in accordance with the Prepetition Credit Documents, of all reasonable and documented prepetition and postpetition fees and expenses, including, subject to paragraph 39 of this Interim Order, the reasonable and documented fees and out-of-pocket expenses of the Consenting Creditor Advisors (such fees and expenses, the "Adequate Protection Fees and Expenses").
- e. Additional Adequate Protection Information Rights. The Prepetition Secured Parties shall be entitled to delivery of all reports and notices deliverable to the DIP Lenders and/or the DIP Agent pursuant to the DIP Term Sheet at the same time as such reporting is (or would be required to be) provided to the DIP Lenders and/or the DIP Agent, as applicable (the "Prepetition Adequate Protection Information Right"). Upon indefeasible payment in full of all DIP Obligations and termination of the DIP Facility Commitment, the Prepetition Secured Parties shall continue to be entitled hereby to satisfaction of the Prepetition Adequate Protection Information Rights.

f. *Maintenance of Collateral*. The Debtors shall continue to maintain and insure the Prepetition Collateral and DIP Collateral in amounts and for the risks, and by the entities, as required under the Prepetition Credit Documents and the DIP Documents, as applicable.

Reservation of Rights. Notwithstanding any other provision hereof, g. the grant of adequate protection to the Prepetition Secured Parties pursuant to this Interim Order shall not be deemed an admission that the interests of such Prepetition Secured Parties are indeed adequately protected, and is without prejudice to the right of the Prepetition Secured Parties (subject to any applicable intercreditor or subordination provisions contained in any of, or entered into as permitted by and in accordance with, the Prepetition Credit Documents) to seek additional relief with respect to the use of Prepetition Collateral (including Cash Collateral), or to seek modification of the grant of adequate protection provided hereby so as to provide different or additional adequate protection. Nothing herein shall be deemed to waive, modify or otherwise impair the respective rights of the Prepetition Secured Parties under the Prepetition Credit Documents, any applicable intercreditor or subordination provisions contained in any of, or entered into as permitted by and in accordance with, the Prepetition Credit Documents, or under applicable law, and the Prepetition Secured Parties expressly reserve all of their respective rights and remedies whether now existing or hereafter arising under the Prepetition Credit Documents, any such applicable intercreditor or subordination provisions, and applicable law. Without limiting the foregoing, nothing contained in this Interim Order shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided hereunder is insufficient to compensate the Prepetition Secured Parties for any diminution in value during the Chapter 11 Cases.

Automatic Perfection

- 21. This Interim Order shall be sufficient and conclusive evidence of the priority, perfection, attachment, and validity of all of the DIP Agent's and the Prepetition Agent's security interests in and liens on the Collateral, for the respective benefits of the DIP Lenders and Prepetition Lenders, granted and created hereunder, and such security interests and liens shall constitute valid, automatically perfected and unavoidable security interests and liens, with the priorities granted hereunder, effective as of the Petition Date, without the necessity of creating, filing, recording, or serving any financing statements, continuation statements, mortgages, or other documents that might otherwise be required under federal or state law in any jurisdiction or the taking of any other action to validate or perfect the security interests and liens granted to the DIP Agent and the Prepetition Agent, on behalf of the DIP Lenders and Prepetition Lenders, by this Interim Order.
- 22. To the extent that any applicable non-bankruptcy law otherwise would restrict the granting, scope, enforceability, attachment, or perfection of the liens and security interests granted and created by this Interim Order or otherwise would impose filing or registration requirements with respect to such liens and security interests, such law is hereby pre-empted to the maximum extent permitted by the Bankruptcy Code, applicable federal law, and the judicial power of this Court.
- 23. By virtue of the terms of this Interim Order, to the extent that the DIP Agent, the DIP Lenders, the Prepetition Agent, or any Prepetition Lender has filed Uniform Commercial Code financing statements or other security or perfection documents under the names of any of the Debtors, such filings shall be deemed to properly perfect the liens and security interests granted under this Interim Order, including, without limitation, the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or

other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including entering into any deposit account control agreement, collateral access agreement, customs broker agreement or freight forwarding agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens and the Adequate Protection Liens, or to entitle the DIP Agent, the Prepetition Agent, DIP Lenders or the Prepetition Lenders, as applicable, to the priorities granted herein.

- 24. To the extent that the Prepetition Agent or any other Prepetition Secured Party is the secured party under any account control agreements, listed as loss payee under the Debtors' insurance policies or is the secured party under any Prepetition Credit Document, the DIP Lenders and the DIP Agent are also deemed to be the secured party under such account control agreements, loss payee under the Debtors' insurance policies and the secured party under each such Prepetition Credit Document, shall have all rights and powers attendant to that position (including, without limitation, rights of enforcement) and shall act in that capacity and distribute any proceeds recovered or received first, for the benefit of the DIP Secured Parties in accordance with the DIP Documents and second, subsequent to indefeasible payment in full of all DIP Obligations, for the benefit of the Prepetition Secured Parties. The Prepetition Agent and each Prepetition Secured Party shall serve as agent of the DIP Secured Parties for purposes of perfecting the DIP Secured Parties' security interests and liens on all DIP Collateral that is of a type such that perfection of a security interest therein may be accomplished only by possession or control by a secured party.
- 25. Without in any way limiting the automatically valid effective perfection of the DIP Liens and the Adequate Protection Liens granted pursuant to this Interim Order, if the DIP Agent or the Prepetition Agent shall elect, in their determination and in the case of the DIP Agent as directed by the Required DIP Lenders, for any reason to file any Uniform Commercial Code

financing statements or other recordable documents, or execute or enter into deposit account control agreements, to further evidence perfection of their interests in property of the estates, the DIP Agent (as directed by the Required DIP Lenders or the Prepetition Agent, as applicable) or, upon the request of the DIP Agent or Prepetition Agent, as applicable, the Debtors are authorized and directed to execute, enter into, and/or file, or cause to be executed, entered into, and/or filed, all such financing statements or deposit account control agreements and other such documents, and the execution, entering into, filing, recording, or service (as the case may be) of such financing statements, deposit control agreements, or similar documents shall be deemed to have been made at the time of and on the date of entry of this Interim Order, and the signature(s) of any person(s) designated by the Debtors, whether by letter to the DIP Agent or the Prepetition Agent, as applicable, or by appearing on any one or more of the agreements or other documents respecting the security interests and liens granted hereunder shall bind the Debtors and their estates. The DIP Agent or the Prepetition Agent, as applicable, may execute such documents on behalf of the Debtors as the Debtors' attorney-in-fact or file a certified copy of this Interim Order in any filing or recording office in any county or other jurisdiction in which any of the Debtors have real or personal property, and, in such event, the subject filing or recording officer is authorized to file or record such documents or certified copy of this Interim Order.

Authorization to Act

26. The Debtors are hereby authorized and directed to perform all acts, take any action, and execute and comply with the terms of such other documents, instruments and agreements, as the DIP Agent (acting at the direction of the Required DIP Lenders) may require as evidence of

and for the protection of the Collateral, or that may be otherwise deemed necessary by the Required DIP Lenders to effectuate the terms and conditions of this Interim Order and the DIP Facility.

27. Until such time as the DIP Obligations shall have been indefeasibly paid and satisfied in full in accordance with the terms of the DIP Documents, and without further order of this Court: (a) the Debtors shall use the proceeds of the DIP Facility and all Cash Collateral strictly in accordance with the terms of the Approved Budget and the other terms of this Interim Order; (b) the Debtors shall not, without prior order of this Court, engage in any transaction that is not in the ordinary course of the Debtors' business; and (c) the Debtors shall timely comply with all of the covenants set forth in the DIP Documents.

No Additional Liens

28. Until such time as the DIP Obligations shall have been indefeasibly paid and satisfied in full in accordance with the terms of the DIP Documents and this Interim Order, the Debtors shall not be authorized to obtain credit secured by a lien or security interest in the Collateral, other than the DIP Facility, without the prior written consent of the Required DIP Lenders.

No Liability

29. No act committed or action taken by the DIP Lenders or DIP Agent, for itself and for and on behalf of the DIP Lenders, as applicable, under this Interim Order, the DIP Facility, the DIP Documents, or the collection of the DIP Obligations, shall be used, construed, or deemed to hold the DIP Agent and/or the DIP Lenders, as applicable, to be in "control" of or participating in the governance, management, or operations of the Debtors for any purpose, without limitation, or to be acting as a "responsible person(s)" or "owner(s) or operator(s)" or a person(s) in "control" with respect to the governance, management, or operation of the Debtors or their businesses (as such terms, or any similar terms, are used in the Internal Revenue Code, WARN Act,

Comprehensive Environmental Response, Compensation and Liability Act, or the Bankruptcy Code, each as may be amended from time to time, or any other federal or state statute, at law, in equity, or otherwise) by virtue of the interests, rights, and remedies granted to or conferred upon the DIP Agent and DIP Lenders, as applicable, under the DIP Documents, or this Interim Order including, without limitation, such rights and remedies as may be exercisable by the DIP Agent and DIP Lenders, as applicable, in connection with this Interim Order, the DIP Facility, or the DIP Documents. Nothing in this Interim Order, any of the DIP Documents, or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their business or in connection with the administration of these Chapter 11 Cases.

Release

30. Effective as of the date of entry of this Interim Order, and subject to the rights of other parties as set forth in paragraph 61 hereof, the Debtors, on behalf of themselves and their respective estates and their affiliates and related parties, hereby absolutely, irrevocably, and unconditionally release and forever discharge and acquit the DIP Agent; the DIP Lenders; and subject to entry of the Final Order, the Prepetition Secured Parties; and the foregoing entities' respective former, current, or future officers, partners, directors, managers, members, principals, employees, agents, related funds, affiliates, investors, financing sources, financial advisors, attorneys, legal advisors, shareholders, accountants, investment bankers, consultants, representatives, and other professionals and the respective successors and assigns thereof, in each case solely in their capacities as such (collectively, the "Released Parties"), from any and all claims, offsets, defenses, counterclaims, set off rights, objections, challenges, causes of action, liabilities, losses, damages, responsibilities, disputes, remedies, actions, suits, controversies,

reimbursement obligations (including, attorneys' fees), costs, expenses, or judgments of every type, whether known or unknown, asserted or unasserted, fixed or contingent, or pending or threatened, of any kind or nature whatsoever, whether arising at law or in equity (including, without limitation, any so-called "lender liability" or equitable subordination claims or defenses, recharacterization, subordination, avoidance, any claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state or federal law, or any other claim or cause of action arising under the Bankruptcy Code or applicable non-bankruptcy law), in each case, arising under, in connection with, or related to the Debtors or their estates, the extent, amount, validity, enforceability, priority, security, and perfection of the Prepetition Credit Documents, DIP Facility, the DIP Obligations, the DIP Liens, the DIP Documents, the negotiation thereof and of the deal reflected thereby, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause, or thing whatsoever arising at any time on or prior to the date of this Interim Order. Nothing in this release shall relieve the DIP Secured Parties or the Debtors of their obligations under the DIP Documents.

Indemnification and Exculpation

31. The DIP Secured Parties and Prepetition Secured Parties have acted in good faith and without negligence, misconduct, or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining requisite approvals of the DIP Facility and the use of Cash Collateral, including in respect of the granting of the DIP Liens and the Adequate Protection Liens, any challenges or objections to the DIP Facility or the use of Cash Collateral, the DIP Documents, and all other documents related to and all transactions contemplated by the foregoing. Accordingly, without

limitation to any other right to indemnification, the DIP Secured Parties and Prepetition Secured Parties shall be and hereby are indemnified (as applicable) as provided in the Prepetition Credit Documents and the DIP Documents, as applicable. The Debtors agree that no exception or defense in contract, law, or equity exists as of the date of this Interim Order to any obligation set forth, as the case may be, in this paragraph 31 or in the DIP Documents, or in the Prepetition Credit Documents to indemnify and/or hold harmless the DIP Agent, the Required DIP Lenders, any other DIP Secured Party, or any Prepetition Secured Party, as the case may be, and any such defenses are hereby waived.

32. The DIP Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person and all risk of loss, damage or destruction of the DIP Collateral shall be borne by the Debtors.

Automatic Stay

33. The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Interim Order, including, without limitation, to: (a) permit the Debtors to grant the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims and Adequate Protection Claims; (b) permit the Debtors to perform such acts as the DIP Secured Parties or the Prepetition Secured Parties, as applicable, may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the DIP Secured Parties and the Prepetition Secured Parties under the DIP Documents, the DIP Facility, and this Interim Order, as applicable; (d) authorize the Debtors to make, and each of the DIP Secured Parties and the Prepetition Secured Parties to retain and apply, payments made in accordance with this Interim Order; and (e) permit the DIP

Secured Parties to exercise all their rights and remedies under the DIP Documents as provided herein.

Collateral Insurance, Maintenance, Taxes, and Deposits

- 34. The Debtors shall maintain, with financially sound and reputable insurance companies, insurance of the kind covering the Collateral, and in accordance with the Prepetition Credit Documents and the DIP Documents. Upon entry of this Interim Order, the DIP Secured Parties, shall be, and shall be deemed to be, without any further action or notice, named as an additional insured and loss payee, as applicable, on each insurance policy maintained now or in the future by any of the Debtors which in any way relates to the Collateral. Notwithstanding the foregoing, the Debtors are authorized to take any actions that the Required DIP Lenders (in its sole discretion) shall request, to have the DIP Agent, on behalf of the DIP Lenders, added as an additional insured and loss payee on each insurance policy.
- 35. The Debtors shall make any and all payments necessary, permitted under the Approved Budget, and in accordance with the DIP Documents to keep the Collateral and their other property in good repair and condition and not permit or commit any waste thereof.
- 36. To the extent the Debtors have made or make any deposits for the benefit of utility companies or any other entity, or otherwise set aside funds for the benefit of any entity, (and the Debtors shall not make any such deposits or otherwise set aside funds which are not included in the Approved Budget without first obtaining prior written consent of the Required DIP Lenders), such deposits shall be, and hereby are, upon any return of same to the Debtors, subject to the first-priority perfected liens and security interests of the DIP Lenders in respect of the DIP Facility and the Debtors' use of Cash Collateral granted by this Interim Order.

Reporting Requirements

37. The Debtors are authorized and directed to provide to the DIP Agent and the Required DIP Lenders all of the documentation and reports required under the DIP Documents unless the Required DIP Lenders waive or modify such requirements in writing.

Interest, Fees, Costs and Expenses of the DIP Lenders

- 38. During the Chapter 11 Cases, subject to the terms of the DIP Term Sheet, the interest, fees, costs, and expenses, including attorneys' fees and expenses, due at any time to the DIP Agent or Required DIP Lenders under the DIP Documents may be charged by the DIP Agent or the Required DIP Lenders, as applicable, and shall be paid by the Debtors out of the Cash Collateral or out of any DIP Facility advances, in accordance with the terms of this Interim Order and the applicable DIP Documents.
- Required DIP Lenders' reasonable and documented (in summary format) fees and out-of-pocket expenses in connection with the negotiation and preparation of the documentation of the DIP Loans, in accordance with the DIP Term sheet, including, but not limited to, legal fees, without the DIP Agent's counsel's or Consenting Creditor Advisors' having to file any application with this Court for approval or payment, and the DIP Agent's counsel and Consenting Creditor Advisors shall not be required to comply with the U.S. Trustee fee guidelines. The Consenting Creditor Advisors shall deliver a summary invoice (which shall not be required to contain time entries but shall include a general, brief description of the nature of the matters for which services were rendered) to counsel to the Committee, if any, and the U.S. Trustee, redacted as necessary with respect to any privileged or confidential information contained therein. Any objections raised by the Debtors, the U.S. Trustee, or the Committee, if any, with respect to such invoices within ten

- (10) days of the receipt thereof will be subject to resolution of this Court. Pending such resolution, the undisputed portion of any such invoice will be paid promptly by the Debtors.
- 40. All DIP Agent and DIP Lender costs, fees and expenses, including legal fees and expenses owed shall constitute obligations under the DIP Facility and shall be secured by the DIP Collateral and afforded all priorities and protections afforded to the DIP Facility under this Interim Order and the DIP Documents.
- 41. The Debtors will use best efforts to report to the DIP Agent, the Required DIP Lenders, and the Prepetition Agent the fees and expenses of counsel and other advisors for the Debtors, as provided for herein on a bi-weekly basis.

Professional Fees of the Estates; Carve-Out

42. Notwithstanding anything to the contrary herein, the Debtors' obligations to the DIP Secured Parties and the Prepetition Agent and Prepetition Lenders, and the liens, security interests and superpriority claims granted by this Interim Order or under the Prepetition Credit Documents and the DIP Documents, and the payment of all such obligations, shall be subject and subordinate in all respects to payment of the following fees and expenses: (a) the payment of unpaid fees required to be paid to the Clerk of this Court and to the U.S. Trustee pursuant to 28 U.S.C. § 1930(a); (b) fees and expenses up to \$25,000 incurred by a trustee under section 726(b) of the Bankruptcy Code; (c) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, but subject to final allowance by this Court, all unpaid fees and expenses (excluding any restructuring, sale, success, or other transaction fee of any investment bankers or financial advisors) (the "Allowed Professional Fees") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "Debtor Professionals"), and any official Committee (the "Committee Professionals" and, together with the Debtor Professionals, the "Estate Professionals") at any time before the delivery by the DIP Agent (acting

at the direction of the Required DIP Lenders) of a Carve-Out Notice (defined below) whether allowed by this Court prior to or after delivery of a Carve Out Notice up to the amounts for the Estate Professionals included in the Approved Budget through the date of the Carve-Out Notice (the amounts set forth in this clause (c) being the "Pre Carve-Out Trigger Notice Amount"); and (d) the Allowed Professional Fees of Debtor Professionals, after application of all retainers, incurred on or after the delivery by the DIP Agent (acting at the direction of the Required DIP Lenders) of the Carve-Out Notice up to \$500,000 (the amount set forth in this clause (d) being the "Post Carve-Out Trigger Amount") (the foregoing clauses (a) through (d), collectively, the "Carve-Out"). The term "Carve-Out Trigger" shall mean a written notice stating that the Post-Carve-Out Notice Amount has been invoked, delivered by hard copy or email by the DIP Agent (acting at the direction of the Required DIP Lenders) to lead bankruptcy counsel for the Debtors, the U.S. Trustee, and the Prepetition Secured Parties, and counsel to the Committee, if any, which notice may be delivered following the occurrence and during the continued existence of a Postpetition Default (as defined herein) under the terms of this Interim Order.

43. On the date on which a Carve Out Notice is delivered in accordance with paragraph 42 herein, (the "Carve-Out Trigger Notice Date") the Debtors shall use all cash on hand (including the DIP Loan Proceeds) to fund a reserve in an amount equal to the Carve-Out, which shall be earmarked and held in trust to pay unpaid fees and expenses incurred by Estate Professionals, to the extent allowed by this Court at any time, prior to any and all other claims in the Chapter 11 Cases (the "Carve-Out Reserve"). All funds in the Carve-Out Reserve shall be used first to pay the obligations set forth in clauses (a)-(d) in the above definition of "Carve-Out" until paid in full, second, to pay the DIP Secured Parties, and third, to pay the Prepetition Secured Parties. The amounts in the Carve-Out Account shall be available only to satisfy Allowed Professional Fees

and other amounts included in the Carve-Out until such amounts are paid in full. Notwithstanding anything to the contrary herein, (i) the failure of the Carve-Out Account to satisfy in full the amount set forth in the Carve-Out shall not affect the priority of the Carve-Out and (ii) in no way shall the Carve-Out, the Carve-Out Account, or any Approved Budget be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors or that may be allowed by this Court at any time (whether by interim order, final order, or otherwise). The amount in the Carve-Out Account shall be reduced on a dollar-for-dollar basis for Allowed Professional Fees that are paid after the delivery of the Carve-Out Trigger Notice, and the Carve-Out Account shall not be replenished for such amounts so paid. Payments from the Carve-Out shall be subject to any terms and conditions of the engagement agreements and appurtenant orders for the employment of each Estate Professional. Any payment or reimbursement made on or after the occurrence of the Carve Out Trigger Date in respect of any Allowed Professional Fees incurred after the occurrence of the Carve Out Trigger Date shall permanently reduce the Carve Out Amount on a dollar-for-dollar basis.

44. The DIP Agent, the DIP Lenders and the Prepetition Secured Parties shall not be responsible for the direct payment or reimbursement of any fees or expenses of any Estate Professionals incurred in connection with the Chapter 11 Cases or any Successor Case under any chapter of the Bankruptcy Code, regardless of whether payment of such fees or disbursement has been allowed by this Court. Nothing in this Interim Order or otherwise shall be construed to obligate any of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties in any way to pay compensation to or reimburse expenses of any Estate Professional, or to guarantee that the Debtors have sufficient funds to pay such compensation or expense reimbursement.

- 45. No Direct Obligation To Pay Allowed Professional Fees. None of the Prepetition Secured Parties or the DIP Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the Prepetition Secured Parties or the DIP Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.
- A6. Nothing in this Interim Order shall be construed as a waiver of any right of the DIP Secured Parties or the Prepetition Secured Parties with respect to any fee statement, interim application or monthly application issued or filed by the Professional Persons. Notwithstanding anything to the contrary herein or in the DIP Documents, (x) in no event shall any DIP Lender be required to fund any amounts in excess of its Commitment and (y) the payment of any Allowed Professional Fees pursuant to the Carve Out shall not (i) reduce any Debtor's obligations owed to the DIP Agent, any DIP Lender, and the Prepetition Secured Parties (whether under this Interim Order or otherwise) or (ii) modify, alter or otherwise affect any of the liens and security interests of such parties (whether granted under this Interim Order or otherwise) in the Prepetition Collateral or the DIP Collateral (or their claims against the Debtors).

No Marshaling

47. Subject to and effective only upon entry of the Final Order, the DIP Secured Parties and the Prepetition Secured Parties shall not be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral, the DIP Obligations, the Prepetition Secured Debt, or the Prepetition Collateral.

Limitation on Charging Expenses Against Collateral

48. Subject to entry of the Final Order, without limiting the scope of the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any Successor Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from (and the Debtors shall irrevocably waive any such claim to) the DIP Collateral (including Cash Collateral) or Prepetition Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent (as directed by the Required DIP Lenders) and the Prepetition Agent, as applicable, and no consent shall be implied from any other action, inaction or acquiescence by the DIP Secured Parties or the Prepetition Secured Parties, and nothing contained in this Interim Order shall be deemed to be a consent by the DIP Secured Parties or the Prepetition Secured Parties to any charge, lien, assessment or claims against the Collateral under section 506(c) of the Bankruptcy Code or otherwise. Further, the DIP Agent, the DIP Secured Parties, and the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and subject only to and effective upon entry of the Final Order, the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the DIP Agent, the DIP Secured Parties, and the Prepetition Secured Parties with respect to proceeds, products, offspring, or profits of any of the DIP Collateral or Prepetition Collateral.

Payments Free and Clear

49. Any and all payments or proceeds remitted to the DIP Secured Parties and the Prepetition Secured Parties by, through or on behalf of the Debtors pursuant to the provisions of this Interim Order, the DIP Documents or any subsequent order of this Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, any such claim or charge arising out of or based on, directly or indirectly, sections

506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by, through, or on behalf of the Debtors.

No Proofs of Claim

50. No DIP Secured Party or Prepetition Secured Party shall be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases of the Debtors under any chapter of the Bankruptcy Code, and the Debtors' stipulations in this Interim Order shall be deemed to constitute a timely filed proof of claim against the applicable Debtor(s). Any order entered by this Court in relation to the establishment of a bar date for any claim (including without limitation, administrative expense claims and priority claims) in any of the Chapter 11 Cases or Successor Cases shall not apply to the claims of the DIP Secured Parties with respect to the DIP Obligations or to the claims of the Prepetition Secured Parties under the Prepetition Credit Documents. Notwithstanding the foregoing, (a) the DIP Agent (on behalf of itself and the DIP Lenders) is hereby authorized and entitled, in its determination, but not required, to file (and amend and/or supplement, as applicable) a master proof of claim for any claims of the DIP Agent or any of the DIP Lenders in respect of the DIP Obligations, as applicable and (b) the Prepetition Agent (on behalf of itself and the Prepetition Lenders) is hereby authorized and entitled, in its determination, but not required, to file (and amend and/or supplement, as applicable) a master proof of claim for any claims of the Prepetition Agent or any of the Prepetition Lenders under the Prepetition Credit Documents, as applicable; provided, however, that nothing in this Interim Order shall waive the right of any DIP Lender or any Prepetition Lender to file its own proof of claim against any of the Debtors.

Limitations on Use of DIP Facility Proceeds and Collateral

51. *No Obligation to Extend Credit*. The DIP Lenders shall have no obligation to make any loan under the DIP Documents unless (and subject to the occurrence of the Closing Date (as

defined in the DIP Term Sheet)) all of the conditions precedent to the making of such extension of credit under the DIP Documents, this Interim Order and/or the Final Order, as applicable, have been satisfied in full or waived by the Required DIP Lenders.

52. No DIP Loans, DIP Collateral (including Cash Collateral), or any portion of the Carve-Out, may be used directly or indirectly by any Debtor, any statutory, or non-statutory committee (including any official Committee, if appointed), or any trustee appointed in the Chapter 11 Cases or any Successor Case, including any chapter 7 case, or any other person, party, or entity (a) in connection with the initiation, or prosecution of any claims, causes of action, adversary proceedings, or other litigation (i) against any of the DIP Secured Parties or the Prepetition Secured Parties or their respective predecessors in interest, officers, directors, employees, agents, affiliates, representatives, attorneys, or advisors, or any action purporting to do the foregoing in respect of the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the Prepetition Secured Debt, the Prepetition Liens, or the Adequate Protection Liens or Adequate Protection 507(b) Claims; or (ii) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to the DIP Obligations, the DIP Superpriority Claims, the Prepetition Secured Debt, the Prepetition Liens or the liens, claims, rights, or security interests granted under this Interim Order, the DIP Documents or the Prepetition Credit Documents, as applicable, including, in each case, without limitation, for lender liability or pursuant to section 105, 510, 544, 547, 548, 549, 550, or 552 of the Bankruptcy Code, applicable non-bankruptcy law, or otherwise (provided that, notwithstanding anything to the contrary herein, the proceeds of the DIP Loans and/or DIP Collateral (including Cash Collateral) may be used by any Committee to investigate, but not to prosecute, (x) the claims and liens of the Prepetition Secured Parties and (y) potential claims, counterclaims, causes of action or defenses against the Prepetition Secured

Parties, up to an aggregate cap of no more than \$50,000 (the "Investigation Budget")); (b) to prevent, hinder, or otherwise delay the DIP Agent's, or the DIP Lenders', as applicable, enforcement or realization on the DIP Obligations, DIP Superpriority Claims, DIP Collateral, and the liens, claims, and rights granted to such parties under this Interim Order, each in accordance with the DIP Documents or this Interim Order; (c) to seek to modify any of the rights and remedies granted to the DIP Agent or the DIP Lenders under this Interim Order or the DIP Documents, as applicable; (d) to apply to this Court for authority to approve superpriority claims or grant liens (other than the liens permitted pursuant to the DIP Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or pari passu with, the DIP Liens, DIP Obligations, DIP Superpriority Claims, Adequate Protection Liens and Adequate Protection 507(b) Claims, unless all DIP Obligations and claims granted to the DIP Secured Parties under this Interim Order, have been paid in full in cash or as otherwise agreed to in writing by the Required DIP Lenders; or (e) to seek to pay any amount on account of any claims arising prior to the Petition Date unless such payments are agreed to in writing by the Required Lenders or are otherwise included in the Approved Budget. The Debtors shall be entitled to use DIP Collateral to pay reasonable and documented fees incurred to (x) contest that a Postpetition Default has occurred and/or is continuing hereunder pursuant to and consistent with paragraph 55 of this Interim Order and/or (y) prepare for and participate at any hearing held by this Court regarding any exercise of rights or remedies under the DIP Documents; provided that, in each case, such amount shall apply against the Debtor Post Carve-Out Notice Amount.

POSTPETITION DEFAULT/REMEDIES

Postpetition Defaults

53. The occurrence of any of the following events, unless waived by the Required DIP Lenders, shall constitute an event of default (each, a "Postpetition Default" and collectively,

the "Postpetition Defaults"): (a) the failure of the Debtors to perform any of the terms, provisions, conditions, covenants, or obligations under this Interim Order, (b) the failure of the Debtors to comply with any of the Milestones (as defined below) or (c) the occurrence of an "Event of Default" as set forth in the DIP Term Sheet. Upon the occurrence and during the continuation of any Postpetition Default that has not been waived by the Required DIP Lenders, the DIP Secured Parties shall have the rights and remedies set forth in the DIP Documents and in this Interim Order.

Remedies

- 54. Subject to the terms of the DIP Documents and this Interim Order, including paragraph 56, the automatic stay provisions of section 362 of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Secured Parties to exercise all rights and remedies and to take any or all of the following actions, without further order of or application to this Court, immediately upon the occurrence and during the continuance of an Event of Default, so long as the DIP Agent, as directed by the Required DIP Lenders, provide five calendar days' prior written notice (e-mail being sufficient for this purpose) to the Debtors, their counsel (Cole Schotz P.C.), the U.S. Trustee, and other lienholders for any Postpetition Default of the exercise of any rights and remedies in accordance with the DIP Documents (such notice, the "Default Notice" and such notice period, the "Enforcement Notice Period").
- 55. During the Enforcement Notice Period, the Debtors and/or any party in interest shall be entitled to seek an emergency hearing (with the DIP Agent and the DIP Secured Parties deemed to consent to such emergency hearing pursuant to this Interim Order) or such other time as this Court can schedule the hearing in accordance with the Local Rules.
- 56. Unless during the Enforcement Notice Period this Court orders otherwise, the DIP Secured Parties may: (a) terminate, reduce, or restrict the Debtors' use of any Cash Collateral; (b) cease or reduce making any DIP Loans; (c) declare all DIP Obligations to be immediately due and

payable; (d) charge the default rate of interest on the DIP Loans; (e) freeze monies or balances in the Debtors' accounts; (f) immediately set-off any and all amounts in accounts maintained by the Debtors and subject to the control of the DIP Secured Parties against the DIP Obligations; (g) otherwise enforce any and all rights against the DIP Collateral in the possession of any of the applicable DIP Secured Parties, including, without limitation, disposition of the DIP Collateral solely for application towards the DIP Obligations; (h) enforce all of the guaranty rights; and (i) take any other actions or exercise any other rights or remedies permitted under the DIP Orders, the DIP Documents or applicable law to effect the repayment of the DIP Obligations.

57. The automatic stay under section 362 of the Bankruptcy Code otherwise applicable to the DIP Agent and DIP Lenders is hereby modified as set forth in the previous paragraphs so that the DIP Agent (at the direction of the Required DIP Lenders) shall be entitled to exercise all rights and remedies against the DIP Collateral in accordance with the DIP Documents and this Interim Order, and shall be permitted to satisfy the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens and Adequate Protection 507(b) Claims, subject only to the Carve-Out and Prepetition Permitted Senior Liens. Unless this Court orders otherwise, the automatic stay shall automatically be terminated upon the issuance of the Default Notice without further notice or order, and the DIP Agent (at the direction of the Required DIP Lenders) shall be permitted to exercise all remedies set forth herein, in the DIP Documents, and as otherwise available at law against the DIP Collateral, without further order of or application or motion to this Court, and without restriction or restraint by any stay under sections 105 or 362 of the Bankruptcy Code, or otherwise, against the enforcement of the liens and security interest in the DIP Collateral or any other rights and remedies granted to the DIP Agent (acting at the direction of the Required DIP Lenders) with respect thereto pursuant to the DIP Documents or this Interim Order.

58. Upon or after the occurrence of any Postpetition Default, the Required DIP Lenders may, in their sole determination, consistent with the terms of this Interim Order and the DIP Documents, advance funds to the Debtors or may consent to the Debtors' use of Cash Collateral, and all such advances or consent to use of Cash Collateral shall not constitute a waiver, limitation, or modification of the DIP Agent's and the Required DIP Lenders' rights and remedies pursuant to the DIP Documents, this Interim Order, and applicable law.

Milestones

- 59. The Debtors agree that failure to comply with any of the milestones (as set forth in the DIP Term Sheet, the "Milestones") shall constitute an Event of Default. Each of the Milestones may be extended or waived in writing (email being sufficient) at any time by the Required DIP Lenders. The Milestones include:
 - i) On the Petition Date, the Debtors shall file the Prepackaged Plan and Disclosure Statement in accordance with the RSA in form and substance acceptable to the Required DIP Lenders;

 - vi) this Court shall have entered an order confirming the Prepackaged Plan by the date that is no later than forty-five (45) days after the Petition Date; and
 - vii) the effective date of the Prepackaged Plan shall have occurred by the date that is no later than sixty (60) days after the Petition Date.

Challenge Period

The Debtors' stipulations, admissions, agreements and releases contained in this 61. Interim Order shall be binding upon the Debtors in all circumstances and for all purposes upon entry of this Interim Order. The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless: (a) such committee or any other party in interest with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so) has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, inter alia, in this paragraph) by no later (i) in the case of any Committee, the earlier of (a) 75 days from the entry of the Interim Order or (b) the date upon which the confirmation order is entered, with such 75-day period subject to extension by agreement of the Committee and the Required DIP Lenders, and other third parties, as the case may be, or by order of this Court; (ii) in the case that a chapter 7 or chapter 11 trustee is appointed or elected within 75 days after the Petition Date (including following a conversion of these Chapter 11 Cases to cases under chapter 7) the earlier of (a) 75 days from the Petition Date or 30 days from the appointment of such chapter 7 or chapter 11 trustee, or (b) the date upon which the confirmation order is entered; (iii) in the case of any other party in interest (including a chapter 7 or chapter 11 trustee appointed or elected more than 75 days after the Petition Date), the earlier of (a) 75 days of the Petition Date, or (b) the date upon which the confirmation order is entered (the time period established by clauses (i), (i) and (iii) of this paragraph 61, the "Challenge Period"), (A) objecting to or challenging the amount, validity, perfection, enforceability, priority

or extent of the Prepetition Secured Debt or the Prepetition Liens, or (B) otherwise asserting or prosecuting any action for preferences, fraudulent transfers or conveyances, other avoidance power claims or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "Challenges") against the Prepetition Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (each, a "Representative" and, collectively, the "Representatives") in connection with matters related to the Prepetition Credit Documents, the Prepetition Secured Debt, the Prepetition Liens and the Prepetition Collateral; and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge in any such timely filed adversary proceeding or contested matter; provided, however, that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge or claim and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released and barred. If no such Challenge is timely and properly filed during the Challenge Period or this Court does not rule in favor of the plaintiff in any such proceeding then: (1) the Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding on all parties in interest; (2) the obligations of the Prepetition Obligors under the Prepetition Credit Documents, including the Prepetition Secured Debt, shall constitute allowed claims not subject to defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s); (3)

the Prepetition Liens on the Prepetition Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity, including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors) and any defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Debtors), whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives arising out of or relating to any of the Prepetition Credit Documents, the Prepetition Secured Debt, the Prepetition Liens and the Prepetition Collateral shall be deemed forever waived, released and barred. If any such Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases contained in this Interim Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on each other statutory or non-statutory committee appointed or formed in the Chapter 11 Cases and on any other person or entity, except to the extent

that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction (and solely as to the plaintiff party that timely filed such Challenge Proceeding and not, for the avoidance of doubt, any other party in interest). Nothing in this Interim Order vests or confers on any Person (as defined in the Bankruptcy Code), including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Prepetition Credit Documents, the Prepetition Secured Debt or the Prepetition Liens, and any ruling on standing, if appealed, shall not stay or otherwise delay the Chapter 11 Cases or confirmation of any plan of reorganization.
